

Dear Parents/Guardians,

Prior to coming to school each day, it is important to monitor your student for signs and symptoms of COVID-19. For the health and safety of all students and staff, please conduct a Daily COVID-19 Assessment.

- It is not necessary to report the assessment has been completed unless you are reporting a YES response to attendance and/or the school nurse.
- Please call the attendance line if your child is staying home, state their symptoms, and contact your building nurse if you have any questions.

Daily COVID-19 Assessment

In the past 24 hours, has your student had any of the following symptoms?

1. Fever (temperature of 100 or above) *
2. Cough
3. Shortness of breath
4. New loss of taste/smell
5. Sore throat
6. Headache
7. Chills
8. Fatigue
9. Runny nose
10. Congestion
11. Muscle/body aches
12. Nausea
13. Vomiting
14. Diarrhea

- In the past 14 days, has your student been within 6 feet of someone for 10 minutes or greater who was diagnosed with COVID-19?
- In the past 14 days, has your student had contact with the mucous/saliva of someone who has been diagnosed with COVID-19?
- Is your student, a household member, or someone your student has been exposed to waiting on results from a COVID test?
- Has your student traveled to a location requiring quarantine? If the answer is YES, quarantine (stay home) for 14 days and monitor for symptoms.
