

FRED J. JAINDL ELEMENTARY SCHOOL

Virtual Halloween Festivities

Wednesday, October 28, 2020

At the present time, the scheduled elementary school Halloween parade and party will not be held in its regular format this year. While we know this is an activity that students and staff look forward to every year, we are unable to ensure proper safety protocols as it relates to our district's health and safety plans. Should the current environment change, we will revisit whether the events can be held in our regular format.

As of now, all nine Parkland elementary schools will hold a virtual Halloween activity on Wednesday October 28, which is an eLearning day. All students will have the choice to dress up in their Halloween costumes during their virtual conferences with their classmates. Classroom teachers will provide families with more information regarding the plans for that day.

Information about Activities

While our festivities will be virtual, it is still occurring during the instructional time period that school is in session. We will adhere to the same protocols as we would for an in-person parade.

- *Costumes must be school appropriate - No costumes with guns, swords, other weapons, or other inappropriate attire
- *Students can opt to not participate in dressing up but still attend a classroom's virtual activity.
- *Students will have the same expectation of appropriate behavior during the activity as normal.
- *Teachers will plan and schedule an Autumn activity (*ex. Read aloud a fall themed book, digital Breakout Activity, etc*).
- *The length of time for the activity for the live session is based on teacher discretion.

FYI-As of now, North Whitehall, South Whitehall, and Upper Macungie Townships will still hold "trick or treat" as regularly scheduled on October 30. If your child will participate in "trick or treat," thank you for supervising our children and keeping them SAFE.
