After Care Policies and Procedures

This handbook was written to explain the policies and guidelines of St. Francis Xavier Catholic School System (XCS) After Care program located at Xavier Middle School. Parents using this program are asked to **read this handbook carefully and are required to sign and return the parent agreement** to the Middle School office marked Care Coordinator. Your signature indicates understanding and agreement of the policies and guidelines of this program. Policies are subject to change as needed.

Mission Statement

The After Care Program provides a safe, caring, and Christian environment for students at Xavier Middle School. It gives families a choice for quality care on site with minimal transitions. The After Care Program is a self-supporting program that relies on the fees paid by the families who use the program.

The After Care Leadership

The After Care Program is supervised by trained and qualified staff. The staff is responsible for the day-to-day details of the program including, but not limited to: attendance, snacks, planned activities, and dismissal of the children, as well as keeping the paperwork up-to-date, discipline, and managing financial accounts. The Care Program Coordinator is responsible for hiring and evaluating care staff and ensuring the viability and success of the After Care Program.

COVID19 Policy

Policies and procedures written under the guidance of federal, state and local agencies, along with Xavier Catholic Schools, will be followed in the XCS CARE Programs. These policies can be found at <https://www.xaviercatholicschools.org/reopening>.

Registration

In order for a child to attend After Care, children must be attending XMS and the following forms must be completed and returned: the Registration Form, a Monthly Schedule Plan, and the Parent Agreement Form. Tax deduction, use **ID number: 75-2975177**; end of year tax receipt is found in Smart Tuition.

Attendance

Arrival and Program Start Time

All students scheduled to attend After Care must report to After Care immediately following school dismissal. After Care begins at 3:30 pm on regular school days and at 11:40 am on early release days. Students are not permitted to roam school until 4 pm or attend other after school activities if they are expected in After Care. If a student should continue to abuse the arrival time, further action will be taken.

Monthly Schedules

To provide quality and safe care during this trying time, it is important to know how many children will be attending our programs daily. **Parents are required to fill out a monthly schedule and return it to the Care staff by the 15th of the prior month care needed (for example: October schedules need to be turned in by September 15th; November schedules need to be turned in by October 15th and so on).** On the form, parents need to indicate which days the child(ren) will be attending Care Programs and any other scheduled activities on the building grounds during this time (i.e. sports/play practice, scouts, etc.). Parents are to notify the Care Program Staff in the event of any schedule changes. **Families will be called when a child does not show for a scheduled day.**

Availability

Due to restrictions put on care programs, the XES Child Care Programs will have limited number of spots available. Preference will be given to families who return their schedule as requested; late submission could result in denied care. No Drop-In Care available. All Care requests must be scheduled with Care staff or Theresa Gouin.

Schedule Changes on Regular School Days

Scheduling must be done in advance to secure a spot each month, each CARE program has a limited number of children we can care for. Attendance schedules must be turned in by the 15th of the prior month of needed care. Schedule changes must be made at least 24 hours in advance of the day the change is to occur or by 6:00 pm Friday for Monday changes.

Default Attendance

If a student is sent to the After Care Program by school or office personnel because the student is at school after 4:00 pm an additional drop in charge will be given above the normal session rate.

Cell phones, eReaders, & Devices

Cell phones must be silenced during program hours and kept in the student's backpack. Use of eReaders and other devices is not permitted during Care. **Xavier Catholic Schools and care staff are not responsible for lost, stolen, or damaged personal property.**

Sick Policy

- **Isolation of an Ill Child** • When a child becomes ill during any care program, he/she will be isolated from other children within the room or in the school office. • A child with a sore throat, inflammation of the eyes, fever over 100 degrees, lice, undiagnosed rash, vomiting, or diarrhea will be isolated. • Isolation shall be used until the child is picked up from the school site. **Pick-up of an Ill Child** • the child's parents/guardians will be called immediately after an illness is discovered (or authorized person when parents/guardians cannot be reached). The adult contacted shall make arrangements for the child to be picked up immediately. **Re-admittance** • To maintain and promote a healthy environment with respect to each child's well-being as well as the staff's and parents', children will be readmitted to the program once they are symptom-free, this means without the use of over the counter medication to keep the symptoms at bay. • If symptoms return during care, staff will call the parents and the child will need to be picked up immediately. • Children cannot return for 24 hours, once the child is symptom free without the use of medication or remedies that will mask the symptoms, and on any prescribed medication at least 24 hours or longer as instructed by a medical professional. • Do not send your child to school or care while they are still symptomatic.
- **Full Day of Care cancellations for sick child will be charged accordingly. Please see fees below.**
- **COVID-19 Sick Child Amendment: see attached form on the following page. Please read, sign and return with registration forms. A copy of this amendment can be found at the end of this booklet for your reference.**
- ***XCS CARE Programs will also follow guidance on policies and procedures put forth by the XCS Administration Re-Opening team guided by Federal, State and local health agencies.***

XCS Child Care Program
Sick Child Policy Amendment: COVID-19

The safety and wellbeing of all staff, children, and families at XCS Child Care Programs continues to be of utmost importance to us. We always commit to taking all precautions toward keeping children and staff safe and healthy, including the current time of the COVID-19 outbreak. Following this additional sick child policy will help XCS Child Care Program to do this.

Children will be monitored for signs or symptoms of COVID-19 daily.

Children will be asked to stay home or return home if any of the following applies:

- Have a fever at 100.0 or higher
- Have had a fever of 100.0 or higher or other potential symptoms of COVID-19, such as shortness of breath or persistent dry cough, within the last 72 hours
- Have come in contact with others who have COVID-19

To prevent the spread of COVID-19:

- Children with signs/symptoms of COVID-19 or who have been exposed to others with COVID-19 will be asked to stay home
- Children who develop signs/symptoms of COVID-19 while at the program will be immediately separated from others and the program staff will contact the family member and/or emergency contact to pick the child up
- Face covering will be worn by K-4th graders in the building and outside when physical distancing is not maintained. As per their school day. We encourage families to practice frequent handwashing at home
- XCS Care Program will practice handwashing upon arrival to the program, before meals and snacks, after outdoor play, after using the bathroom, prior to going home, after nose blowing or assisting a child with blowing their nose, coughing, or sneezing
- Cover cough and sneezes with tissues, throw tissues in the trash, and clean hands with soap and water or hand sanitizer (if soap and water is not readily available)
- Clean and disinfect frequently touched surfaces at least daily, including tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks

If an enrolled child or employee tests positive for COVID-19:

- The local public health department will be contacted. XCS Care Program will follow their guidance for next steps
- The program will post and notify families of any confirmed staff or child cases of COVID-19

Returning to a child care facility after suspected COVID-19 symptoms

If a staff member or child has symptoms of COVID-19 or is in close contact of someone with COVID-19, they can return to the child care facility if the following conditions are met:

- If an individual has a fever at or over 100.0 degree, cough or shortness of breath and has not been around anyone who has been diagnosed with COVID-19, they can return to the center no sooner than 72 hours after the fever is gone (without the use of fever-reducing medication) and symptoms get better. If the person's symptoms worsen, they should contact their healthcare provider to determine if they should be tested for COVID-19.
- If an individual is diagnosed with COVID-19, they must remain out of the program for a minimum of 7 days after the onset of first symptoms. They may return under the following conditions:
- If they had a fever at or over 100.0 degrees: 3 days after the fever ends without the use of fever-reducing medication AND there is improvement in their initial symptoms (e.g. cough, shortness of breath)
- If they did not have a fever: 3 days after they see an improvement in their initial symptoms (e.g. cough, shortness of breath)

I, (family member name) _____, parent/guardian of,
_____, have read and agree to the above sick child policy amendment.

Last day of After Care is Thursday June 3rd.

After Care

After Care is offered 3:30 pm – 6:00 pm on regular school days and 11:40am – 6:00 pm on designated early release days. Students walk to the LMC, settle in, and chat with their friends while attendance is taken. Students in After Care **need to bring a snack from home**. They can take bathroom breaks, have gym/outside time when possible, and have time to complete homework. Gym/outside time is important; therefore, the daily schedule will vary based on the time of year and the weather. **Social distancing will be kept and masks are required in the LMC and enclosed spaces.**

Snacks: **To be able to be as contactless as possible, After Care students must have a snack from home. After Care will not be providing snacks.** Please no nuts or peanuts. The Care Programs will follow or go above the wellness guidelines put in place by the Catholic Diocese of Green Bay.

“Homework Club” will be offered each afternoon. All children will be encouraged to complete homework or take part in quiet reading or activity time. This is a time for students to work on assignments; however, it is **not** the responsibility of the care staff to ensure assignments are completed before students are picked up.

Active play is still very important at this age. When possible, students will be taken outside or to the gym for age appropriate activities. Staff will leave a note outside the care door to let parents know where the group is.

Students will also have the opportunity to play board or card games, do arts and crafts, work on computers, and participate in service projects. Students are welcome to finish homework at this time.

Parents must pick their children up and sign them out each time After Care is used.

Pick Up

Families must pick up their children at the campus After Care area, the XMS Library. Only those people listed on the registration form will be allowed to pick up the children – **No Exceptions**. When an adult is not familiar to staff, the adult will be asked to show an I.D. Please inform all authorized adults of this procedure. Additional names may be added throughout the year. For safety reasons, each child must be signed out before leaving the After Care Program.

Students are considered picked up when the parent has assumed responsibility of the child.

Parents/Guardians who pick up their children after 6:00 pm will pay an additional session for every five minutes after 6:00 pm. In case of emergency situations, please contact the Care Program Coordinator.
