Presents a...

Scavenger Hunt & Sensory Play at Meadowbrook Park

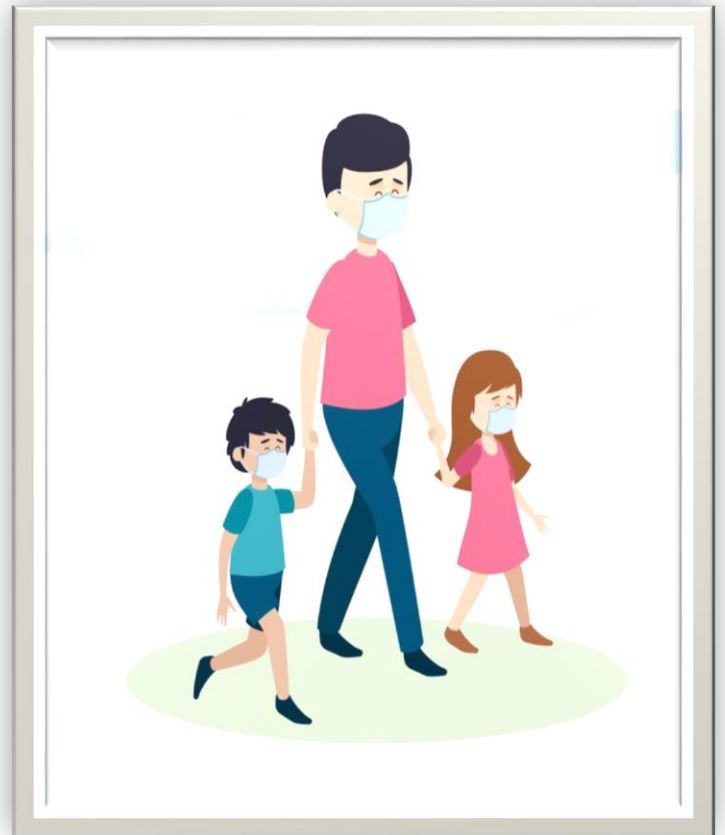

Friday, October 16, 2020 @ 9 am

9101 Nall Avenue, Prairie Village, KS 66207

Let's have fun at the park. Please come ready to explore with your little one. All you need is a towel and a shoebox or rubbermaid container. We will find treasures in the grassy area just beyond the gazebo close to The Market. Once we have collected our items, we will sit and enjoy sensory play on socially distanced towels. I will read a story and we can enjoy nature together.

In an effort to keep everyone safe, this group connection includes 10 families.

To sign up for this event go to smpat@smsd.org. In the subject line please include Meadowbrook Scavenger Hunt. Please bring a mask...see you on Friday.

If you or your child has a fever, has come in direct contact with someone that has been diagnosed with COVID-19, or you have been out of the country within the last 14 days...there will be another event soon for you!
