WE ARE THRILLED TO PARTNER WITH FAMILY HOSPITAL SYSTEMS (FHS)
TO OFFER PCR COVID-19 NASAL SWAB
DRIVE-UP TESTING FOR OUR EISD COMMUNITY

- Everyone is eligible.
- Most insurance plans cover at 100%.*
- Cash price \$125
- Special EISD pre-registration required at this link. Have your insurance card and driver's license handy when registering.
- Show up at your scheduled appointment. Bring insurance and driver's license to your appointment.
- Expect your results in 2-3 days.

FHS has graciously agreed to sponsor a limited number of tests free of charge for EISD families who are under-insured or whose insurance plan doesn't cover this test.

Contact parent volunteer Kim Allen at
kjoyallen@gmail.com for more information.
For information on our testing provider visit
[Family Hospital Systems](https://www.familyhospital.com).

Pro Tip

To minimize wait time and ensure timely results make sure you fully pre-register until you receive a final email with your appointment time.

*Should insurance not cover, maximum out of pocket cost to billed to patient is \$125.
