Meeting Minutes
January 8, 2020

Members present:

John Carroll, Coordinating Principal
Cambra Edmondson, President
Melanie Adams, Vice President
Susan Ralston, Treasurer
Dana Ronnebaum, Hospitality
Joelle Bough, Member
Amy Chico, guest from Magsig

The meeting was called to order at 7:03pm. The meeting minutes from the December 2019 meeting were presented to the committee. Joelle Bough made a motion to approve the minutes and Melanie Adams seconded the motion. The minutes were approved.

Principal's Report:

- See Mr. Carroll's attached report with information about safety drills, scheduling, the Equal Opportunity Schools Partnership, curriculum adoption, the HOPE Squad, and some human resources actions. Mr. Carroll also discussed the recent audit by the Department of Homeland Security on our facility, processes and staff when it comes to school security. The Department of Homeland Security was invited to CHS and asked to do the audit.

President's Report:

- Cambra mentioned that there may be monetary requests coming from Mock Trial and the CHS Band in the near future.
- Emily Gray from Muse Machine was introduced and gave a brief presentation about bringing Muse Machine back to CHS. The cost is \$633 for a Muse performance and then there is a need for a staff advisor to supervise any students who are interested in being involved in Muse Machine at CHS. While this is an amazing group with a lot to offer, it may be next to impossible to facilitate a performance (logistically speaking) for the 2019-2020 school year. In addition, CHS used to have Muse Machine, but once the theater department grew and became such a highlight of CHS, Muse fizzled out. However, we are definitely open to additional discussion regarding the Muse Machine

Treasurer's Report: Susan presented copies of the January 2020 report. No major expenses.
