

International Academy Okma – Class of 2021

Dear Parents and Seniors of the Class of 2021:

Congratulations! The excitement of your senior year is just around the corner. Now is a good time to give you basic information concerning your senior portraits.

We are pleased to announce that **Prestige Portraits by Lifetouch** is the official portrait photographer for International Academy. We made this selection based on strict criteria including quality, price, customer service, variety of sittings, backgrounds, props, school support and variety of locations. All portraits are 100% guaranteed. As the official photographer, Prestige also provides valuable services to our school including photo training and photographic supplies.

By being photographed at Prestige, you will appear in the Class of 2021 composite and in full color in the 2021 Legend yearbook. Prestige has our yearbook specifications and will automatically deliver the photograph of your choice for use in the yearbook and on the composite. Each senior photographed by Prestige will also receive a color copy of the class composite. The composite may not be important to you now but will be invaluable to you tomorrow. Do not be left out!

Your senior yearbook and composite picture must be a head and shoulder pose on a gray background. No T-shirts, hoodies, or bare shoulders. You are free to use a studio of your choice, but your photos must follow the guidelines specified for inclusion in the IA yearbook.

All publications, including yearbooks, have deadlines. The studio is compelled to conform to our dates. Please do not be late with your portrait sitting or proof selection. Studio appointments book up quickly. You can make your appointment months in advance at any Prestige location listed below.
