It is the intent and purpose of the parties to promote and improve the productivity and efficiency of the services provided by the employees of the District. Both parties enter into this Agreement mutually agreeing that their object is to work for the good and welfare of the students and the community which supports their services. This Agreement is intended to establish a basic understanding relative to personnel matters, including wages, hours and working conditions, and to provide means for amicable discussions of mutual concerns regarding these subjects.

ARTICLE I
RECOGNITION AND AGREEMENTS

1.1 Parties to Agreement

This Collective Bargaining Agreement, hereinafter referred to as the “Agreement,” is entered into this 1st day of September, 2019, by and between the Renton School District No. 403 (District) and the Renton Education Support Professionals/Washington Education Association/National Education Association (Association) representing the staff of the Renton School District No.403 as listed in Section 1.2 Recognition.

1.2 Recognition

The District recognizes the Association as the sole and exclusive bargaining agent for all full-time and regular part-time and hourly office-clerical and paraeducator employees of the District, excluding confidential employees, supervisors, casual employees, substitutes, students, and all other employees of the District. The District recognizes the Association is responsible for representing the interests of all bargaining unit employees, pursuant to the law, Chapter 41.56 RCW and Public Employees Collective Bargaining Act.

1.3 Position Descriptions

1.3.1 There will be a current position description on file in Human Resources for each position covered by the Agreement. This description shall include specified skills needed and training requirements for the position.

1.3.2 The District will provide the Association President with position descriptions for any employees subject to this Agreement. The District will provide the Association President with such amendments, changes and additions to position descriptions as they occur. The District shall post job descriptions electronically. Job descriptions shall be a topic of Labor Management meetings

1.3.3 Position descriptions given with Work Assignment Forms will not be significantly changed during a given work year. Any changes in the position descriptions of employee classification covered by this Agreement shall necessitate consultation with the Association and the negotiation of the salary for that position or classification.

1.4 Status of the Agreement

Where there is a conflict between the Agreement and any resolution, rule, policy, or regulation of this District, the terms of the Agreement shall prevail.

ARTICLE II
RIGHTS OF THE EMPLOYER

The Association recognizes the District's inherent and traditional right to manage their respective business, as has been their practice in the past. The Association recognizes the right of the District to hire, suspend, transfer, promote, demote, or discipline its employees and to maintain the discipline and efficiency of its employees; the right to layoff, terminate and otherwise relieve employees from duty because of lack of work for them to do, or for other reasons set forth in this Agreement; the right to establish and change or consolidate jobs; the right to direct the methods and processes of doing work, to introduce new, improved work methods or equipment, and to assign work to outside contractors; the right to determine the starting and quitting time and the number of hours to be worked; and the right to reasonably make and amend such rules and regulations as it may deem necessary for the conduct of its business, and to require their observance. The exercise of these legally authorized rights, authorities, duties and responsibilities by the Board and Superintendent and the adoption of policies under relevant and applicable statutes shall be limited only by the specific and expressed terms of this Agreement and District policy.

**ARTICLE III
RIGHTS OF EMPLOYEES**

- 3.1 Employees shall have the right, freely and without fear of penalty or reprisal, to join and assist the Association, as provided for in RCW 41.56.

Additionally, there will be no discrimination with respect to employment of any person because of such person's age (over 40), sex, race, creed, religion, color, national origin, sexual orientation, including gender expression or identity, marital status, domicile, honorably-discharged veteran or military status, political activity (or lack thereof), or the presence of any sensory, mental or physical disability, or the use of a trained dog guide or service animal by a person with a disability, HIV/AIDS and Hepatitis C status, unless based upon a bona fide occupation qualification, provided that the prohibition against discrimination because of such disability will not apply if the particular disability prevents the performance of the particular employee involved. The Association and the District recognize the requirements of the Civil Rights Act of 1964 and mutually agree to support the provisions of the District's Affirmative Action Plan insofar as such plan does not conflict with other provisions of this Agreement. The parties further agree that the purpose of the plan is for achieving equality in employment practices wherever it may be lacking in compliance with the letter and spirit of the law. The Affirmative Action Plan will be applied in modifying the composition of the future work forces in the District. Present employees will not be discharged to achieve employment goals. Hiring policies will be adapted to ensure equal employee opportunities.

**ARTICLE IV

1. The released time shall be for no more than two (2) years.

2. Any changes requested in the amount of release time should be mutually agreed upon between the Union and the District.
3. The employee will retain, but not accrue, seniority within the unit.
4. The employee will have rights to return to a position for which they are qualified at the same RESP level the employee was at prior to taking the WEA leadership position. If there is no available position for which they are qualified at that RESP level upon the employee's return, the employee will be placed in a position at the next highest RESP level for which they are qualified. - 4.5.6 The District will provide the Association with a list of new and terminated employees as of the 15th of each month.

4.6 Building Access

The Association Representatives shall have access to the District premises during business hours, provided that no conferences or meetings between employees and Association

representatives will hamper or obstruct the normal flow of work.

The District agrees to allow the Association access to District buildings for Association meetings to transact Association business, provided such use does not interfere with previously scheduled building activities and is done in compliance with procedures regulating use of District facilities.

4.7 Bulletin Boards

The District will, upon request, make available suitable space at a central place(s) of each building complex for the exclusive use of the Association for posting notices of its meetings, elections, recreational and social affairs, reports of Association and rules committees, and rules and policies of the Association.

**ARTICLE V
HOURS OF WORK AND WORK RULES**

5.1 Definition of Positions

5.1.1 A regular position is defined as an assignment that is scheduled for at least three (3) hours per day, is expected to last at least forty-five (45) consecutive work days, and is expected to continue from year to year.

5.1.2 To determine full-time equivalency, full-time is defined as a regular position that is scheduled for eight (8) hours per day, 260-days per year.

5.1.3 A temporary position is defined as an assignment based on student, classroom, building, or district need that may begin and end at any time with no expectation of continuation of hours from year to year; but is anticipated and scheduled for at least forty-five (45) consecutive work days.

5.1.3.1 Temporary positions include, but are not limited to: leave replacement; 1:1 student support; enhanced staffing due to class composition; assignments scheduled for less than three (3) hours; classroom enrollment overload; elementary school intervention.

5.1.3.2 Temporary positions of at least three (3) hours that continue for two (2) consecutive school years will become regular at the start of the third (3rd) consecutive school year.

5.1.3.3 Leave replacement positions expected to last less than forty-five (45) work days will be filled by a substitute. Leave replacement positions expected to last more than forty-five (45) work days will be filled as a temporary position. If a leave replacement position is scheduled for fewer than forty-five (45) consecutive work days and is filled with a substitute, the substitute status may be extended up to forty-five (45) work days beyond the original forty-five (45) work days, by agreement, of the District and the Association.

5.1.3.4 Additional assignment is defined as additional hours of bargaining unit work, which may be made available to any classification of employee. Work shall be compensated and may cause the employee's benefit level to be adjusted, as applicable under Agreement provisions. The additional assignment may be designated temporary due to leave provisions, changes to District program(s) and/or funding considerations.

5.2 Work Assignment Forms

5.2.1 Each employee shall receive a Work Assignment Form which shall include

salary schedule placement, hourly rate of pay, anticipated number of hours per day, and anticipated number of days per year. Where appropriate, the Work Assignment Form shall also include salary and benefit FTE, as well as seniority, vacation, and holiday information.

5.2.2 Employees whose assignments change due to additional assignments during the year will be notified of such changes in writing and will verify such changes by signature.

5.2.3 Employees shall not be required to work any hours without appropriate pay.

5.3 Monthly Salary Installments

5.3.1 All employees will receive payment in equal monthly installments (September – August).

5.3.2 Pay for changes in assignments (additions or reductions) will be made in equal installments for the months remaining in the initial assignment.

5.3.3 Employees who have additional assignments may be paid monthly for additional hours worked.

5.4 Overtime

5.4.1 Any time worked, approved by the immediate supervisor, more than eight (8) hours per day or forty (40) hours per week will be considered overtime to be paid at the rate of time and one-half (1½) per hour, except that, in some circumstances, the District and the Association may bargain an altered work week consisting of four (4) ten (10) hour work days and such ten (10) hour work days will not be considered overtime nor paid at overtime rates.

5.4.2 Any time worked, approved by the immediate supervisor, more than forty-eight (48) hours per week will be paid at two (2) times the employee's regular rate. Work performed on a holiday will be paid at two-and-one-half (2½) times the employee's regular rate (inclusive of their holiday pay).

5.4.3 At the option of the employee and if arranged prior to the assignment, compensatory (comp) time may be taken in lieu of authorized overtime payment, in accordance with the provisions of applicable state and federal law and in accordance with established District procedures.

5.4.3.1 Supervisors cannot require employees to take comp time in lieu of pay.

5.4.3.2 Comp time should be recorded and monitored using the "Compensatory Time Sheet". Any extra hours that exceed eight (8)

hours in a day or forty (40) hours in a week that are worked as comp time must be calculated at the appropriate overtime rate.

5.4.3.3 Comp time accrual shall not exceed three (3) days of the employee's daily assignment and must be used by August 10 of each school year. Any comp time accrual over this amount must be reported to Human Resources. Any unused comp time shall be submitted to Payroll for payment in the August pay check.

5.4.4 Extra-Curricular, After School, and Athletic Activities

Throughout the year, opportunities arise for individuals to assist with extra-curricular, after school and athletic activities. As non-exempt employees, employees must be compensated at an hourly rate for their time worked during these events. However, these additional positions are not part of the Agreement and the rates of pay for these positions are established by the District and can be found on the District website.

The rules that govern overtime apply to any additional hours worked. This means should an employee agree to work one of these activities and it triggers overtime (see section 5.4.1), a blended overtime rate which is based on a percentage of time worked in the regular assignment and other activities.

5.4.5 The Association and the District will jointly develop a means by which District employees will be informed of their rights and responsibilities to accurately report time worked.

5.5 Work Day/Work Week

5.5.1 The work day shall be in accordance with the Work Assignment Form of the individual employee position.

5.5.2 Employees, as noted in Section 5.2.1, shall be assigned to a definite shift with designated start and end time. All employees shall be notified of hours and work assignments as soon as decisions have been made by the District.

5.5.3 All employees shall be allowed a rest period of not less than fifteen (15) minutes on the employer's time for each four (4) hours of work time, scheduled as near as possible to the midpoint of the work period. No employee shall be required to work more than three (3) hours without a rest period.

5.5.4 Meal Period:

5.5.4.1 All employees who work five (5) hours or more are entitled to a thirty (30) minute duty-free lunch period in accordance with applicable law.

5.5.4.2 All employees, except those paraeducators assigned to Adult Transition Program (ATP) are required to work through their regular lunch periods will be given time to eat at a time agreed upon by the employee and supervisor. In the event the District requires an employee to forego a lunch period and the employee works the entire shift, including the lunch period, the employee shall be compensated for the foregone lunch period at their overtime rates.

5.5.4.3 The unique requirements of ATP necessitate the paraeducators assigned to the program to remain on duty during their lunch period so they can be in proximity of the students while the students have lunch at the work site. These paraeducators will work their assigned hours including a paid, on duty lunch in conformance with applicable laws.

5.5.6 Normal Work Week

The normal work week shall consist of five (5) consecutive days, Monday through Friday, followed by two (2) consecutive days of rest, Saturday and Sunday; provided, if absolutely necessary, however, the District may assign an employee to a work week of any five (5) consecutive days which are followed by two (2) consecutive days of rest. Each full-time and regular employee shall be assigned to a definite and regular shift and work week, which shall not be changed without two (2) week notice to the employee, except in emergencies.

5.5.7 Emergency Closure/Inclement Weather

5.5.7.1 In the event of a building/program/District closure due to emergency/inclement weather, buildings will be presumed to be open to employees unless notification is provided that employees should not report to work. The District will provide an alternative work location, if possible.

5.5.7.2 Employees are expected to report to work when possible. Employees should exercise appropriate judgement regarding their ability to report for work. Absences due to emergency closure/inclement weather will be considered excused absences. Employees who do not report to work or report to work late shall charge the time missed to appropriate leave or leave without pay, or make up the time missed. Appropriate leaves include vacation, earned compensatory time, and emergency hardship leave. If

legitimate need exists, as determined by the District, the supervisor may assign overtime in an effort to minimize loss of pay, or consider remote work options.

- 5.5.7.3 The District shall identify and notify personnel considered to be essential personnel for purposes of responding to emergency closure(s) of buildings/program(s)/District. Such notification shall be made by November 1 of each year. Essential personnel reporting to work will be paid at one and one-half times their regular rate for all hours worked.
- 5.5.7.4 Delayed opening due to inclement weather will have no impact on the length of an employee's work day. If an employee is unable to report to work safely at their normal arrival time, then the employee may delay the start of their shift, arriving no later than thirty (30) minutes prior to the start of school, or take appropriate leave. Employees will be notified of any special District procedures regarding delayed openings or early dismissal.
- 5.5.7.5 Employees shall make every reasonable effort to report to work during emergency conditions. When worksites are closed during emergency conditions, the 260-day employees who are unable to report to work may, in consultation with their supervisors, choose to account for missed time through use of vacation leave, emergency hardship leave, time made up in the future, an altered work week or use of compensatory time.
- 5.5.7.6 Weather conditions are considered a valid reason for emergency-hardship leave, deducted from sick leave. See also 8.4.

5.6 Selection and Assignment

- 5.6.1 The District shall electronically post, for a minimum of ten (10) working days, the availability of open positions. Such posting will be done in a timely manner and will list the relevant minimum requirements for the position. During the months of July and August, open positions will be posted for a minimum of seven (7) calendar days.
- 5.6.2 Selection of candidates for open positions shall be determined with consideration being given to seniority, test scores, recommendations, experience and evaluations. Special consideration will be given to employees covered by this bargaining unit who are qualified for open positions and who complete an application for open positions within the bargaining unit.
- 5.6.3 If an employee has applied for a different position within the unit and is passed over, they will, upon request, receive a written notification of the reasons why

they did not receive the position.

5.6.4 This section shall not supersede the management right to hire applicants from outside the District whose qualifications are demonstrably superior to all applicants from within the District or when such hiring is directly related to implementing the District's Affirmative Action Plan.

5.6.5 Employees who change positions within the bargaining unit, unless through displacement or involuntary transfer, shall serve a sixty (60) work day probationary period. The employee will receive the pay rate for the new position during the probationary period. In the event the requirements for the new position are not met, the employee may be or may request to be returned to their original position, or the next available similar position and/or classification and pay. The employee will continue to serve in the new position and will receive the pay rate for that position until they are returned to the original or similar position.

5.6.6 For this section, and Sections 5.10 and 10.3, seniority shall be based on length of continuous service in full-time and regular positions covered by this bargaining unit.

5.7 Initial Placement on the Salary Schedule

5.7.1 Employees new to the unit will be placed on the first step of the salary schedule.

5.7.2 The conditions or factors for placement on the salary schedule will be explained to employees before hiring and assignment.

5.7.3 Former bargaining unit employees who return to the bargaining unit within two (2) years shall maintain their step on the salary schedule, sick leave, vacation, seniority and certificate credit. A former bargaining unit member who remains with the District shall maintain sick leave, vacation, and certificate credit, and shall be grandfathered at their current salary.

5.8 Certificates

District employees presently holding any NAEOP Professional Standards certificates, the District Standard certificate, the District Advanced certificate or the Instructional Aide certificate, or portion thereof, as of July 1, 1976 and being paid for same will continue to receive payment as previously provided (grandfathered).

5.9 Voluntary Transfers

5.9.1 Application in response to a specific vacancy, as posted, may be submitted to the Human Resources Department within the time limits as included in the

posting.

5.9.2 Employees who have submitted applications for transfer in response to a specific, published vacancy will be considered along with the other applicants for any vacancy, provided the applicant's experience and qualifications meet the requirements of the position. Seniority will be considered in filling published vacancies.

5.9.3 Employee reassignment and transfers will be dependent upon, but not limited to, the needs of the District, and: (a) seniority; (b) related work experience; (c) training; (d) demonstrated ability; (e) evaluations.

5.10 Involuntary Transfer

5.10.1 Involuntary transfers may be of short or long term duration and are responsive to such circumstances as enrollment changes, program termination and situations requiring remedial action, and other similar conditions that might be considered "emergency situations."

5.10.2 Employees may be assigned outside their experience or training but the evaluation of their performance in the new position shall clearly so indicate.

5.10.3 If the employee is involuntarily transferred to a classification position of lower pay, they shall be placed on the step closest to, but not less than, the rate of pay the employee was receiving at the time of transfer. If the employee's salary exceeds the salary of the new classification, they will be grandfathered at their current salary.

5.10.4 If a position is eliminated, causing an employee to be involuntarily transferred, and then the position is restored, the employee who held the position will be given the first opportunity to hold that position, provided the exact position is restored, the position is restored within twelve (12) months of its elimination, and the employee's evaluations have been satisfactory.

5.10.5 If an employee is required to assume the full work responsibilities in a classification position of higher pay and the employee works in that position for over three (3) consecutive work days, they shall receive the pay equal to that which they would normally receive in the higher classification and it will be retroactive to the first day.

5.11 Displacement

5.11.1 Displacement occurs when one (1) or more hours of a regular position are eliminated. The affected employee will be offered available regular hours in the same classification in the same building. If more than one (1) employee is affected, the hours will be offered to the employees in order of seniority. If

sufficient hours are not available, the employee may choose to accept temporary hours, or hours in a lower classification in the same building or to enter the district displacement pool. If an employee chooses temporary hours or hours in a lower classification they will have the opportunity to re-enter the displacement pool at the beginning of the following school year. If after two (2) consecutive opportunities to participate in the displacement pool, and the employee has not been made whole, their reduced hours/classification will become their new position.

- 5.11.2 The District will establish a displacement pool each August to assist displaced employees in identifying vacant available regular positions. The District will notify the Association of the members who have chosen to enter the displacement pool and subsequent placement decisions.

5.12 Assignment of Additional Hours

If additional hours are assigned to a specific program or position type in a building, employees in a like position whose schedule can accommodate the additional hours will be offered the additional hours in order of their seniority. If no employee in a like position can or will accept the additional hours, the hours first will be offered in seniority order to other employees at the worksite whose schedule can accommodate the assignment and who are qualified for the assignment as determined by the District. If hours designated to specific positions or position types in a building are reduced, the least senior employee(s) shall be the first to be affected unless such reduction is due to District reduction-in-force or layoff which would be implemented under the provisions of Section 10.6. Additional or new positions to a facility will be handled under the provisions of Section 5.6.

- 5.13 Protective clothing, including arm sleeves, will be made available to staff working in classrooms where students are prone to emotional and/or physical outbursts.
- 5.14 Training will be provided for paraeducators at least twice a year, in groups of paraeducators, on topics related to their position.
- 5.15 Employees contracted through outside agencies are hired on a temporary basis to provide technical assistance and extra support to highly involved special education students. This extra support occurs only in unusual situations and for special reasons that current paraeducator support cannot provide in that circumstance. The District agrees its first preference is to have District employees fill these positions, and works to transition the temporary extra assistance to district employees. The District will notify the Association President within two (2) weeks of the District contracting with an outside agency.
- 5.16 Every effort will be made to provide employees access to computers in student-free areas of their work site. Such stations will be available for employee use throughout the day.
- 5.17 Time will be provided for paraprofessional communication, which includes, but is not

limited to, time to access written/electronic communication.

5.18 Each building will develop and publish a student supervision plan, including assignments, times and locations. This plan will be distributed to the building and will be reviewed with impacted staff no later than the fifth (5th) day of school or after any changes are made to the plan. There must be at least two adults supervising large numbers of students in areas such as playgrounds, cafeteria, commons, and arrival/departure locations. All staff assigned supervision of large numbers of students in the areas listed above will have access to digital or electronic communication on their person to reach the Main Office and/or an administrator in case of emergency. The parties also agree that the unit member receiving such information is responsible for complying with all laws, policies, rules and regulations governing the privacy of such information.

5.19.2 The parties also agree that unit members input should be informed of building decision making models and plans developed in accordance with that model, including opportunity for input when appropriate, such as when the decision impacts the member's working conditions.

5.20.3 Classroom-based paraeducators may participate in an additional two (2)

hours to prepare and orient themselves to the building, classroom and staff. Examples for the use of this time include: meeting with the classroom teacher(s) and/or building administrator(s), assisting with preparations for the start of school and/or becoming familiar with the school/classroom schedule. These 2 hours can occur at any time, to be determined in collaboration between the paraeducator and classroom teacher.

**ARTICLE VIII

8.1 The parties agree that regular attendance is important for the District to meet the needs of education and provision of services. Failure to utilize leaves appropriately may result in appropriate counseling and/or disciplinary action.

8.1.1 Accumulated sick leave is transferable to and from districts within the State, as provided under law.

8.1.2 All employees hired for 180 days or more will receive twelve (12) days sick leave each year. Five (5) days emergency leave inclusive.

8.1.4 Each employee shall be credited in advance with the sick leave allowance at the beginning of each school year or at the beginning of employment.

8.1.5 Sick leave provided and not taken shall accumulate from year to year up to a maximum allowed by law. Such accumulated time may be taken at any time during the employee's work year. An additional two (2) days for out of state travel may be approved by the Assistant Superintendent for Human Resources upon request by the employee. Extenuating circumstances which require an exception may be approved by the Assistant Superintendent of Human Resources.

8.4 Emergency/Hardship Leave

Six (6) days emergency leave per year, non-cumulative year to year, will be available upon

request for each employee without loss of pay (deductible from annual sick leave). Upon written request to Human Resources, employees may be granted additional emergency leave days with pay. Additional days will be granted: (1) if the situation is as defined in this Section; (2) if the employee has sufficient sick leave balance to cover the requested days; and (3) if such request is timely and follows the regularly established absence reporting procedures.

8.4.1 This leave may be used for any personal reasons of an emergency/hardship nature, including illness or injury in the family, funeral not covered by bereavement leave, religious leave, or legal or personal affairs that cannot be scheduled outside the normal work day and the absence should be entered electronically.

8.4.2 Weather conditions for local travel to and from school shall be considered as a valid reason for an emergency/hardship leave. (See also 5.5.7.6)

8.4.2 Emergency/hardship leave for other or unusual circumstances should be cleared through the department supervisor and reported as an absence for final approval by the Human Resources Department.

8.4.3 Employees with special hardship situations may be granted additional emergency/hardship leave by the Human Resources Department, with full pay deductions.

Requests for use of restricted days should be submitted in writing to Human Resources no less than five (5) days prior to the requested date.

Should all the slots be taken, the Assistant Superintendent of Human Resources will consider the supporting reasons offered by the employee in determining whether the day(s) in question will be granted. The general criteria for such exception will be whether supporting reasons indicate a serious need or obligation worthy of granting release from contractual responsibilities. Serious obligations would not include matters of convenience such as accommodating travel or vacation plans.

8.6 Leave Due to Long-term Illness or Disability

8.6.1 Request for leave shall be made in writing to Human Resources as early as possible. The exact date the leave is to begin and end will be determined jointly by the employee and Human Resources.

8.6.5 A shorter or longer leave than specified will be granted if the employee submits such a request in writing, supported by the employee's personal

physician's statement that the employee's health justified the request, or if the employee and the District agree to a longer leave to their mutual advantage. If, at the time specified for return to active employment, the employee is unable to return because of medical complications, as supported by employee's physician's affidavit, additional leave will be granted to the extent necessary.

- 8.6.6 While on leave, the employee may request an earlier return to active employment than indicated. Details of such a return would be worked out with Human Resources.
- 8.6.7 At least two (2) weeks prior to the agreed-upon ending date of the leave; the employee shall notify Human Resources of the employee's intent to: (1) return to duty; (2) request extension of leave; (3) resign.

- 8.6.9 Employees granted leave will be subject to the same staff reductions and reassignment provisions as other employees during the duration of such leave.

8.7 Leave Sharing

- 8.7.1 Employees may participate in the District Leave Sharing Program. Under the provisions of this program, the District shall receive and process requests noted herein.
- 8.7.2 An employee who donates leave must be in a position in which sick and/or vacation leave can be used and accrued.
 - 8.7.2.1 An employee who has an accrued sick leave balance of more than twenty-two (22) days may request a transfer of a specified amount of sick leave to another employee. that would result in their sick leave account going below one hundred and seventy six (176) hours.
 - 8.7.2.2 An employee who accrues vacation leave and who has an accrued vacation leave balance of more than ten (10) days may instead, if they prefer, request a transfer of a specified amount of vacation leave to another employee. - 8.7.3 Employees volunteering to participate in this program will fill out a "Request to Transfer Sick/Vacation Leave" form and submit it to the District. Days shall be converted to hours.

- 8.7.4 An employee who receives leave must be in a position in which sick and/or vacation leave can be used and accrued. An employee shall be entitled to receive leave under this section if the employee suffers from, or has a relative or household member suffering from an illness, injury, impairment, or physical or mental condition which is of an extraordinary or severe nature and which has caused, or is likely to cause, the employee to go on leave without pay status, or terminate employment. Such employee, or their legal representative, must submit, prior to approval or disapproval, documentation from a licensed physician or other authorized health care practitioner verifying the severe or extraordinary nature and expected duration of the condition.
- 8.7.5 An employee needing leave days shall submit a "Request to Receive Sick/Vacation Leave from Co-Workers" form to the District. In the event the employee is unable to submit such written request, a designee may submit the request on behalf of the employee. Days shall be converted to hours.
- 8.7.6 An employee receiving such leave sharing transfer must have exhausted, or will shortly exhaust, her/his sick leave and/or vacation leave. The employee must have abided by District policies regarding the use of sick and/or vacation leave and must not be eligible for time loss compensation under Chapter 51.32 RCW.
- 8.7.7 The amount of leave which an employee may receive shall be based on employee request and/or her/his personal physician's judgment; however, an employee shall not receive a total of more than one contractual year's worth of leave, or 260 days, whichever is fewer. An employee who requests to receive sick or vacation leave must be on an approved leave for a time period not less than the amount of leave transfer requested.
- 8.7.8 While an employee is on leave, he or she shall receive the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using accrued sick or vacation leave.
- 8.7.9 Transfer of leave shall not exceed the donating employee's requested amount.
- 8.7.10 All donated leave must be given voluntarily. No employee shall be coerced, threatened, intimidated, or financially induced into donating sick or vacation leave.

- 8.7.12 The value of the leave transferred shall be based upon the leave value of the person receiving the leave.

8.7.13 Any leave transferred which remains unused on August 31 of each year shall be returned at its original value to the employee or employees who donated the unused leave.

8.8 Other Leaves of Absence

8.8.1 Upon written request by the employee and the recommendation of the Superintendent, leave of absence may be granted to any employee for purposes of: (a) illness, (b) family emergency, (c) military service, (d) education, (e) domestic violence victims; or (f) spouses of military personnel.

8.8.4 The District will state, in writing, the terms of the leave of absence. The returning employee will be assigned to the position occupied before the leave of absence or to a position substantially equal in duties and compensation. Employees filling positions of employees on leave of absence will be assigned to such positions for a specific period of time, during which they shall be subject to all provisions of this Agreement. It shall be the responsibility of the District to inform replacement employees of these provisions. This provision does not apply to leaves of short duration for which the District presently hires substitutes.

8.8.5 The employee will retain accrued sick leave, vested vacation rights, and seniority rights while on leave of absence. However, vacation credits, sick leave, and seniority shall not accrue while the employee is on leave of absence; provided, that if such leave is approved for extended illness or injury, seniority shall accrue.

8.9 Family Medical Leave

8.9.1 An eligible employee may request up to twelve (12) work weeks of family medical leave during any twelve (12) month period. An eligible employee is anyone who was employed by the District for at least 1,250 hours of service during the previous fifty-two (52) weeks, excluding authorized leave or periods of time in which the employee does not report to work, but has continuing employment, and does not collect unemployment benefits. The District will inform the employee of eligibility upon receipt of a request for a family medical leave.

8.9.2 Definitions

“Parent” is defined as the biological parent of an employee or an individual who stood in loco parentis (in the place of a parent) to an employee when the employee was a son or daughter.

“Child” is defined as a biological, adopted, or foster child, a step-child, a legal ward, or a child of a person standing in loco parentis (in the place of a parent) who is under 18 years of age, or 18 years of age or older and incapable of self-care because of a mental or physical disability.

“Spouse” is defined as a husband, wife, or existing domestic partner.

“Serious health condition” is defined as an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility, or continuing treatment by a health care provider.

“Health care provider” is defined as a doctor of medicine or osteopathy who is authorized to practice medicine or surgery by the state in which the doctor practices, or any other person determined by the Secretary of Labor to be capable of providing health care services.

“Reduced leave schedule” is defined as a leave schedule that reduces the usual number of hours per work week or hours per work day, of an employee.

8.9.3 Family Medical Leave may be taken:

8.9.3.1 because of the birth of a child and to care for a newborn child; or

8.9.3.2 because of the placement of a child with the employee for adoption or foster care; or

8.9.3.3 to care for a child or a spouse or parent who has a serious health condition; or

8.9.3.4 because of the employee’s own serious health condition.

If both parents of the child are employed by the District, they together are entitled to a total of twelve (12) eighteen (18) weeks of family medical leave for the care of the child, and leave may be granted for this purpose to only one (1) parent at a time.

8.9.4 Family medical leave taken to care for a newborn or newly adopted child must

be completed within twelve (12) months after the birth or adoption. The District may require confirmation by a health care provider of the employee's need for family leave.

Leave taken under 8.9.3.3 or 8.9.3.4 may be taken intermittently or on a reduced leave schedule when medically necessary. If an employee requests intermittent leave, or leave on a reduced leave schedule that is foreseeable based on a planned medical treatment, the District may require such employee to transfer temporarily to an available alternative position offered by the District for which the employee is qualified and that has equivalent pay and benefits, and better accommodates recurring periods of leave than the regular position of the employee. The taking of intermittent or reduced leave shall reduce the total leave allowed an employee only by the actual amount of leave taken.

8.9.6 Family Medical Leave shall be without pay for all or part of the leave. The District may require the employee, or the employee may opt, to substitute and use their total accumulation of paid sick and/or vacation leave to which he or she is otherwise entitled during family medical leave. Health benefits provided under any group health plan will be continued for the duration of the leave at the level and under conditions coverage would have been provided if the employee had continued in employment during the leave. However, if the employee fails to return from the leave, the employee must reimburse the District for all premiums paid during the leave, unless the reason the employee does not return is due to:

8.9.6.1 The continuation, recurrence or onset of a serious health condition which would entitle the employee to leave under this section; the District may require medical certification within thirty (30) days.

8.9.6.2 Other circumstances beyond the employee's control, such as transfer of a spouse to a job location more than seventy-five (75) miles away, another relative other than immediate family member has a serious health condition and the employee is needed to provide care, or the employee is laid off while on leave.

8.9.7 Family Medical Leave is in addition to any leave for sickness or temporary disability because of pregnancy or childbirth.

8.9.8 An employee who plans to take Family Medical Leave must provide the District with a written request at least thirty (30) days in advance. If the Family Medical Leave is not foreseeable, the employee must notify the District no later than the fifth (5th) day of absence that a Family Medical Leave is needed and must

provide a written request for a Family Medical Leave at that time.

8.9.9 Upon returning from Family Medical Leave, the employee is entitled to be returned to the same position he or she previously held or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

8.9.10 Any employee who works principally in an instructional capacity who would be on leave for greater than twenty percent (20%) of the total number of working days in the period during which the leave would extend, may be required to take leave for periods of particular duration or to transfer temporarily to an alternative equivalent position that better accommodates the leave.

8.9.11 If the District grants greater Family Medical Leave benefits to any other employee group than those contained in this Section 8.9, the District will grant such greater benefits to this employee group.

8.10 Paid Family Medical Leave Act

All eligible employees shall have access to the Washington Paid Family Medical Leave Act in accordance with the law.

The District shall pay the full cost of all premiums associated with the PFML.

8.11 Adoption Leave

An employee legally adopting a child and/or wishing to take unpaid leave, after expiration of FMLA leave for the purpose of child rearing, shall notify the District in writing of the intent to take such leave stating the expected date of commencement of leave and return to employment. Such leave shall be granted for a period not to exceed nine (9) months for conditions which meet the criteria in 4.9.2A or 4.9.2 B above. An employee returning from such leave shall be assigned to the position held before the leave, or to a position with equivalent pay and benefits.

8.12 Domestic Violence

Per RCS 49.76, Domestic Violence Leave Law and District Policy, employees may take Domestic Violence leave. Those interested in obtaining confidential support regarding this leave should contact the Human Resources office directly.

Such leave shall be in accordance with RCW 41.56.220 as amended by Chapter 174, Laws of Washington 1969 Extraordinary Session.

8.14 Jury Duty

The employee shall furnish Human Resources with a written statement from the Court showing the days of jury service. The employee will report for work when released from jury duty.

8.15 Subpoena Leave

8.15.1 The employee will be granted subpoena leave as may be required by the subpoena and shall be paid her/his regular salary less any compensation received from her/his services, excluding transportation and per diem expenses. Except when the employee is the plaintiff or defendant in such action, unless named as plaintiff or defendant while in the performance of their duties.

8.15.2 Human Resources may extend the definition and intent of the subpoena leave policy on an individual basis.

**ARTICLE IX
WORKERS' COMPENSATION**

- 9.1 The District is a self-insured employer and pays all costs of industrial insurance, including compensation payments and medical costs in compliance with the terms of the Industrial Insurance Laws of the State of Washington. The basic concept is that an employee must be paid compensation when the time lost as a result of an on-the-job injury or illness will result in loss of income.
- 9.2 When injured on the job, the employee shall promptly complete a Self-Insurer Accident Report claim form with the assistance of the supervisor of the work location where the injury occurred, in accordance with District and State insurance procedures. One part of the form must be taken to the physician who treats the employee for the injury. A worker is entitled to workers' compensation if they have sought medical attention and are not cleared by a physician to return to work within three (3) calendar days following an on-the-job injury or illness.
- 9.3 In the event an employee is absent for reasons which are compensable industrial injuries in accordance with Washington State Industrial Insurance Law, the District shall pay the employee an amount equal to the difference between the Time Loss Compensation Rate, reported by the Department of Labor and Industries as a percent, and the amount the employee would have normally earned, to the limit of accumulated Sick Leave. A deduction shall be made from the employee's accumulated sick leave proportionate to the percent of time-loss paid to the employee by the District in excess of Washington State Industrial Insurance Law payments. In the event of any overpayment, the District shall make a correction thereof on a reasonable basis.
- 9.4 An employee may choose, in writing, to forgo the use of sick leave as provided in Section 9.3 and, instead, receive Worker's Compensation only in compliance with Industrial Insurance Laws of the State of Washington.
- 9.5 Until the employee qualifies for a disability under the Industrial Insurance Laws of the State of Washington or for up to one (1) year following the date of the injury, whichever is first, the employee will remain eligible for District benefits with eligibility for insurance benefits being contingent upon insurance policy provisions.
- 9.6 After sixty (60) days the District reserves the right to require independent medical evaluations by physicians of the District's choice and at the District's expense for employees claiming on-the-job injury. An employee is entitled to bring an observer of their choice (e.g. family member, spouse, colleague, etc.) to the appointment as allowed by L&I rules and guidelines.
- 9.7 The employee must have a physician's written authorization to return to work and shall return to regular duty when authorized to do so by a physician. The employee will return to a light duty position as authorized by a physician and when a light duty position is

available. The District reserves the right to assign an alternate work assignment.

- 9.8 Medical treatment benefits may continue in accordance with the Industrial Insurance Laws of the State of Washington. Absence from work for medical treatment only does not qualify for compensation under the Industrial Insurance Laws of the State of Washington.

**ARTICLE X
HIRE DATE, PROBATION, SENIORITY, AND LAYOFF**

10.1 Seniority Date

The seniority of an employee within the bargaining unit shall be established as of the date on which the employee began employment in a bargaining unit position or in a position subsequently included in this bargaining unit (hereinafter "seniority date") unless such seniority shall be lost as hereinafter provided.

10.2 Probation

10.2.1 A probationary period for all new employees of ninety (90) calendar days will be required. If an employee's conduct, proficiency and fitness are judged to be satisfactory by the evaluating supervisor during the probationary period, the employee will be given regular status. The termination provision of Article XI does not apply to probationary employees. The probationer may be discharged during the probationary period in the event of their demonstrated inability to cope with or perform the assigned duties as identified in their job description, or for being unproductive, or for misconduct.

10.2.2 Upon completion of the probationary period, the employee will be subject to all rights and duties contained in this Agreement, with seniority retroactive to the hire date. All applicable rights and benefits as described elsewhere in this Agreement shall apply to probationary employees.

10.3 Seniority Rights

10.3.1 The seniority rights of an employee shall be lost for the following reasons: resignation, discharge for justifiable cause and retirement.

10.3.2 Seniority rights shall not be lost but shall not accrue for the following reasons: authorized, unpaid leaves of absence, and involuntary layoff.

10.3.3 Seniority rights shall continue to accrue for the following reasons: absence due to industrial injury (up to one (1) year); paid, authorized absence covered by the leave provision of the Agreement (authorized absence due to extended illness or medical disability); and holidays and vacations.

10.4 Career Ladder Promotions

10.4.1 It shall be a goal of the District to provide members of this bargaining unit with the opportunity to advance to more responsible positions

10.5 Classification and Reclassification

- 10.5.1 "Classification" refers to the vertical arrangement on the salary schedule based on the skill, complexity, responsibilities and working conditions for each position.
- 10.5.2 The purpose of these classifications is to provide reasonable wage differentials between employee classifications based on assigned skill, complexity, responsibilities and working conditions.
- 10.5.3 Employees may apply for reclassification once in each twelve (12) month period, or more often if job skills, complexity, responsibility and/or working conditions are substantially altered. Any employee, at their option, may have an Association representative present at a reclassification review. Both the Association President and the employee requesting reclassification will be notified via email when their reclassification request is received.
- 10.5.4 When an employee requests review of their position for potential reclassification, the District will schedule a review of the position within thirty (30) calendar days of receipt of the completed request for information. Within thirty (30) calendar days of the review the employee will be provided with the results of the review. Through the course of the review, if it is determined that an employee is performing job duties outside of their classification, regardless of the results of the review, the District will instruct the employee's supervisor to discontinue assigning such work. See also Section 17.2.5 , 17.2.6 and 17.2.7.
- 10.5.5 The District will provide information to the Association regarding any changes to the classification system used by the District a minimum of thirty (30) calendar days prior to implementation of the new classification system.
- 10.5.6 Upon request, the Association shall be provided with the classification details of all existing positions which may include, but is not limited to, the job description, the points assigned to each classification, the total points and the overall point system determining salary levels.

10.6 Reduction in Force (RIF), Layoff and Recall

This section establishes the procedure covering official school board authorized reduction in force/layoff of employees due to lack of funds, reorganization or curtailment of work wherein the District establishes that employee positions covered by this Agreement need to be eliminated. The District will consult with the Association prior to the implementation of this section.

- 10.6.1 The number and type of positions to be retained shall be determined by the District. This information will be provided to the Association.
- 10.6.2 The RIF shall be conducted by bargaining unit seniority. The District will

establish seniority lists as defined in Section 10.1 within each of the five (5) classifications. For procedural purposes, the District will group and contact individuals, giving consideration to days and hours worked and the general type of work being performed. Senior employees in each classification who are interested in available positions and who are qualified for the position(s) will be retained regardless of their previous assignment.

10.6.2.1 Employees who are affected by situations noted in 10.6 will be notified in writing by the Human Resources Department. Employees will be assigned to positions vacated by the least senior employees or may elect to wait to request assignment to the next available open position for which they are qualified. The Association will be provided with a list of these employees.

10.6.2.2 No employee shall be offered or assigned a higher classification.

10.6.2.3 The District will notify affected employees and the Association of impending layoffs at least thirty (30) days prior to the first layoff.

10.6.2.4 Should the District decide to layoff any non-annual employee, the employee shall be so notified in writing prior to the expiration of the school year, or as soon as possible.

10.6.3 Those employees not initially retained shall be placed in a re-employment pool.

10.6.3.1 Employees placed in the re-employment pool shall be listed in five (5) groups by order of seniority in the bargaining unit.

10.6.3.2 For this section seniority shall be based on length of service in the bargaining unit (Section 10.1), excluding substitute time. However, employees who were bargaining unit members on August 31, 1989, shall be allowed to retain seniority credit for service in a non-bargaining unit position.

10.6.3.3 In cases where seniority is equal, employees will be chosen by lot.

10.6.3.4 The most senior employee will be offered the first open position for which they qualify. Qualify means they have the necessary training and/or experience required to successfully carry out all the job responsibilities of the position.

10.6.3.5 If the most senior employee in the re-employment pool does not qualify for the position, or does not wish to take it, the next most senior employee who does qualify will be offered the position.

- 10.6.3.6 Employees may turn down two (2) position offerings for which they qualify before being removed from the re-employment pool, provided that such employee is offered a position substantially equal to that held prior to layoff.
- 10.6.3.7 Employees will remain in the re-employment pool for a period of two (2) years from date of layoff, except as stated in subsection 10.6.3.6 above.
- 10.6.3.8 A laid-off employee shall, upon application, and at their option, be placed on the substitute list.
- 10.6.3.9 All benefits to which an employee was entitled at the time of their layoff, including unused sick leave, will be restored to the employee upon return to active employment. The employee will be placed on the same step at the time of layoff.
- 10.6.3.10 In case of persons not re-employed by September 1 of the following school year, notices of recall shall be sent to personal email, when known, and by certified or registered mail to the last known address. It shall be the employee's responsibility to keep the District notified of their current mailing address.

ARTICLE XI
DISCIPLINE AND DISCHARGE OF EMPLOYEES

11.1 Disciplinary Process

The District shall follow due process and progressive discipline in its discipline of employees covered by this Agreement. Although each personal situation merits individual investigation of the facts and circumstances, every effort will be made by the District to establish and maintain consistency and uniformity in discipline of employees.

An employee shall be entitled to have a representative of the Association present during any meeting which might reasonably be expected to lead to disciplinary action. When a request for such representation is made, no meeting shall continue, nor shall any action be taken, with respect to the employee until such representative of the Association has reasonable opportunity to be present. Any complaint not called to the attention of the employee may not be used as the basis for any disciplinary action against the employee.

11.2 The District shall have the right to discipline or discharge an employee for justifiable cause, but no employee shall be discharged or suspended unless a written warning notice shall previously have been given to such employee of a complaint against such employee concerning work or conduct within ten (10) working days from the date the District demonstrably had knowledge of such alleged violation and, if such warning is not given to the employee and sent to the Association within ten (10) working days of such alleged violation, the warning notice shall be null and void.

11.2.1 Warning notices will be considered collectively, not individually. Any employee receiving three (3) written warning notices within a twelve (12) month period shall be subject to disciplinary action up to and including termination. Upon written request by the employee, warning notices shall be removed from Personnel files twelve (12) months from the date of notice if there have been no further notices for a six (6) month period.

11.2.2 No prior warning notice shall be necessary if the cause for discharge or suspension is theft, intoxication related to employment, sleeping on the job, recklessness or unauthorized use of vehicles. In addition, no prior warning shall be necessary if there are circumstances where the situation is of an extreme nature demanding immediate action; therefore, progressive discipline or action is not indicated and/or within the District's legal options.

11.2.3 Progressive discipline procedures are not required prior to an employee being placed on a plan of improvement for performance related reasons.

11.3 An employee shall be entitled to receive a written statement of the reasons for suspension or discharge and/or a hearing upon request.

- 11.4 The discipline of an employee will be handled as discretely as the situation warrants and is possible under the circumstances.
- 11.5 The employer agrees to give at least two (2) weeks' notice of intent to terminate an employee, and each employee shall give the employer at least two (2) weeks' notices of their intent to resign. Failure of the employee to give such notice shall not constitute a breach of Agreement by the Association. Failure of the District to give such notice shall constitute a breach of Agreement.

**ARTICLE XII
PERSONNEL RECORDS AND EVALUATION**

12.1 Personnel Records

12.1.1 A master or official file shall be maintained for each employee in Human Resources.

12.1.2 Building files, as required and when properly noted in the employee's master file, may be kept by the employee's immediate supervisor. These files are considered confidential and only open to the immediate supervisor and the employee. Such building files will be maintained according to the following guidelines:

12.1.2.1 Materials which might form the basis for disciplinary action, reprimand, warning or other adverse effect must be either discarded or placed in the worksite file within one (1) year of the date on which the incident occurred. The employee will be notified as any such materials are placed in the personnel file. The employee may initial and date all documents added to their file as an acknowledgement of the document. The employee must be notified of materials placed within the file within ten (10) working days or they may not be used for disciplinary action.

12.1.2.2 If derogatory material is not placed in the official file and retained beyond the one (1) year period in the working file, such material shall, at the employee's request, be taken from the file and destroyed.

12.1.2.3 The building file will be shredded at the end of the school year that an employee leaves the building except when an investigation is in process.

12.1.3 The employee's personnel file shall be open for inspection by that employee, accompanied by another person of the employee's own choosing to allow the opportunity to review evaluations and other records regarding their employment with the District. The employee has the right to add information in explanation of materials already in the file.

12.1.4 An employee who feels the confidentiality of information contained in their personnel file has been violated and is prepared to present evidence and/or testimony substantiating such an allegation, may seek redress through the Superintendent or may pursue the matter formally through the grievance procedure.

12.1.5 No derogatory material shall be placed in the official personnel file without the employee's knowledge. The employee may attach comments to such material. The material shall be removed after a period of one (1) year upon employee request, provided there is no ongoing investigation.

12.2 Evaluations

12.2.1 The primary purpose of evaluation shall be to help the employee assess their job performance to provide the highest quality of services for the students and community. It is intended that evaluations will be based upon the evaluator's personal knowledge and observation. If the evaluator obtains information from another employee for the purposes of evaluation, that information will only be relevant if the evaluator and the employee have an opportunity to address any concerns prior to noting them in an evaluation.

12.2.2 Supervisors will review the job responsibilities with new employees within the first ten (10) work days after a new employee starts. Current employees may request, in writing, that the supervisor review the job responsibilities with them within the first ten (10) days of school.

12.2.3 New employees will receive feedback from their supervisor regarding job performance no later than the 45th day of the probationary period. If there are areas of concern, specific feedback will be documented in writing and given to the employee.

12.2.4 Employees who work more than sixty (60) days per year will be evaluated by their supervisor at least once during an Agreement year. Employees may receive additional informal evaluations during the year reflecting continuing job performance. Employees whose work performance has been determined to be less than satisfactory in meeting District expectation standards will be so advised in writing in the interest of gaining an acceptable adjustment. Due dates for annual evaluations are:

- Employees working fewer than 260 days – June 10th of each year.
- Employees working 260 days – August 20th of each year.

12.2.5 If an employee receives an evaluation indicating their job performance "does not meet expectations", the employee may request an additional meeting with the supervisor to clarify job expectations. The employee may have Association representation at the conference.

12.2.6 Employee evaluations will be used as one element in determining discharge, transfer and promotion.

- 12.2.7 Any changes to the District’s adopted evaluation forms will be mutually agreed upon with the Association before implementation. All forms related to the evaluation are available in Appendix C, D and E.
- 12.2.8 The evaluation consists of three performance levels: Exceeds Expectations, Meets Expectations and Does Not Meet Expectations; each with a definition.
 - 12.2.8.1 Ratings of “Exceeds Expectations” require comments with specific examples to reinforce the strong work in the criteria.
 - 12.2.8.2 Ratings of “Meets Expectations” do not require written comments.
 - 12.2.8.3 Ratings of “Does Not Meet Expectations” require comments with specific examples to support necessary improvement in the criteria.
- 12.2.9 Employee attendance is determined by maintaining a positive sick leave balance.
- 12.2.10 The optional “Employee Self-Reflection” instrument aligns with the evaluation instrument and does not include ratings.
- 12.2.11 If a teacher submits a “Classroom Teacher Input” form which will be used by the administrator as part of the evaluation process, a copy will be hand delivered to the employee and will be attached to the evaluation. The employee may respond to the “Classroom Teacher Input” form in the “Employee Comments” section of the annual evaluation. This form is available in Appendix E.

**ARTICLE XIII
INSURANCE BENEFITS**

13.1 Medical, Dental, Life Insurance Benefits

Pursuant to RCW 28A.400.275, the parties agree to abide by state laws relating to school district employee benefits.

13.1.1 Effective January 1, 2020 the District will be required to provide health insurance and other benefits including, but not limited to; Dependent Care Assistance Program, life insurance and accidental death and dismemberment insurance, long-term disability insurance and Medical Flexible Spending Arrangement to all employees through the School Employees Benefits Board (SEBB). The District will comply with the SEBB requirements as set out in state law and Health Care Authority (HCA) rules and regulations, these include but are not limited to the following: Eligibility requirements; Plan offerings, premium rates and employee contributions and District payments for employer contribution(s).

Therefore, many of the above sections will become null and void as of December 31, 2019. The parties have agreed to continue discussions regarding application of any pooling funds remaining after all financial commitments of the pool have been satisfied.

13.1.2 Allocation

The District shall pass through the full state health and welfare insurance allocation per 1.0 FTE. In addition, the District shall locally fund the HCA retiree subsidy charge per month per 1.0 FTE on behalf of the employee, which would otherwise be deducted from the state allocation. The amounts will be published by the payroll department each year.

13.1.3 These benefit monies must first be applied toward the following required basic District programs as defined in the Renton School District Benefits Handbook.

13.1.2.1 Dental

13.1.2.2 Vision

13.1.2.3 \$60,000 Term Life and Accidental Death

13.1.2.4 Long Term Disability

13.1.4 The remaining monies, after application to the above, shall be applied, at the employee's option, to one of the District's basic medical insurance programs until the maximum District benefit monies are exhausted.

- 13.1.5 The mutually agreed upon insurance programs for optional benefits are:
 - 13.1.4.1 Optional Life
 - 13.1.4.2 Optional Short/Long Term Disability
 - 13.1.4.3 Flexible Spending Accounts
 - 13.1.4.4 Long Term Care Insurance
- 13.1.6 The benefits FTE calculation is based on the number of hours an employee works (including paid holidays) divided by 1440 hours. Benefit FTE cannot exceed 1.0. Employee eligibility will be as follows:
 - 13.1.5.1 .7960 to 1.000 benefit FTE: The required dental, vision, life and long term disability program premiums will be deducted first and the remainder will be applied to medical insurance
 - 13.1.5.2 .001 to .7959 benefit FTE: The prorated amount may be used for medical insurance only as provided under the provision of the insurance carrier(s).
- 13.1.7 The monthly provision may not be fully utilized due to some employees selecting less coverage than would be paid by the District. Therefore, the District will identify the unutilized portion and distribute such amount, if any, on an FTE basis, to employees whose coverage exceeds the District contribution (pooling). The unutilized portion shall be computed by the District based upon the payroll for October, with adjustments made for changes in employee participation in group insurance programs. The new maximum monthly provision will be implemented beginning with the November payroll and continue through the October payroll, provided that in no case shall an employee receive more than the amount necessary to pay for District insurance programs selected by the employee. The District will provide contributions for optional benefit plans, in addition to basic benefits, only if:
 - 13.1.7.1 Each full-time employee included in the District's pooling arrangement is offered basic benefits, including coverage for dependents, without a payroll deduction for premium charge(s);
 - 13.1.7.2 Each full-time employee included in the pooling arrangement, regardless of the number of dependents receiving basic coverage, receives the same additional District contribution for other coverage or optional benefits; and
 - 13.1.7.3 For part-time employees included in the pooling arrangement, participation in optional benefit plans shall be governed by the

same eligibility criteria and/or proration of District contributions used for allocation for basic benefits.

- 13.1.8 The District will make available to employees, at their option, an Internal Revenue Service Code Section 125 flexible benefits plan. The plan will be established, administered and communicated to employees by the District without cost to the employees.
- 13.1.9 It is agreed that in the event of inability of an employee to work because of illness or a non-occupational accident, the District will continue its monthly medical, dental, vision, life and long term disability insurance payments for eligible employees, consistent with the sections above, for a period of three (3) months following expiration of sick leave, and if the employee desires to continue the benefit of this Health and Welfare plan, they may do so by making the required payments to the District. The employee must actually be incapacitated from work by such illness or non-occupational accident and shall, in fact, not be working elsewhere. (This benefit may not be added to paid benefits offered under Section 8.9 Family Medical Leave.)
- 13.1.10 Any employee who is on authorized unpaid leave may continue their dental, vision, life and medical insurance plan(s) via direct monthly payments to the District, if acceptable to the insurance carrier. Employees on such leave must make written arrangements with the Payroll Department.
- 13.1.11 Any employee who is on layoff status shall be allowed to continue their participation in District medical and/or dental programs via direct monthly payments to the District, to the extent provided by law and permitted by the insurance carrier(s). Such employees must make written arrangements with the Payroll Department.

13.2 Tax Sheltered Annuities

The District shall make a program available to employees for the purchase of tax sheltered annuities. Upon receipt of an employee's properly executed application to participate in such a program, the District shall purchase such annuities and deduct the cost of purchasing them from such employee's salary within the time limits prescribed by the District.

The District shall hold harmless and defend each employee from claims for damages caused or alleged to have been caused in whole or in part by that employee while performing their duties as an employee in the District under the provisions of the District's liability policy, provided that the District shall not be obligated to assume any costs or judgments held against the employee when such damages are proved to be due to the employee's willful negligence, violation of law or criminal act as determined by a court of law.

**ARTICLE XIV

14.1 Professional Development Registration and Release Time Fund

The District shall budget funds for the purposes of in-service training and professional development as noted herein.

Should there not be a successful passage of a Maintenance and Operations levy, or should the District's levy capacity fall below 24.93 percent, the District may elect to reduce this amount to \$15,300 for any affected year. In developing both general procedures and specific authorizations for the allocation of these funds, the District will work with and seek input from designated representatives of the Association. The District will notify the Association President if any funds remain unallocated. The District and Association will work together to determine the use of unexpended funds.

14.2.2 Any fees or registration costs for required in-service will be paid by the District. Any hours of in-service required by the District will be paid for by the District

at the employee's regular rate, or at the employee's overtime rate if appropriate, unless in-service is scheduled during the employee's regularly scheduled work hours, in which case the employee will receive their regular pay rate.

- 14.2.3 Employees may be required to participate in scheduled in-service activities on teacher work days when students are not present. Employees may decline to participate in any in-service not required by the District.

14.3 First Aid/CPR

First Aid/CPR training will be paid by the district for any member who is required to maintain certification by job description or board policy/procedure.

14.4 In-Service Planning and Development

The District and the Association will develop procedures and criteria which will increase the Association's involvement in both the planning for and authorization of specific in-service opportunities. Such increased involvement and authority could affect up to twenty-five percent (25%) of the Training Funds allocated in Section 14.1.

14.5 Training Hours and Stipends

Training hours for the school year just concluded may not be submitted after the first business day of July. Upon separation from employment, employees have ten (10) business days to submit training hours for final payout. Training hours are separate from extra hours and regular pay. It is possible to earn both for preapproved activities.

- 14.5.2.2 The training hours program compensates employees for training

that is relevant to their current job responsibilities or is aligned with a desired career path within the District. Duplicate trainings should be taken with prior knowledge and approval of supervisor.

- 14.5.2.3 Training Hours may be submitted by the appropriate form, log or roster. Forms and logs are submitted by the employee and a training hour log must consist of a minimum of 1.0 hours. Training Hours rosters are submitted by the course provider. For trainings of 1.0 hour or less, an employee must attend the entire training to earn training hours. 16.1.5 The grievant(s) shall have the right to Association representation at all steps of this procedure and/or at any related meetings at which the grievant(s) is present.

16.2. Grievance Steps

16.2.1 Informal Discussion(s):

The employee's concerns will be presented orally by the employee to the appropriate supervisor. Every effort shall be made by all concerned in an informal manner to develop an understanding of the facts and the issues to create a climate which will lead to resolution of the problem. If the employee is not satisfied with the informal discussion(s) relative to the matter in question, they may proceed to the formal grievance procedure Step One.

16.2.2 Step One

An employee shall commence the grievance procedure by filing a written

grievance with the appropriate supervisor and the Association President. If there is a question as to the appropriate supervisor, the Human Resources Department will decide. A written grievance must be submitted within twenty (20) working days of the date that the employee first had actual knowledge of the grievable act, and must contain, at a minimum, the following data:

- A. The nature of the grievance;
- B. The sections of this Agreement or the District Policy, Rules and/or Regulations allegedly violated;
- C. The specific remedy sought.

Grievances must be signed and dated by the grievant. Within ten (10) working days receipt of the written grievance, the immediate supervisor shall provide the grievant with a written answer.

16.2.3 Step Two

If the grievance is not resolved to the employee's satisfaction at Step One, the grievant may, within ten (10) working days after the last day the supervisor has to respond in Step One, submit the grievance to the Superintendent or designee. Within ten (10) working days receipt of the written grievance, the Superintendent or designee shall conduct a hearing to investigate and review the grievance. If the grievance involves a charge of discrimination, the Superintendent may extend the timelines at this level up to ten (10) working days. Both the grievant and the Association shall be notified of the date, time and place of the hearing. The employee shall be entitled to Association representation at the hearing. Within ten (10) working days after the hearing, the Superintendent or designee shall provide the grievant with a written answer and explanation thereof, based on the data gathered at that hearing.

16.2.4 Step Three-A

If the grievance is not resolved at Step Two, the Association may, within thirty (30) work days after receipt of the written response from Step Two, submit the grievance to the American Arbitration Association for arbitration under their rules and within the following guidelines.

16.2.4.1 The arbitrator shall limit their decision strictly to disputes involving the application, interpretation or alleged violation of specific articles and/or section of this Agreement.

16.2.4.2 There shall be no appeal of the Arbitrator's decision if within the scope of their authority. It shall be final and binding on the Association, the employee(s) involved and the District.

16.2.4.3 The necessary fees and expenses of the Arbitrator shall be borne by the losing party. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for the expenses of witnesses called by the other.

16.2.4.4 The fact that the grievance has been considered by the parties in the preceding steps of the grievance shall not constitute a waiver of jurisdictional limitations upon the Arbitrator as delineated in subsection 16.2.4.1. above.

16.2.5 Step Three-B

If the grievant is not satisfied with the resolution at Step Two, and the Association believes the grievance to be valid, and provided that the grievance has to do with an alleged violation or misapplication of a specific written District Policy, Rules and/or Regulations, they may, within thirty (30) calendar days receipt of the written response from Step Two, request a meeting with the Board for the purpose of resolving the grievance in accordance with the following:

16.2.5.1 The Board may employ a Hearing Officer to hear the case in its stead.

16.2.5.2 The Board may hear the case itself.

16.2.5.3 The Secretary of the Board shall schedule a hearing date to take place within fifteen (15) days receipt of the request.

16.2.5.4 The grievant shall be notified of said hearing at least five (5) days prior to the set date.

16.2.5.5 The Secretary of the Board shall, within ten (10) days after the conclusion of the hearing, submit the findings and recommendations to the grievant and the Association, if appropriate.

16.3 Grievance or arbitration discussions shall take place whenever possible on school time.

16.4 The employer shall not discriminate against any individual employee or the Association for taking action under this Article.

16.5 The timelines provided in this Article shall be strictly observed, unless extended by agreement of the parties. Failure of the grievant to proceed within the timelines provided above shall result in dismissal of the grievance. Failure of the District or its officials to comply with answers or action within those same timelines shall entitle the grievant to a resolution favorable to the employee as requested by the employee.

- 16.6 All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the employee.
- 16.7 No member may bring a grievance to arbitration without approval of the Association.

ARTICLE XVII
SALARIES AND EMPLOYEE COMPENSATION

17.1 Salary Basis

Each employee shall be paid according to their proper salary classification as set forth in Appendix A. Should the State authorize and fund an amount for classified salaries higher than the amounts shown below, the District will improve the salary schedule to cause the total salary increase (increments plus percentage allocated to schedule improvement) to reach the percentage allocated in the State Appropriations Act. Salaries listed are based upon a 260-day, 8-hours-per-day work year. See Salary Schedule in Appendix A.

17.2 Salary Provisions

17.2.1 Employees shall be compensated in accordance with the provisions of this Agreement for all hours worked. The District will annualize an employee's regular wages. Said wages will be paid in twelve (12) equal installments on or before the last work day of the month.

17.2.2 Salaries contained in Appendix A shall be for the entire term of this Agreement. Should the date of execution of this Agreement be subsequent to the effective date, salaries, including overtime, shall be retroactive to the effective date.

17.2.3 Retroactive pay, where applicable, shall be paid on the first regular pay day following execution of this Agreement, if possible, and in any case not later than the second regular pay day. In the case of retroactive pay resulting from negotiations pursuant to Article XVIII, such retroactive pay shall be paid on the first regular pay day following agreement on such schedule, if possible, and in any case, not later than the second regular pay day.

17.2.4 Completed qualified work experience will be calculated as of the first day of school and used for salary placement in the given year. Experience calculation is based on the employee's work calendar for their position. Employees will be placed on the salary schedule as follows:

- A. 0.0-1.79 years of experience = Step 1
- B. 1.80 -3.79 years of experience = Step 2
- C. 3.80- 5.79 years of experience = Step 3
- D. 5.80 or more years of experience = Step 4

Experience for work in public schools will be granted for prior classroom experience for paraeducator positions or for prior office experience for office

positions. Employees with prior experience in both classroom and office positions will be credited for the specific time worked in each position and applied specifically to the paraeducator or office position and may not be combined.

- 17.2.5 Step placement shall be retained during all transfers, promotions and reclassifications.
- 17.2.6 An employee who moves to a different classification shall remain at the same increment step. An employee who is involuntarily reclassified to a lower pay classification and whose salary exceeds the salary of the new classification shall be grandfathered at her/his current salary until the salary schedule is equal or greater than the grandfathered salary.
- 17.3.7 If a classification review results in pay reclassification, the new pay rate will be retroactive to the date the completed job analysis questionnaire was received by Human Resources.
- 17.2.8 Any employee who is interested in working an additional assignment may apply for a position in another classification. If selected, the employee shall be paid for the hours worked in each classification at the appropriate hourly rate for that classification.
- 17.2.9 Regular employees who work substitute assignments in other work locations shall be paid their regular hourly rate for those hours worked.
- 17.2.10 Any employee required to return to work on call back or required to travel from one site to another in a private vehicle during working hours shall be reimbursed for such travel on a per-mile basis at the IRS rate per mile or District approved rate, whichever is greater.
- 17.2.11 Employees required to remain overnight on District business shall be reimbursed for room, board and travel expenditures.
- 17.2.12 The deduction of payroll savings to a bank or credit union of the employee's choice shall be made monthly after the amount has been authorized.

17.3 Bilingual Stipend

Bilingual Stipend: A five percent (5%) bilingual stipend is awarded to an employee whose current classification does not require the use of a second language, but the employee uses a second language on the job when the District determines that the language usage is sufficient to qualify for a stipend. Such determination will be based upon the following conditions:

1. The position requires that the employee use bilingual skills regularly to perform their work; and
2. The classification specification for the employee's classification does not require bilingual skills for all incumbents of that classification; and 3. The employee demonstrates a proficiency in the second language, according to procedures established by the District.

ARTICLE XVIII
TERM AND SEPARABILITY OF PROVISIONS

- 18.1 The term of this Agreement shall be September 1, 2019-August 31, 2021.
- 18.2 All provisions of this Agreement shall be applicable to the entire term of this Agreement notwithstanding its execution date, except as provided in the following section.
- 18.3 Either party may reopen the Agreement for compensation in the event:
 - 18.3.1 The State or Federal Government appropriates or decreases funds for wages, benefits, working conditions or significantly changes funding.
 - 18.3.2 The State or Federal Government authorizes additional or decreases local levy authority specifically for the purpose of granting increased or decreased compensation, benefits and/or supplemental benefits.
 - 18.3.3 Legislation significantly changes classified staff salaries.
- 18.4 This Agreement shall be reopened at the request of either party to consider the impact of legislation enacted following the execution of this Agreement which affects the terms and conditions herein.
- 18.5 If any provision of this Agreement shall be found by a court of law, PERC or other government regulatory agency to be contrary to law, then only that provision shall be deemed invalid. All other provisions shall continue in effect. Collective bargaining may be initiated at the request of either party to change any such provisions deemed invalid.

ARTICLE XIX
NO STRIKE PLEDGE

The Association and the District recognize and agree that strikes are not conducive to harmonious working relations and may be disruptive to the educational process and should not occur. The Association and the District subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the District operations. The Association, therefore, agrees there shall be no strikes or other concerted refusal to work, nor any instigation thereof, by the employees. The Association further agrees not to honor, or to encourage employees in the bargaining unit to honor any strikes, picket lines, or other concerted work stoppages that may be established by any other District employee organization. The District agrees there shall be no employee lockout.

1. Effective January 1, 2020 the District will be required to provide health insurance and other benefits including, but not limited to; Dependent Care Assistance Program, life insurance and accidental death and dismemberment insurance, long-term disability insurance and Medical Flexible Spending Arrangement to all employees through the School Employees Benefits Board (SEBB). The District will comply with the SEBB requirements as set out in state law and Health Care Authority (HCA) rules and regulations, these include but are not limited to the following: Eligibility requirements; Plan offerings, premium rates and employee contributions and District payments for employer contribution(s).
2. RSD will deduct employee premium payments for insurance provided through the School Employees Benefits Board beginning with the December, 2019 payroll.
3. RSD will distribute \$250.00 to each RESP employee employed with the District as of 12/1/2019. This amount reflects \$152.99 excess health insurance pooling, \$40.38 excess vision insurance pooling and \$56.63 pooling enhancement funded by RSD.

In addition, the parties agree to meet on a regular basis to assess the impact of the transition in order to minimize and mitigate negative impacts on employees and work to reach mutual agreement on resolution to identified challenges or impacts.

**Memorandum of Understanding
Between the Renton School District
and the Renton Education Support Professionals**

Agreements Related to Changes in Working Conditions and School Operations Due to Coronavirus/COVID-19 within the 2020-21 school year.

Renton School District (District) and Renton Education Support Professionals (RESP), the "parties", share an interest in maintaining the health and safety of all members of our Renton School community. Any agreement reached between the parties shall apply to all RESP represented employees. The impact of the coronavirus pandemic continues to result in widespread concern across the community regarding the potential of continued spread of the virus. We will continue to review the guidelines of Public Health, Seattle and King County and the Office of Superintendent of Public Instruction (OSPI).

Now therefore, the parties agree to the following:

1. Compensation: For the 2020-21 school year RESP employees shall continue to be compensated per the Collective Bargaining Agreement (CBA) at their currently assigned hours, unless impacted by displacement or other similar conditions that cause reduced staffing levels.
2. Benefits: Individuals who are eligible for benefits under the provisions of the RESP Collective Bargaining Agreement shall maintain their benefits unless impacted by displacement or other similar conditions that cause reduced staffing levels.
3. Duties:
 - A. Parties agree to support student learning and growth, while practicing recommended safety precautions, following the Department of Health (DOH) and L&I guidelines.
 - B. Employees will be given the option to work remotely even though some may choose to work in the building. For assignments and/or work that cannot be done remotely, those employees will perform duties at their assigned District site.
 - C. Employees denied the opportunity to work remotely will first seek solutions with their supervisor.
 - D. In the event the situation is not initially resolved, the employee may invite their union representative to a solution centered meeting with the supervisor.
 - E. Supervisors will work to provide employees a minimum of one days' notice before they are asked to report to a building for in-person work.
 - F. Supporting families and the public will be done on an appointment basis while limiting the number of guests.
 - G. Meetings, training and professional development opportunities shall be held virtually whenever possible during in-home learning.
 - H. Any significant changes to performing duties consistent with job descriptions will be discussed by the parties prior to implementation through the existing labor management process.
