

Day	0945-1000	1010-1030	1100-11.20	11.20-1140	1-2
M	<p>Phonics: Phonics Play now has a free login to be used at home. This is a great website for children to play games whilst still supporting their phonics learning.</p> <p>Reading:  Please continue to read daily to a grown up. What book will you choose from Bug Club?</p>	<p>Maths: – Addition and Subtraction</p> <p>log on to for some more activities </p> <p>Remember – To take your time and make sure you understand the instructions.</p>	<p>RE Search the internet to find out about Saint Patrick. Create a fact file about him.</p> <p>Remember – use headings and titles, think about how you will display your work best for someone to read.</p>	<p>STORYTIME – reading or listening to a story https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/. This website has interactive books to read online as well as videos of stories being read aloud.</p>	<p>PSHE – share the story: A Huge Bag of Worries https://www.bing.com/videos/search?q=you+tube+bag+of+worries&docid=608012767747443457&mid=F5908C540B6BF5E51F8EF5908C540B6BF5E51F8E&view=detail&FORM=VIRE&adlt=strict</p> <p>Talk with your grown up, do you have any worries? Perhaps you can make your own bag.</p>
T	<p>Phonics: Phonics Play now has a free login to be used at home. This is a great website for children to play games whilst still supporting their phonics learning.</p> <p>Reading:  Please continue to read daily to a grown up. What book will you choose from Bug Club?</p>	<p>Maths – Have a go at writing all your number bonds to 10 and then 20 Have you got them all – how do you know? If you have a grown up, see how quickly you can remember the partner when they say a number to 10. Remember: If you know your bonds to 10, use this to learn your bonds to 20... what do you notice about bonds to 10 and 20 - how are they similar?</p>	<p>English – Create a poster that will help people remember to care for the environment, really thinking about habitats of minibeast.</p> <p>Remember – Posters need to be bold and bright and catch the eye. Give them important bits of information, but not too much detail. If you have more to say – write it on the back to share when you tell people about your poster.</p>		<p>PE – Have a go at moving your body in different directions and ways – try galloping, skipping, jumping, side stepping. Which movements make it easy to change direction?</p> <p>If you need a bit of quiet time, log on to Cosmic Yoga for a stretching calm session. Remember – to use your whole bodies.</p>
W	<p>Phonics: Phonics Play now has a free login to be used at home. This is a great website for children to play games whilst still supporting their phonics learning.</p> <p>Reading:  Please continue to read daily to a grown up. What book will you choose from Bug Club today?</p>	<p>Maths: Have a go at writing some fact families</p> <div style="display: flex; align-items: center;">  <div style="margin-left: 20px;"> <p>12345 678910</p> <p>Write some of your own!</p> </div> </div> <p>Remember – you can use your knowledge of Bonds to 10/20 to write some more!</p>	<p>English – Practise your handwriting of CAPITAL letters. Learn the names of the letters and check you know their sounds too!</p> <p>Remember: Think carefully about where you need to start the letter and where you finish. Hold your pencil correctly and not too tightly. Make sure you are sat up straight at a table.</p>		<p>Art – Pencils can be used to make lots of different marks on the page and artists use pencils to add texture to their drawings. Have a look at examples of cross hatching, shading, smudging, stippling on the internet and have a go yourself. Try and recreate a butterfly and add detail using these techniques instead of colouring pencils.</p> <p>Remember – hold your pencil comfortably and the harder you press the darker your marks will be.</p>
Th	<p>Phonics: Phonics Play now has a free login to be used at home. This is a great website for children to play games whilst still supporting their phonics learning.</p> <p>Reading:  Please continue to read daily to a grown up. What book will you choose from Bug Club?</p>	<p>Maths:</p> <p>Log on to for some more activities </p> <p>Remember – To take your time and make sure you understand the instructions.</p>	<p>Science – choose an animal or a minibeast and research their habitat. CREATE a diorama of their habitat... see the picture below (shoebox scene) as an example</p> 		<p>English – Make a page for an Information Book by researching a minibeast, animal or habitat that interests you – or maybe something entirely different. Remember – What facts do you know and how will you present these? Use capital letters, full stops, exclamation marks and question marks if required. Think about who will be reading this – how will you make it interesting?</p>
