

25 Sept 2020

Dear Parents/Carers

We are now at the end of our third full week since returning from the summer holidays and everyone is settled and happy. We would like to start by thanking you for your support and patience with our ongoing arrangements regarding Covid 19. We know that at times, arrangements may seem inconvenient and unnecessary, but please remember that every decision is made to protect the school community.

We have had a couple of enquiries about why parents are not being asked to wear face coverings when in the school grounds. It is not mandatory to do so at present, however, parents may choose to wear a face covering if they would prefer. We would however like to remind you about the requirement to socially distance and keep to our 'One Way' gate system to ease the congestion on paths and pavements.

Over the last few weeks, teachers have been assessing the children and identifying gaps in learning and ways to move children's learning forwards. During the next couple of weeks, teachers will set targets for each child and these will be shared with you at Parents' Evening, the dates of which will be Thursday 15<sup>th</sup> October and Tuesday 20<sup>th</sup> October for children in Years 1-6. Reception children will have their own Parents' Evening after half term. Due to Covid 19 restrictions, Parents' Evening appointments will be carried out through online meetings or by phone. It will not be possible for parents to make face to face appointments with teachers. Further details will follow about the booking system.

Thanking you once again for your support and kind words. We really do feel so incredibly lucky to be Headteachers at a school with such a supportive community.

Kind regards,

Caroline Barriball & Samantha Sandle
