

Parent-School Involvement Policy Title 1- Harvest Hills Elementary 2020-2021

As a requirement of the Title 1 Parent Involvement Section of the No Child Left Behind Act (NCLB), each year a Parent Involvement Policy will be developed by collaboratively by staff members and parents. The information will be placed as part as our enrollment packet, displayed throughout the school, and placed on the school website.

Each year a meeting will be held to inform parents of the school's participation in the Title 1 program and to explain the requirements of the program and their right to be involved.

As a commitment to increase and support involvement by parents the school will:

- Vary the times of parent meetings, conferences, and events so more parents may attend.
- Seek parent involvement in developing the School-Wide Program Plan.
- Provide parents with information regarding the plan in a timely manner.
- Hold a Curriculum Night explaining our curriculum, assessments, and expected student proficiency levels.
- Provide parents with resources explaining the Common Core Standards, CRT exams, District Benchmark Exams, and materials to help explain where their children should be academically.
- When requested hold meetings to allow parents to help make decisions regarding their child's education.
- Provide parents with a school-parent compact written jointly by parents and staff which outlines a shared responsibility for improved student achievement.
- Provide parents with materials and training to better equip them to help their children with their school work.
