

The Haverford School
Haverford, PA

Dear Parents,

September 2020

My Turn To Drive School will be offering the PA Department of Education’s approved Driver’s Education classroom instruction virtually this year due to COVID-19. The upcoming theory course will consist of 15 classroom sessions in defensive driving practices and techniques covering various types of driving environments and risk avoidance strategies. Additionally, guest speakers including area police officers, insurance agents and PENNDOT license examiners will present during classes. Students can enroll at the age of 15 and above, and your daughter/son does not need a driving permit in order to participate in the class.

The Fall 2020 Zoom class for students will begin on Monday, October 26th from 7pm until 8:30pm and will continue on weeknights until Friday, November 13th for a total of 15 sessions.

The Winter 2021 Zoom class for students will begin on Monday, January 4th from 7pm until 8:30pm and will continue on weeknights until Friday, January 22nd for a total of 15 sessions.

The Spring 2021 Zoom class for students will begin on Monday, May 17th from 7pm until 8:30pm and will continue on weeknights until Friday, June 4th for a total of 15 sessions.

My Turn to Drive School is a five-star rated driving school specializing in teaching teenage novice drivers for over 15 years. All instructors are experienced, certified and licensed by the PA Department of Education to teach this Defensive Driving highway safety course. We also provide driving lessons and are certified to administer the driver’s license test when your teen is ready.

There are three major reasons for offering this defensive driving course. First, learning about the rules of the road and understanding defensive driving tactics and risk avoidance strategies are the most important aspects of this course. Second, if your teenager **successfully completes our accredited driver training course you may save up to 15% on yearly insurance premiums up to 21 years of age.** Third, students may be eligible to obtain a senior license at age 17 1/2, instead of age 18, if parental permission is obtained, and all requirements are met.

The fee for the virtual classroom instruction is \$155.00. If you would like to enroll your son/daughter in the upcoming session, **please fill in, detach, and return the application below with a tuition check in the amount of \$155.00 payable to My Turn to Drive School.** MAIL TO: MY TURN TO DRIVE SCHOOL, PO Box 392, Ardmore, PA 19003.

If you plan to allow your teenager to drive the family car or one of their own, this course offers the peace of mind that you have provided the best learning opportunity for driving defensively. Our chief concern is not the dollars saved on lower insurance rates, but rather the accidents and injuries that may be averted through proper training and learning good decision-making skills.
