

Double Your Gift!

To our knowledge, the following Bay Area companies offer a matching gift when an employee makes a personal donation to a nonprofit organization. Contact your Human Resources department for more information about your company's program and how to request a match. If your company is not listed here, but they do match gifts, please inform us so we can add them to our list.

Note: This list was compiled from online resources and may not be comprehensive or up to date.
