

CAN MY CHILD ATTEND SCHOOL TODAY?

Has your child recently been in close contact with someone who tested positive for COVID-19?

No
Come to School Today

Yes

- Stay at home for 14 calendar days from date of contact
- Fill out a Student Self-Report
- Call your healthcare provider if symptoms worsen

What is Close Contact?
Duncanville ISD defines close contact as a person within 6 feet of an infected person for at least 15 minutes without a face covering.

Is your child having one or more cold/flu-like symptoms?

No
Come to School Today

Yes

- Stay at home
- Submit a note in Skyward Family Access
- Call your healthcare provider if symptoms worsen
- Follow Return-to-School Guidelines

Return-to-School Guidelines
A student is considered to have COVID-19 if they have a fever above 100°F or other symptoms **AND** is unable to provide negative COVID-19 test results **OR** has not been cleared by their healthcare provider as having another condition.

To return to school, **ALL** of the following 3 criteria must be met:

- Fever free for 24 hours without the use of fever reducing medication
- Improved symptoms
- At least 14 calendar days/10 school days have passed since symptoms first appeared.

Is your child running a fever of 100°F or higher?

No
Come to School Today

Yes

- Stay at home
- Submit a note in Skyward Family Access
- Call your healthcare provider if symptoms worsen
- May return to school when:
 - fever free for 24 hours without medication **AND** seen by their healthcare provider with a diagnosis of something other than COVID-19
 - **OR** follow the return-to-school guidelines.

Please notify Duncanville ISD if your child tests positive for COVID-19 and follow the Return-to-School guidelines before coming back to school.
