## September 1, 2020 Community Information Session

## Program Overview

### Overall

Online Learning Academy will require the full cooperation of students, families, teachers to make the instruction and learning meaningful.

### Curriculum

- Focus on essential learning ECCS Power Standards and Learning Targets
- Pacing of curriculum consistent with in-school experiences
- Routines and structures to support students, families, and teachers

### Teachers

- Best practice instruction that meets the needs of each and every student to the extent possible - ECCS Online Standards/Framework
- Ongoing teacher professional development and support

## Program Structure

### Overall

Students are expected to engage in the online learning academy daily and follow a consistent schedule.

### Routines

- Attendance will be taken at the beginning of each day for elementary students and each class period for secondary students.
- Daily structure and routines are important for student learning and teacher capacity.

### Balanced Learning

- Live online instruction, independent work, peer collaboration opportunities, online check ins, as well as recorded instructions, lessons and tutorials
- Additional teacher instructional supports including small group intervention instruction, individual intervention, office hours
