ABOUT ME

Welcome to 3rd Grade! My name is Crystal Benavides and I'm very excited to be your child's teacher this year. I was born and raised in Texas. I live with my husband of 11 years and we have one daughter. I love teaching and I feel passionate about creating a welcoming learning environment for all my students. It is my goal to see your child reach his/her fullest potential. Each one of my students is an integral part of our classroom and the IWA community. I'm so excited to watch them grow this year.
