**Action Items:**  
Refresh Requests [RHS Intervention - Flocabulary](#)

This is a district wide license and can be used beyond just RHS Intervention.

This needs to be communicated to all teachers so everyone is aware it can be used.

Vote: Purchase 1 year license of Flocabulary  
G-14 Y-0 R-0  
Purchase Approved.

[RHS English Department- Turnitin.com](#)

This was previously paid for by the Media Center but their budget can no longer handle the cost. It would be the majority of the Media budget to cover Turnitin cost.

First see if CARES funding would cover this since it would be heavily utilize with distance learning  
If it does not get covered by CARES funding. See if Media would split the cost of 1 year.

G-14 Y-0 R-0  
Purchase Approved

**Reports:**  
Curriculum  
Adoption 21-22

Business  
  
Special Education  
FACS  
ALC  
EL  
Interventionist

Keri and Kayla met with all the groups to discuss goals and timeline for the Selection Year of the Curriculum Cycle. Most groups have a start on their list of requests. Title was the only group that has not been met with. Keri and Kayla are working to meet with them soon.

Social Studies should start the process of vetting curriculum. A meeting will be set up soon to touch base with the group.

**Discussion:**

The ALC is a Building an like RHS, RMS so they should be adopting along with all the buildings instead of individually. Edgenuity is a part of ALC and Online Learning but it has been funded outside of Curriculum and Instruction.

ALC with each department

In talking to RMS and RHS interventionist it might make sense to have them line up with their Reading and Math as well.

Interventions for Reading and Math often look very different than the curriculum and are supposed to look very different from the curriculum. It would not necessarily benefit Intervention to adopt the same years as Reading and Math.

Interventions with subject department

Discuss further with interventions on if a change like this would help or their group or not.
