Remind your children to only bring ChromeBook, Chromebook charger, Agenda and items for the classes that they have that day. We are working on a solution to safely use lockers and hope to share that out soon. We know backpacks are heavy, we are brainstorming ways to safely reduce the load.

Missing Books

Please have students bring in any books that they still have at home from last school year.

Virtual Students

1. Students that log in more than 10 minutes late to a live meeting will have to watch the full lesson later in the day to ensure that they are not missing important content.
