

RAWLINS OUTLAW BOOSTER CLUB

It's that time of year again!!! After a LONG break, school has started and activities and clubs at RHS are in full swing (with a few new rules and changes 😊) We need your help this year since many teams, classes and activities will not be able to easily fundraise and raise the money they have in the past. Booster Club strives to promote excellence in student activities and positive community image through support and financial assistance to our students, staff and organizations. 100% of your membership goes directly to the clubs/sports teams/activities at RHS and will support ALL student activities. Please consider becoming a donor so we can continue the support of your youth!
