# Mindsets

Safety above all. This may mean that policies and procedures may be slow or inconvenient.

Schooling during a pandemic is new for all of us, and we will adjust plans as we learn more.

We will treat each other with kindness and patience, because we all have the same goal.

What will  
Southeast do to  
keep our school  
safe?

# Personal Protective Equipment (PPE)

# PPE & Safety Expectations

Temperature and mask checks prior to entering the building.

Supplies in every classroom: sanitizer, disinfecting wipes, extra PPE.

Signs are posted around campus to remind students, staff, and visitors of safety procedures.

# Classroom Safety and Sanitization

# Classroom Safety & Sanitization

All students will sanitize hands upon entering the building and every time exiting and entering a common space.

Students will wipe down devices and workspaces as needed with disinfectant wipes.

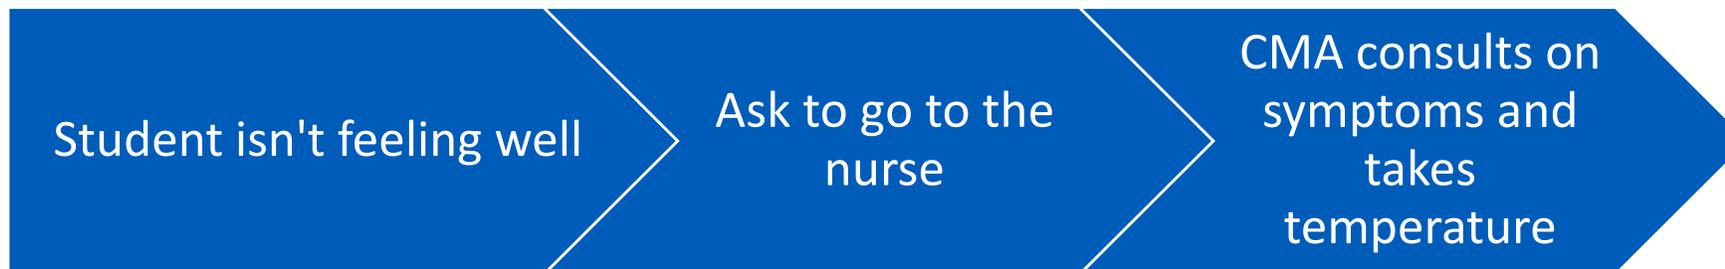

All student tables have clear plexiglass dividers to allow for no more than four student per a table.

Building will be cleaned throughout the day and germ blasted every night

# Dismissal Process: Car Pick-up

**Masks must be worn while waiting for dismissal.**

## Car Riders

**3:50 PM**

- Students remain in their classroom.
- Families arrive with a sign displayed in their car that clearly indicates their family number.
- A staff member will radio the front office with the families that are ready to pick up students.
- Family numbers will be announced over the intercom.
- Students will proceed to the double doors in the Union to exit the building and head straight to their cars.

# Dismissal Process: Bus Riders

Masks on while waiting for dismissal and on the bus.

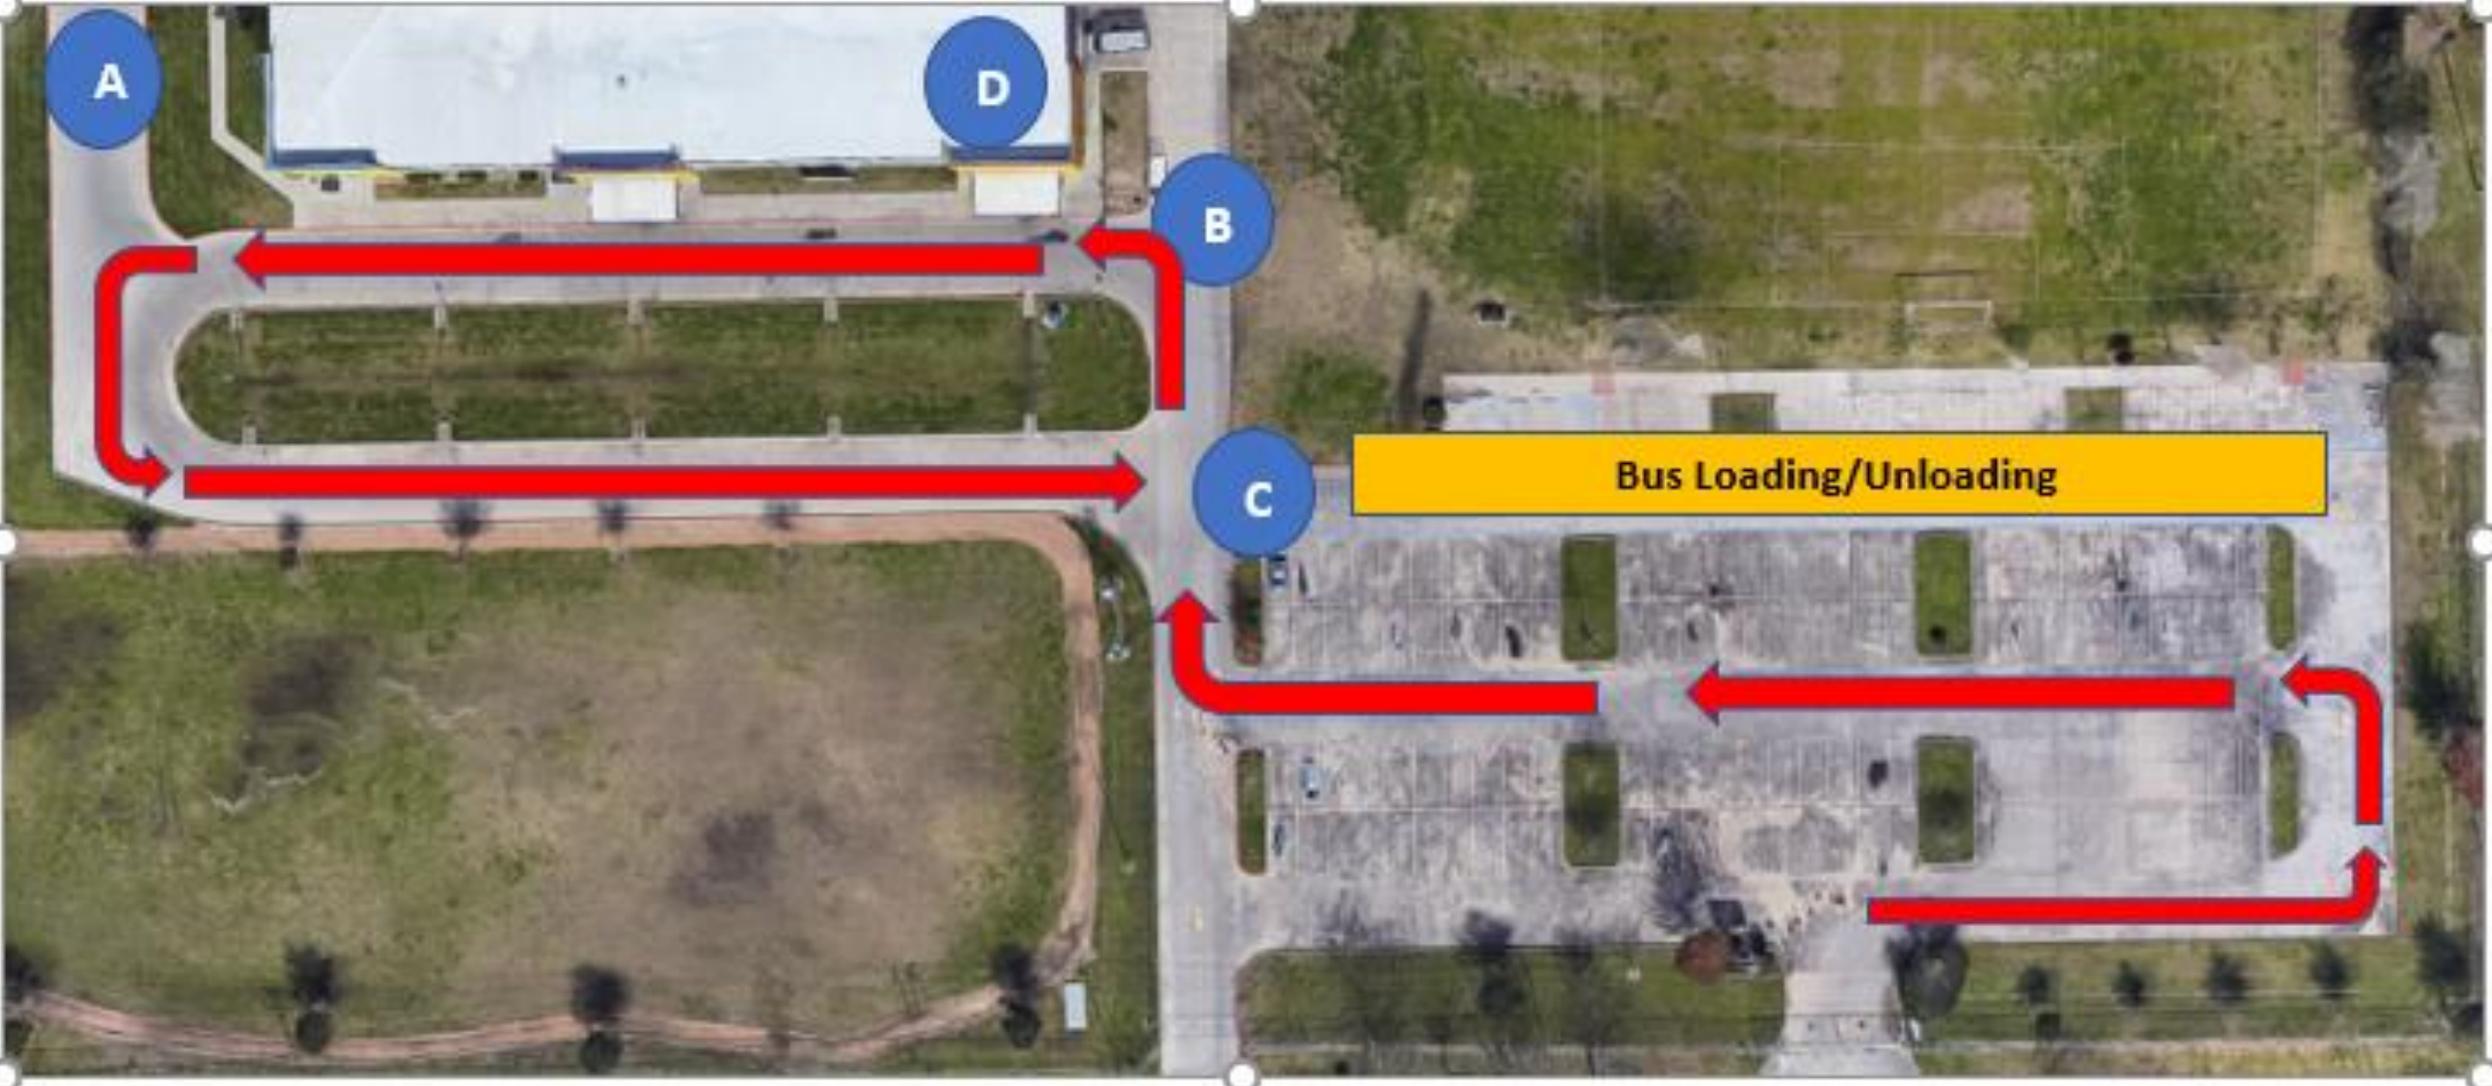

## Bus Riders

4:00 PM

- Students remain in their classroom.
- As buses arrive, the bus route will be announced on the intercom for students.
- Students will proceed to exit through the double gym doors to exit the building and head straight on the bus.
- Students load from back to front and sit in same seat.

# Dismissal Process

# Masks and Distancing Expectations

# Masks and Distancing Expectations

Students and staff are expected to wear a mask at all times while in the building.

If you forget your mask for the day, a disposable one will be provided.

All those in the building are asked to maintain 6ft of distance when possible.

Only 3 people are allowed in the elevator at a time.

# Mask Expectations

## DO choose masks that

Have two or more layers of washable, breathable fabric

Completely cover your nose and mouth

Fit snugly against the sides of your face and don't have gaps

## DO NOT choose masks that

Are made of fabric that makes it hard to breathe, for example, vinyl

Have exhalation valves or vents, which allow virus particles to escape

Are intended for healthcare workers, including N95 respirators or surgical masks

# Mask Expectations

## Caution: Gaiters & Face Shields

 Evaluation is on-going but effectiveness is unknown at this time

 Evaluation is on-going but effectiveness is unknown at this time

## Special Situations: Glasses

 If you wear glasses, find a mask that fits closely over your nose or one that has a nose wire to limit fogging

Do wear a mask that

- Covers your nose and mouth and secure it under your chin
- Fits snugly against the sides of your face

For more information, visit our [How to Wear Masks](#) web page.

Do NOT wear a mask

## Do NOT wear a mask

## How to Clean

Masks should be washed regularly. Always [remove masks correctly](#) and [wash your hands](#) after handling or touching a used mask.

- Include your mask with your regular laundry
- Use regular laundry detergent and the warmest appropriate water setting for the cloth used to make the mask
- Use the highest heat setting and leave in the dryer until completely dry

For more information, visit our [How to Wash Masks](#) web page.

# Home Safety Checks

# Home Safety Checks

- Be alert for symptoms of COVID-19 such as fever, cough, and shortness of breath
- Take your temperature if symptoms develop
- Wash your hands often with soap and water for at least 20 seconds
- Clean and disinfect frequently touched surfaces daily
- Practice social distancing keeping 6 feet of distance between yourself and people who don't live with you
- Wear a mask if you're out in public

# Supporting Your Student

# Supporting Your Student

## Before they leave for school:

- Remind them to follow safety and social distancing guidelines
- Make sure they pack their masks in the morning along with their charged computer and other materials
- Make sure they have a water bottle and a lunch if they don't plan to eat the school-provided lunch

# Supporting Your Student

## When they arrive at home:

- Ask them to wash their hands
- Encourage them to change their clothes
- Only wear clothes once and wash them
- Wipe down school supplies
- Ensure they have clean clothes ready for the next day
- Remind them to charge their device before they go to bed

# Supporting Your Student

## In preparation for your student to start school in person:

- Ensure your student has a mask and backup masks
- Encourage them to practice wearing their mask around the house for a long period of time
- Practice washing hands for 20+ seconds
- Buy them a personal size hand sanitizer
- Buy any necessary school supplies
- Align on the process for when they arrive at home

# Safe Student Culture and Behavior Expectations

# Safe Student Culture and Behavior Expectations

**Always wear a mask** or over your nose and mouth.

**Socially distance** and stay at least 6 feet apart from others to respect each other's space.

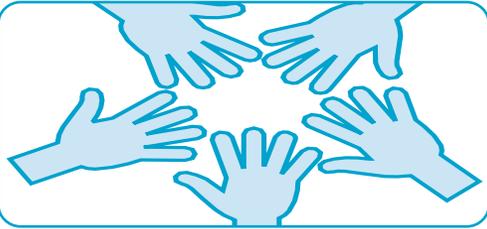

**Stay home when you are sick** (temperature of 100+ degrees Fahrenheit), except to get medical care.

**Wash your hands** with soap and water for at least 20 seconds and use hand sanitizer often.

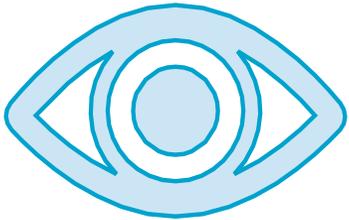

Keep Southeast Safe and Well by following the Covid-19 Protocols!

# Actions for Increased **Safety** in all Campus Spaces

## Safe Hands, Body, and Technology

- Students will **keep their hands and bodies to themselves**.
- Students will **wear their mask** at all times except when they are eating.
- Students will practice **social distancing** whenever possible.

## Focus on Community Learning

- Students will **follow the directions** of teachers and leaders.
- Students will **use self-control** to not disrupt the learning environment.

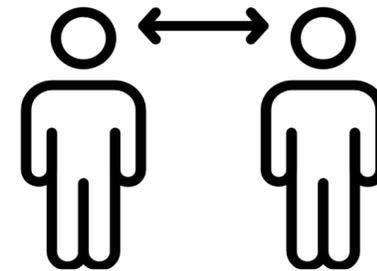

## Kind Words and Actions

- Students will communicate with peers and staff **using neutral kind words** and **appropriate language**.
- Students will **act in a neutral or kind way** towards peers and staff.

## Social Distancing Expectations at School

- Put 6 feet of distance between yourself and people who don't live in your household.
- Remember that some people without symptoms may be able to spread virus.
- Stay at least 6 feet (about 2 adult arms' length) from other people.
- Keeping distance from others is especially important for people who are at higher risk of getting very sick.

# Student Expectations and Consequences

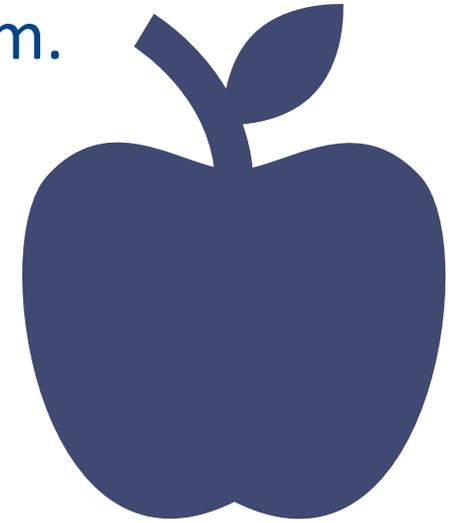

- Throughout the first week of school, we will go over these expectations with students.
- Our staff will be direct and respectful when asking a student to comply with a safety measure.
- If a student is behaving in a way that impacts the safety of the classroom, they will be taken to a “cool down” space. If they are unable to meet our safety expectations, parents will be called.
- Even though our safety rules may not be fun or comfortable, they are in place for a reason, and all students who want to learn in person will need to follow them.

# Breakfast and Lunch Expectations

# Breakfast & Lunch Expectations

- All students have access to free breakfast and lunch.
- Breakfast will be “grab and go” and will be eaten in the classroom.
- Wash or sanitize your hands before and after all meals.
- Students may remove their mask to eat. We ask that students refrain from talking while eating to stop the spread of germs.
- Students may bring a packed lunch but will not have access to microwaves.
- No lunch deliveries from family members or outside vendors (UberEats, etc.)
- Students may not share food or drinks.

# Other Expectations

# General Restroom Expectations

- Teachers will review how students should ask to use the restroom in classes.
- Students will receive a disposable pass.
- Administrators will be working in the hallway to monitor.
- No more than 3 students at a time, since there are 3 stalls and 3 sinks.
- Please take only the time you need so others may go.
- Students must wash their hands before exiting the restroom.
- Once students return to class, they must sanitize their hands with hand sanitizer after they dispose their restroom pass.
- Reminder: Students should wear a face mask or shield while using restrooms, and will not be able to use water fountains.

# Uniforms

- All YES Prep uniform expectations are waived for the **first semester**. Students will follow the campus free dress policy.
- All masks must have appropriate language, symbols etc.
- **Free Dress Expectations:**
  - T-shirts, polos, sweaters, and sweatshirts with appropriate language and words
  - No sleeveless or strapless tops, no bare midriffs
  - Jeans or khaki pants, shorts, or skirts of appropriate length with no holes, rips or tears
  - Closed toe shoes or sneakers only. No sandals, open-toed shoes, slippers, slides, or crocs.
  - No hats or head-coverings except for religious purposes
