

UNIFORM LABELLING

INFORMATION

All school clothing is required to be clearly labelled with the student's name. Please remember to mark watches, sporting equipment, calculators and other personal possessions.

Student name labels can be purchased from Cash's Name Labels via their website:

www.cashs.net.au/clothing-labels/woven-sew-on-labels.

We recommend that you select the 'Woven Sew-In Clothing Labels'.

Boarders please note:

Iron-on name labels are not acceptable as they will fall off during laundering. All boarders' clothing (uniform and casual) must be clearly labelled with a sew-in name tag before it is brought to school.

Your child will need to bring some additional sew-in name tags to school with them, to be used for any additional clothing purchases. House Mothers can assist with any additional labelling.
