

Summer Camps - 2019

Friendswood Community Education

June 3rd – June 27th

ONLINE REGISTRATION AND PAYMENT AVAILABLE

April 15th 9 AM

<https://fisd.revtrak.net/tek9.asp>

All Summer Camps are held Monday-Thursday

All classes meet at the Jr. High School. (1000 Manison Parkway)

Please use the front entrance only.

Parents must accompany their children into and from the building. Teachers will meet students and parents each day of class and escort to the classroom. Parents must pick up students promptly when their child's activities finish each day. All supplies provided unless stated otherwise in the camp description. ***Please notify us of any food allergies.*** *Supervision is not provided afterward. All camps are coed unless otherwise stated in course description. Changes or additions to the brochure will be posted online. Class size strictly limited.*

Lunch supervision provided for \$10 per week, per child.
Your child MUST bring their own lunch. CASH ONLY PLEASE!

June 3-6 WEEK 1

(Monday-Thursday)

Parents – Please use Alpha Code for each class - ex: *Art Explorers - A A02*

Aliens and Monsters (age 5 & up) A01 10-12 pm June 3-6 \$50

T. Hrabovsky - Join the “out of this world” fun as students create snacks and crafts based on favorite alien and monster animated movies!

Art Explorers - A (age 6-14) A02 9:30-11 am June 3-6 \$65

Art Explorers - B (age 6-14) A03 11:30-1 pm June 3-6 \$65

L. Marx – This class offers NEW and different projects from previous Art Explorers classes. Students will work with a former FISSD Art teacher to create new projects in a different medium each day using oil pastels, watercolors, clay and more! Supplies are included and students are encouraged to take the class as many times as they like, since projects are not repeated. **See also Week 3.**

Bricks 4 Kidz - A (age 6 & up) B01 8:30-11:30 am June 3-6 \$125

J. Reichardt – **Mining & Crafting I** - Minecraft is a game about placing blocks to build anything you can imagine. Experience the world of Minecraft with LEGO® bricks in this fun camp! Kids will start by crafting their shelters and some of the mobs, critters and tools using LEGO® bricks. Campers will face new challenges each day, building motorized Bricks 4 Kidz models and crafting key elements from the popular Minecraft game.

Bricks 4 Kidz – B (age 8 & up) B02 12-3 pm June 3-6 \$140

J. Reichardt – **Junior Robotics** - How would you like to turn your next LEGO® creation into a robot, programmed to do exactly what you tell it to do? The Bricks 4 Kidz new Junior Robotics camp offers all the fun of building with LEGO® bricks, PLUS the challenge of computer programming! Using drag-and-drop icon-based software, WeDo software provides an introduction into the world of computer programming and robotics that will equip children to succeed in a technology-based marketplace. This fun, action-packed week combines real-life skills with real-kid fun!

Candy Bouquet (age 6-12) C01 8:30-10 am June 3-6 \$60

K. Jerath – Enjoy making special candy bouquets for your loved ones. They are fun to make and amazing gifts for friends and family. We will use a variety of materials, in addition to candies, to make the bouquets. We will create marshmallow pops, and sweet candy chocolate bouquets, and more.

Candy Creations - A (age 7-12) C02 12-3 pm June 3-6 \$85

N. Burke – Create amazing candy each day! Some examples: peppermint patties, cake balls, truffles, peanut butter cups and barks. *Please notify of any food allergies.* **See also Week 2.**

Create with Duct Tape - A (age 6-12) C03 10-12:30 pm June 3-6 \$65

K. Jerath – Students will have fun creating many new projects using duct tape. Make your own wallets, bookmarks, handbags, clipboards, and many more projects. **See also Week 4.**

Creations Galore with Chalk Couture - A (age 9-14) C04 9:30-11 am June 3-6 \$88

E. Guerrero-Hendricks – Come create with me! In this class we will be using Chalk Couture silk screen transfers, a variety of chalk paste colors and more! We will create some special artwork to take home daily. The kids will ‘chalk’ on various surfaces to create artwork that will be perfect for gifts or can be used to decorate a room. They will leave the camp with a sense of accomplishment. Come join the fun and learn how to use one of the fastest growing DIY trends of today!!!! **See also Week 3.**

- Cupcake Wars - A (age 5-12) C05 9-10 am June 3-6 \$50**
T. Hrabovsky – Students will decorate cupcakes based on a daily theme. Cupcakes will be judged each day and prizes awarded. Come express your cupcake creativity! **See also Week 4.**
- Edible Art - A (age 7-12) E01 8:30-11:30 am June 3-6 \$85**
N. Burke – Create art that you can eat! Examples: garden cake, cupcakes, ocean jar, painted 3D chocolate and more! *Please notify of any food allergies.* **See also Week 2.**
- Exploring World Languages (age 10-12) E02 10-12 pm June 3-6 \$60**
D. Hervada – Not sure which language to study in Junior High? Come explore Spanish, French, German and Latin with FISD teachers! Students will learn the basic greetings, colors, numbers, and culture of each language. All proceeds will help fund the senior scholarship for the Outstanding World Language Student. Gracias, Merci, Danke schon, Gratias vobis ago.
- Flag Football - A (age 7-9) F01 9-10:30 am June 3-6 \$42**
Flag Football - B (age 9-11) F02 10:30-12 pm June 3-6 \$42
N. Holtvluwer – GIRLS and BOYS will learn to play Flag Football and other Fun Football related games and contests, such as “Steal the Bacon”, “Flag Tag”, “4 to Score!” and “No Man’s Land”. Students will also learn how to catch, throw, and run with a football while learning basic rules, positions, and plays.
- Food Science - A (age 5 & up) F03 12-1:30 pm June 3-6 \$50**
T. Hrabovsky - Use food to learn about science topics such as moon phases, density, chemical reactions, earthquakes and more. **See also Week 4.**
- Great Tennis - A (age 5-14) T01 See Week 4 for Description 8-9:15 am June 5, 6, 10, 12 \$100**
See also Great Tennis B, C, D, E
- H2K Summer Wellness Bootcamp - A (age 6-11) H01 9-12 pm June 3-6 \$150**
M. Goldman – H2K Wellness Bootcamp will start each day with meditation followed by a super fun fitness class. We will have yoga, hip-hop, kickboxing and circuit training. Each day students will complete an art project that reflects a specific wellness theme followed by closing meditation, games and healthy goals to work on! This camp is intended to build confidence, self-esteem and to engage children in physical and mindful activities that they enjoy. **See also Week 3.**
- Little Med School: Wilderness Medicine - A (age 4-12) L01 12-3 pm June 3-6 \$160**
K. & C. Arnold – Wilderness medicine brings medicine, science and the importance of health to children. Learn about poisonous snakes and types of venom. Know the signs and symptoms of hypothermia. Learn how contaminated water can cause disease and how to filter and make clean water. We use interactive demonstrations, crafts and games so kids learn how to treat and take care of many common injuries that occur in the wild as well as awareness and safety. **See also Week 3.**
- Little Vet School: Cats - A (age 4-12) L02 8:30-11:30 am June 3-6 \$160**
K. & C. Arnold – Little Medical School Greater Houston Area presents Mittens goes to the Veterinarian office. Little Veterinarian School® encourages elementary school children to role-play and explore the exciting world of veterinarians. Using interactive demonstrations, crafts and games, kids learn how to take care of a pet and use instruments that real veterinarians use. Each student will take home their own stuffed animal cat that they will adopt along with exam forms, handmade cat toys and so much more!
See also Week 3.

Mad Science - A (age 6-12) M01 12:30-3:30 pm June 3-6 \$75
K. Jerath – Students will learn how to make giant bubbles, bouncing bubbles, bubbles within bubbles, lava lamps, rainbow stress balls, button and CD spinner, glitter slime, home crafts, spinning tops, apple and lemon eruptions, volcanoes, etc. **See also Week 2.**

Math Made Fun - A (age 7-10) M02 12:30-2 pm June 3-6 \$50
C. Mille - Students will learn math through activities that include books, food, building, singing, dancing and so much more! They will build 2D shapes with Twizzlers, 3D shapes with marshmallows and toothpicks, begin an intro to fractions using Hershey Bars, learn to graph through exercise, and so much more! **See also Week 4.**

Reader's Theater - A (age 7-10) R01 8:30-11:30 am June 3-6 \$78
C. Mille - Students will read a book, come up with speaking parts, design costumes, learn parts, and perform a final piece on the last day. **See also Week 4.**

Soccer Fitness for Kids (age 5-10) S01 9-12 pm June 3-6 \$99
L. Alba – Fun, fitness and soccer related activities and skills that foster teamwork and passion for the growing popular game of soccer while enjoying competition and awards. *Part of this class will be taught indoors.*

**Absolutely NO schedule changes or camp substitutions
unless Comm Ed cancels a class!**

ONLINE REGISTRATION AND PAYMENT AVAILABLE
<https://fisd.revtrak.net/tek9.asp>

Lunch supervision provided for \$10 per week, per child.
Your child MUST bring their own lunch. CASH ONLY PLEASE!

June 10-13 WEEK 2

(Monday-Thursday)

Parents – Please use Alpha Code for each class - ex: *Art-ventures-A A04*

Art-ventures - A (age 6-14) A04 9:30-11 am June 10-13 \$65
Art-ventures - B (age 6-14) A05 11:30-1 pm June 10-13 \$65
L. Marx – Create various 3D techniques using tools, textures, and materials in clay, paper mache, and more!
See also Week 4.

Bricks 4 Kidz - C (age 8 & up) B03 8:30-11:30 am June 10-13 \$140
J. Reichardt – **Coding and Video Game Design** - The ability to code is a key component of technology education today. Our coding program will teach students important strategies to enhance their logic and problem-solving skills, as well as help them work toward becoming technological innovators of tomorrow. Our program offers a skill level progression of coding concepts. Students will be introduced to basic coding with a fun, user-friendly coding software. Game designers will think creatively, reason systematically, and work collaboratively to create various video games. Each game progressively teaches more advanced capabilities within the video game design software. Students will be proud and excited to actually play their very own completed video games.

Bricks 4 Kidz –D (age 6 & up) B04 12-3 pm June 10-13 \$125
J. Reichardt – **Pocket Brick Monsters** - Get ready for an adventure in the world of Pokémon®! Capture wild Pokémon® creatures and train them for battle. Improve your accuracy and power as you learn new moves and use special abilities. Tap into your inner engineer as we build Dratini, Pikachu, Poké Balls, and more. Bring your own Pokémon® trading cards if you wish to play and trade at the end of each day. Show off your skills as you battle for power in our journey through the Pokémon® universe. Do you have what it takes to become a Pokémon® Master?

Camp Einstein - A (age 4-10) C06 8:30-11:30 am June 10-13 \$160
C. Bielamowicz – **Machines in Motion** - Pick up speed in this camp all about the motion in cars, planes, and watercraft. The engineering minded camper will love building their very own roller coaster and enjoy launching from their crazy catapults! We never stop moving in this exciting class!

Camp Einstein - B (age 4-10) C07 12-3 pm June 10-13 \$160
C. Bielamowicz – **Wizard Science** - Is it magic or is it science? Transform into a wizard of science in this exciting summer camp! Experiment with the periodic table and the intriguing reactions that can occur when certain elements interact! Watch as the instructors blow things up and explain why cataclysmic reactions happen! Amaze your family and friends with your magical science acts from disappearing water, color changing reactions, and more!

Candy Creations – B (age 7-12) C08 8:30-11:30 am June 10-13 \$85
N. Burke – Create amazing candy each day! Some examples: peppermint patties, cake balls, truffles, peanut butter cups, and barks. *Please notify of any food allergies.*

Coding for the Future - A (age 7-10) C09 8:30-11:30 am June 10-13 \$75
D. Moreno – Students will have the opportunity to learn to code using various coding devices and learn the language of coding. They will have the opportunity to code with LEGO®, Wonder Dash®, Spheros®, Keva Builders®, games and more. **See also Week 3.**

Cookie-Licious - A (age 6-12) C10 10-12 pm June 10-13 \$75
K. Jerath – Have a BLAST decorating cookies with candies and chocolates. Make animal forms and many more edible creations using cookies and candies. We will decorate holiday cookies, after school snack cookies, and more. **Bring a container to take your cookies home.** **Please let me know if your child has any food allergies.*
See also Week 3.

Edible Art - B (age 7-12) E03 12-3 pm June 10-13 \$85
N. Burke – Create art that you can eat! Examples: garden cake, cupcakes, ocean jar, painted 3D chocolate and more! *Please notify of any food allergies.*

Get Ready for Kinder Camp – A (age 4-6) G01 8-11 am June 10-13 \$85
Get Ready for Kinder Camp – B (age 4-6) G02 12-3 pm June 10-13 \$85
C. Gibson – (For children turning 5 before September 1st) **Do you have a child starting Kindergarten in the Fall?** This class will help your child make that transition to kindergarten. We will focus on: social development, promote confidence for the upcoming year, help reduce anxiety for those who may feel scared, identification of phonological awareness, development of handwriting and fine motor activities, one to one number counting, and helping prepare for the kindergarten screening in August. Bring a dry snack and a water bottle each day.
See also Week 3.

Growing Gifted Minds - A (age 7-10) G03 12-3 pm June 10-13 \$80
D. Moreno – Help kids stay engaged during the summer with Growing Gifted Minds. Students will have the opportunity to complete Steam Challenges, learn how to solve logics puzzles and be introduced to new technology games to create presentations, movies and more. We will also complete a cardboard challenge and create a cardboard arcade. **See also Week 3.**

Kid’s Glass Painting (age 8-12) K01 8:30-10 am June 10-13 \$55
K. Jerath – Students will learn how to paint on glass, make glass frames with flowers or butterflies, and paint and personalize glass plates and ceramic mugs.

Little Medical School - A (age 4-12) L03 12-3 pm June 10-13 \$160
K. & C. Arnold – Come and explore the world of medicine in a fun and unique way. Through interactive learning, kids will discover how the body and organs work, how to use medical instruments, tie knots like a real surgeon, and receive a working stethoscope to take home and much more! **See also Week 4.**

Little Vet School: Dogs - A (age 4-12) L04 8:30-11:30 am June 10-13 \$160
K. & C. Arnold – Explore the exciting world of veterinarians! Using interactive demonstrations, crafts and games, kids learn how to take care of a pet and use instruments that real veterinarians use. Each child will also get their own stuffed animal dog that they will adopt along with tape measures, dog journal, dog bone cookie cutter and so much more! **See also Week 4.**

Lulu’s Little Chef’s Unlimited Cooking (age 8-12) L05 10-12 pm June 10-13 \$79
M. Vazquez – Lulu’s Kitchen treats young chefs to a week of hands-on fun. We will make favorite summer foods from scratch! Aprons are provided and they get to eat everything they make! *Please notify of any food allergies.*

Mad Science - B (age 6-12) M03 12:30-3:30 pm June 10-13 \$75
K. Jerath – Students will learn how to make giant bubbles, bouncing bubbles, bubbles within bubbles, lava lamps, rainbow stress balls, button and CD spinner, glitter slime, home crafts, spinning tops, apple and lemon eruptions, volcanoes, etc.

Manners Matter (age 4-7) M04 9:30-11 am June 10-13 \$75
L. Westfall – Social Graces for all Places – Join us for a fun, interactive, activity filled camp! We will learn social skills and etiquette that will last a lifetime: basic introductions, social graces for public places and dining etiquette - how to set the table, table manners, and how to use your fork, knife and napkin. The program is specifically written for children by the Protocol School of Washington, D.C., which trains national diplomats. Catherine the Mannerly Cat will come along to help teach the children kind and courteous behavior.

Movie and A Snack (age 5 & up) M05 10:30-12 pm June 10-13 \$50
T. Hrabovsky - Just as the title says! Come relax for a while and enjoy a favorite animated movie and create a movie related snack. Plain and simple fun! Bring your blanket!

Princess For A Day (age 4-12) P01 9-10:30 am June 10-13 \$50
T. Hrabovsky - Join the magical fairytale fun as we watch your favorite Disney Princess movie while creating a royal treat and craft.

Unicorn Party! - A (age 8-14) U01 9-12 pm June 10-13 \$100
A. Loehmann – Your child will have fun creating a unicorn themed tie-dye shirt, cupcakes, headband and bath salts! Please bring your own solid white cotton t-shirt and wear clothes that can get stained. **See also Week 3.**

**Absolutely NO schedule change or camp substitutions
unless Comm Ed cancels a class!**

ONLINE REGISTRATION AND PAYMENT AVAILABLE
<https://fisd.revtrak.net/tek9.asp>

Lunch supervision provided for \$10 per week, per child.
Your child MUST bring their own lunch. CASH ONLY PLEASE!

June 17-20 WEEK 3

(Monday-Thursday)

Parents – Please use Alpha Code for each class - ex: *Art Explorers - C A08*

American Girl - Girls Just Want To Have Fun! – A (age 5-10) A06 8:30-11:30 am June 17-20 \$95

C. Lowe – What makes summer fun? Friends! Join me while we learn valuable character lessons, craft, and play! You are welcome to bring your doll to camp, but it is not required for participation!

Mon: Critters allowed; dolls need critter friends too! Campers will receive two pets - a play kitten just for your doll, including adoption certificate, bed, and toys as well as a mystery pet that will be discovered by campers on camp day. **Tues:** Spa Day - Girls need a little pampering. We will make doll sized flip flops, bath salts, lip balm, and learn new ways to style hair. **Wed:** Manners Matter - dress to impress today! Learn how to set tables, make mini sandwiches, decorate mini cupcakes, and eat treats all while using impeccable manners.

Thurs: Chrissa Stands Strong - We will dive into friendship, friendship problems, and bullying. Together we will discuss everyday school problems and ways/solutions to solve. Together we will make friendship gifts and culminate our learning by watching, Chrissa Stands Strong - An American Girl Doll Classic! **See also Week 4.**

A Party A Day Keeps The Boredom Away - A (age 5-10) A07 12-3 pm June 17-20 \$95

C. Lowe – What’s better than one party . . . four parties! No parent cleanup required! Jump start your child’s summer fun by signing them up for Party a Day. **Birthday Bash** - It’s everyone birthday! We’ll celebrate by making pinatas, cake decorating, birthday singing, and lots of game playing. **July 4th** - Together we’ll celebrate America’s Birthday - We’ll make ice cream in a can, craft, go on a mini parade, and learn about and meet an everyday hero. **Valentine’s Day** - Love is in the air. We’ll play pin the heart on cupid, decorate cookies, create valentine bags, make cards, and complete an exchange. **Christmas** - Christmas Texas style – Christmas tree decorating, present making, snow magic and snowman creation.

Wed: Thurs: Please note that food will be consumed at this camp. If your child has any allergies please contact me prior to the camp at clowe@fisd.k12.net See also Week 4.

Art Explorers - C (age 6-14) A08 9:30-11 am June 17-20 \$65

Art Explorers - D (age 6-14) A09 11:30-1 pm June 17-20 \$65

L. Marx – This class offers NEW and different projects from previous Art Explorers classes. Students will work with a former FISD Art teacher to create new projects in a different medium each day using oil pastels, watercolors, clay and more! Supplies are included and students are encouraged to take the class as many times as they like, since projects are not repeated.

Bricks 4 Kidz – E (age 6 & up) B05 8:30-11:30 am June 17-20 \$125

J. Reichardt – **Emmet’s World** - Do you think building is awesome? How about building with Emmet and Lucy? Then you won’t want to miss this Bricks 4 Kidz Camp! Join Emmet, Lucy, Unicorn Kitty and Benny on a journey to stop Bad Cop and Lord Business from super-gluing the world. Campers will put their engineering skills to work as they build motorized models, 3D figure builds and mosaics. They’ll love these awesome models based on The LEGO® Movie and its sequel. Whether you take an imaginary ride on Metal Beard’s ship or Emmet’s double-decker couch, be sure to get on over to Bricks 4 Kidz where building is awesome!

Bricks 4 Kidz – F (age 8 & up)	B06	12-3 pm	June 17-20	\$140
<i>J. Reichardt – Stop Motion Animation & Comic Creation – Bricks, Camera, Action! Explore the artistic form of stop motion and comic book design as you learn to create your personalized editions. Use our superhero and Star Wars characters, develop story lines and incorporate pictures of actual sets, all designed with LEGO® Bricks! After creating various scenes, campers will snap pictures and upload them, utilizing a software program to create their very own, one of a kind production. Along with honing your story telling skills, this camp is sure to take your imagination to the next level. At the end of the week, campers will be provided with a digital copy.</i>				
Camp Einstein - C (age 4-10)	C11	8:30-11:30 am	June 17-20	\$160
<i>C. Bielamowicz – STEMfinity and Beyond - Let’s explore this incredible universe of ours! From oceans to land to space! We will dive deep into the abyss of our oceans to discover its hidden treasures and fascinatingly weird creatures! Campers will blast off into outer space as we study freezing comets, rocketry, and our solar system. The possibilities are endless in this camp that is out of this world!</i>				
Card Making (age 6-12)	C12	1-3 pm	June 17-20	\$65
<i>K. Jerath – Learn how to make 3D and pop-up birthday cards, thank you cards, friendship cards and shaker cards. We will create rocking cards with designer bags, as well as Mother’s Day and Father’s Day cards.</i>				
Cookie-Licious - B (age 6-12)	C13	10-12 pm	June 17-20	\$75
<i>K. Jerath – Have a BLAST decorating cookies with candies and chocolates. Make animal forms and many more edible creations using cookies and candies. We will decorate holiday cookies, after school snack cookies, and more. Bring a container to take your cookies home. *Please let me know if your child has any food allergies.</i>				
Coding for the Future - B (age 7-10)	C14	8:30-11:30 am	June 17-20	\$75
<i>D. Moreno – Students will have the opportunity to learn to code using various coding devices and learn the language of coding. They will have the opportunity to code with LEGO®, Wonder Dash®, Spheros®, Keva Builders®, games and more.</i>				
Creations Galore with Chalk Couture - B (age 9-14)	C15	9:30-11 am	June 17-20	\$88
<i>E. Guerrero-Hendricks – Come create with me! In this class we will be using Chalk Couture silk screen transfers, a variety of chalk paste colors and more! We will create some special artwork that they will take home daily. The kids will ‘chalk’ on various surfaces to create artwork that will be perfect for gifts or can be used to decorate a room. They will leave the camp with a sense of accomplishment. Come join the fun and learn how to use one of the fastest growing DIY trends of today!!!!</i>				
Fabric Painting (age 6-12)	F04	8-10 am	June 17-20	\$65
<i>K. Jerath – We will paint with vegetables and blocks, tie-dye T-shirts and nonskid socks, and paint tennis shoes to make them one of a kind with lots of bling. T-shirts, socks, pillowcases, and aprons will be provided. Please bring white canvas tennis shoes (your size). <i>Play clothes recommended.</i></i>				
Fun with Art - A (age 7-12)	F05	12-3 pm	June 17-20	\$85
<i>N. Burke – Create Fun projects – splatter paint, oil pastel, rainsticks, and canvas projects. See also Week 4.</i>				
Get Ready for Kinder Camp – C (age 4-6)	G04	8-11 am	June 17-20	\$85
Get Ready for Kinder Camp – D (age 4-6)	G05	12-3 pm	June 17-20	\$85
<i>C. Gibson – (For children turning 5 before September 1st) Do you have a child starting Kindergarten in the Fall? This class will help your child make that transition to kindergarten. We will focus on: social development, promote confidence for the upcoming year, help reduce anxiety for those who may feel scared, identification of phonological awareness, development of handwriting and fine motor activities, one to one number counting, and help prepare for the kindergarten screening in August. Bring a dry snack and a water bottle each day.</i>				

Great Tennis - B (age 5-14) T02 See Week 4 for Description 8-9:15 am June 17, 19, 24, 26 \$100
See Tennis C, D, E

Growing Gifted Minds - B (age 7-10) G06 12-3 pm June 17-20 \$80
D. Moreno – Help kids stay engaged during the summer with Growing Gifted Minds. Students will have the opportunity to complete Steam Challenges, learn how to solve logics puzzles and be introduced to new technology games to create presentations, movies and more. We will also complete a cardboard challenge and create a cardboard arcade.

H2K Summer Wellness Bootcamp - B (age 6-11) H02 9-12 pm June 17-20 \$150
M. Goldman – H2K Wellness Bootcamp will start each day with meditation followed by a super fun fitness class. We will have yoga, hip-hop, kickboxing and circuit training. Each day, students will complete an art project that reflects a specific wellness theme followed by closing meditation, games and healthy goals to work on! This camp is intended to build confidence, self-esteem and to engage children in physical and mindful activities that they enjoy.

Little Vet School: Cats - B (age 4-12) L06 12-3 pm June 17-20 \$160
K. & C. Arnold – Little Medical School Greater Houston Area presents Mittens goes to the Veterinarian office. Little Veterinarian School® encourages elementary school children to role-play and explore the exciting world of veterinarians. Using interactive demonstrations, crafts and games, kids learn how to take care of a pet and use instruments that real veterinarians use. Each student will take home their own stuffed animal cat that they will adopt along with exam forms, handmade cat toys and so much more!

Little Med School: Wilderness Medicine - B (age 4-12) L07 8:30-11:30 am June 17-20 \$160
K. & C. Arnold – Wilderness medicine brings medicine, science and the importance of health to children. Learn about poisonous snakes and types of venom. Know the signs and symptoms of hypothermia. Learn how contaminated water can cause disease and how to filter and make clean water. We use interactive demonstrations, crafts and games so kids learn how to treat and take care of many common injuries that occur in the wild as well as awareness and safety.

Scavenger Hunt (age 5 & up) S02 9-10 am June 17-20 \$40
T. Hrabovsky – Come enjoy the fun and adventure of scavenger hunting. Students will team up and compete in a different themed hunt everyday.

Short Order Cooks (age 6-10) S03 9:30-11 am June 17-20 \$85
L. Westfall - Cooking is an art, science and magic rolled into 1 recipe! Learn kitchen math, safety, history of foods, and how to read a recipe. Take your made-from-scratch entrée or dessert home to bake for family enjoyment. Supplies, recipes, chef's hat, and placemat included! Menu includes my Perfect Puffy Pancakes, My First Lasagna, My First Apple Pie and Peanut Butter Crinkle Cookies. *Please notify of any food allergies.*

Snack Attack (age 5 & up) S04 11-12 pm June 17-20 \$50
T. Hrabovsky – Create fun and tasty snacks. Take home samples and the recipes to share with the family. *Please notify of any food allergies.*

Spanish for Kids (age 7-10) S05 9-12 pm June 17-20 \$79
M. Vasquez – This summer camp is all about fun, friendship and leisure learning activities for children. It is a dynamic and enjoyable environment and is taught by native Spanish speakers.

Tea Party - (age 5-12) T06 10-11 am June 17-20 \$55
T. Hrabovsky – Come enjoy a "spot of tea," create a snack and a fun craft at our daily tea party. Bring your favorite doll or stuffed animal to join in on the fun. *Please notify of any food allergies.*

Theatre - Lights, Camera, Action - A (age 7-12) T07 8:30-11:30 am June 17-20 \$85
N. Burke – Learn stage makeup (zombies, fairies, and special effects). We will do skits, puppet plays and improv! **See also Week 4.**

Under the Sea (age 5 & up) U02 8-9 am June 17-20 \$40

June 24-27 WEEK 4

(Monday-Thursday)

Parents – Please use Alpha Code for each class - ex: Art-ventures - C A12

American Girl - Girls Just Want To Have Fun! – B (age 5-10) A10 12-3 pm June 24-27 \$95
C. Lowe – What makes summer fun? Friends! Join me while we learn valuable character lessons, craft, and play! You are welcome to bring your doll to camp, but it is not required for participation! **Mon:** Critters allowed; dolls need critter friends too! Campers will receive two pets - a play kitten just for your doll, including adoption certificate, bed, and toys as well as a mystery pet that will be discovered by campers on camp day. **Tues:** Spa Day - Girls need a little pampering. We will make doll sized flip flops, bath salts, lip balm, and learn new ways to style hair. **Wed:** Manners Matter - dress to impress today! Learn how to set tables, make mini sandwiches, decorate mini cupcakes, and eat treats all while using impeccable manners. **Thurs:** Chrissa Stands Strong - We will dive into friendship, friendship problems, and bullying. Together we will discuss everyday school problems and ways/solutions to solve. Together we will make friendship gifts and culminate our learning by watching, Chrissa Stands Strong - An American Girl Doll Classic!

A Party A Day Keeps The Boredom Away - B (age 5-10) A11 8:30-11:30 am June 24-27 \$95
C. Lowe – What's better than one party . . . four parties! No parent cleanup required! Jump start your child's summer fun by signing them up for Party a Day. **Birthday Bash** - It's everyone birthday! We'll celebrate by making pinatas, cake decorating, birthday singing, and lots of game playing. **July 4th** - Together we'll celebrate America's Birthday - We'll make ice cream in a can, craft, go on a mini parade, and learn about and meet an everyday hero. **Valentine's Day** - Love is in the air. We'll play pin the heart on cupid, decorate cookies, create valentine bags, make cards, and complete an exchange. **Christmas** - Christmas Texas style – Christmas tree decorating, present making, snow magic and snowman creation
Wed: Thurs: Please note that food will be consumed at this camp. If your child has any allergies please contact me prior to the camp at clowe@fisdk12.net

Art-ventures - C (age 6-14) A12 9:30-11 am June 24-27 \$65
Art-ventures - D (age 6-14) A13 11:30-1 pm June 24-27 \$65
L. Marx – Create various 3D techniques using tools, textures, and materials in clay, paper mache, and more!

Bricks 4 Kidz - G (age 6 & up) B07 8:30-11:30 am June 24-27 \$125
J. Reichardt – **Mining & Crafting II** - Minecraft is a game about placing blocks to build anything you can imagine. Experience the world of Minecraft with LEGO® bricks in this fun camp! Kids will start by crafting their shelters and some of the mobs, critters and tools using LEGO® bricks. Campers will face new challenges each day, building motorized Bricks 4 Kidz models and crafting key elements from the popular Minecraft game.

Bricks 4 Kidz – H (age 6 & up) B08 12-3 pm June 24-27 \$125
J. Reichardt – **Galaxy Far Away** - Experience the world of space and science fiction adventure the Bricks 4 Kidz way! We'll explore the Science & Engineering behind STAR WARS™ ...with LEGO® bricks. From spaceships to speeders and droids to alien life, each day will feature a different motorized technic model with moving and grooving parts. Activities include themed crafts, challenges, and creative building time with our amazing assortment of LEGO® bricks and sets. Are you ready to explore a galaxy far away?

Camp Einstein - D	(age 4-10)	C16	8:30-11:30 am	June 24-27	\$160
<i>C. Bielamowicz – CSI Forensics</i> - Put on your detective hat and become a CSI investigator with this week-long class that explores topics in forensic investigation, evidence collection and techniques, and problem solving. Observe a crime scene, and take fingerprints and footprints. Question subjects, and perform DNA and blood analysis. Through the use of science and technology, discover clues left behind that may be invisible to the naked eye! From analyzing handwriting to taking teeth molds, students will enjoy this hands-on camp where they will develop their detective skills and help solve a mystery!					
Camp Einstein - E	(age 4-10)	C17	12-3 pm	June 24-27	\$160
<i>C. Bielamowicz – Modern Marvels</i> - Is your camper fascinated by the way things work? This camp is all about innovation and design as we explore modern science and the devices that have improved our everyday life! We will study how engineers manufacture salt from the ground, recreate earth-moving equipment that dig giant tunnels, and explore the science behind robotic limbs! Student's will tinker, design, and construct in this hands-on camp!					
Creative Coding	(age 9-12)	C18	1-2:30 pm	June 24-27	\$65
<i>MJ Beran Camps, M. Beran</i> – Ever wonder just how those computer games work anyway? Interested in learning how to create your own games and animation? This beginner's class is for you! We will use an MIT-developed website to work through a Harvard-developed curriculum!					
Create with Duct Tape - B	(age 6-12)	C19	10-12:30 pm	June 24-27	\$65
<i>K. Jerath</i> – Students will have fun creating many new projects using duct tape. Make your own wallets, bookmarks, handbags, clipboards, and many more projects.					
Cupcake Wars - B	(age 5-12)	C20	11:30-12:30 pm	June 24-27	\$50
<i>T. Hrabovsky</i> – Students will decorate cupcakes based on a daily theme. Cupcakes will be judged each day and prizes awarded. Come express your cupcake creativity!					
Dodgeball	(age 9-12)	D01	8-9:30 am	June 24-27	\$40
<i>MJ Beran Camps, M. Beran</i> – Spend a week with your buddies playing this playground classic! Non-stop Dodgeball all week! <i>Students must wear tennis shoes!</i>					
Food Science - B	(age 5 & up)	F06	10-11:30 am	June 24-27	\$50
<i>T. Hrabovsky</i> - Use food to learn about science topics such as moon phases, density, chemical reactions, earthquakes and more.					
Funtastic Crafts	(age 6-12)	F07	12:30-3:30 pm	June 24-27	\$75
<i>K. Jerath</i> – Explore different media and techniques to make your projects interesting. We will be learning how to make giant stars and snowflakes, golden picture frames, dry erase boards, rustic family name signs, travel tic-tac-toe game boards, and many more projects.					
Fun with Art - B	(age 7-12)	F08	8:30-11:30 am	June 24-27	\$85
<i>N. Burke</i> – Create Fun projects – splatter paint, oil pastel, rainsticks, and canvas projects.					
Gym Games!	(age 9-12)	G07	9:30-11 am	June 24-27	\$40
<i>MJ Beran Camps, M. Beran</i> – Castleball, Kickball, Knock Out and more! Each day we play several of your PE favorites! <i>Students must wear tennis shoes!</i>					

Jewelry Making (age 6-12) J01 8-10 am June 24-27 \$65
K. Jerath – Use buttons, beads, pipe cleaners and more to make exciting jewelry. You will have a blast making rainbow bracelets, rings, headbands and other fun projects to impress your family and friends. Use your imagination to create jewelry for yourself or others.

Little Medical School - B (age 4-12) L08 8:30-11:30 am June 24-27 \$160
K. & C. Arnold – Come and explore the world of medicine in a fun and unique way. Through interactive learning, kids will discover how the body and organs work, how to use medical instruments, tie knots like a real surgeon, and receive a working stethoscope to take home and much more!

Little Vet School: Dogs - B (age 4-12) L09 12-3 pm June 24-27 \$160
K. & C. Arnold – Explore the exciting world of veterinarians! Using interactive demonstrations, crafts and games, kids learn how to take care of a pet and use instruments that real veterinarians use. Each child will also get their own stuffed animal dog that they will adopt along with tape measures, dog journal, dog bone cookie cutter and so much more!
