Virtual Fall Fun Run!

Join the Saint Francis HSA in a virtual fundraising event!

Did you know Saint Francis was the Patron Saint of animals and ecology? Take your pet (or a stuffed animal) and complete your fun run on your own time. Or.....

Saint Francis SELFie time! There are many values in Franciscan spirituality. We would like to recognize **Service, Excellence, Leadership,** and **Faith.** Please complete the tasks and submit your pictures by October 12th to win a prize!

Service: Rake leaves for your neighbor, Do something nice for your parents, Make a meal for someone or deliver groceries

Excellence: Take a picture of something you worked on at school that you are really proud of

Leadership: Read a book to your sibling or someone you love, Draw a picture of someone you look up to

Faith: Pray the rosary as a family

What is the HSA?

The Home and School Association is all about building community! Our goal is to support teachers, students, parents, and our beloved Catholic school. We like to plan social events to encourage a sense of community. We organize fundraising events to help with the enrichment of our students and staff at Saint Francis. Funds assist with classroom enrichment, teacher appreciation, student activities, retreats, and more.

We are asking for free will donations for our virtual Fall Fun Run. Please join us and complete the Fun Run/SELFie tasks by October 12th 2020.

We are disappointed we cannot gather as a community this year – please mark your calendars for next year's Fall Fun Run – October 9th 2021.

Please contact: stfhsa@rcsmn.org to submit pictures/finished tasks and with any questions.

Return to School (prior to October 10th)

Virtual Fall Fun Run Registration

Family Name:

_____

Number of family members participating:

_____
