

# COVID-19 STANDARD RESPONSE PROTOCOL

LEVEL

5

## ACTIVE PREVENTION

- All procedures to maintain controls are in place
- Regular deep cleaning procedures are used
- No visitors may access sites without advanced permission
- Regular review of policies and procedures to proactively avoid any challenges

LEVEL

4

## MITIGATION

- Possible close contacts or a suspected case have been identified and are being investigated to determine impact to site
- Health monitoring of impacted individuals is initiated
- Contact tracing underway with communications to any impacted individuals

LEVEL

3

## RESPONSE

- Specific individuals may need to quarantine
- Campus may close for 1 day to complete contact tracing and to complete deep cleaning
- Confirmed cases will need to follow CDC guidelines for a minimum of 14 days and will resume online learning
- Communication will be sent to all campus stakeholders

LEVEL

2

## SITE CLOSURE

- Site will be closed, up to 5 calendar days for deep cleaning
- All students and staff that are confirmed or close contacts will remain quarantined in alignment with CDC guidelines
- Online learning will be reactivated for the duration of the closure

LEVEL

1

## DISTRICT WIDE CLOSURE

- Most or all sites are closed for multiple days due to the impacts of COVID
- YES Prep Reignited Online is activated
- All impacted facilities will be sanitized
- All extracurriculars including scheduled events, will be postponed or canceled
