October 2020

A Message from Ms. Nagel, Principal

I want you all to know that the teachers and I look forward to the day when the students are back on campus with their eagerness to learn and bright smiling eyes! I know this is hard on everyone, but the teachers, parents, and students are all doing a great job with this distance learning, in spite of it all. I see students on the live Zoom lessons engaged and trying their best to learn and keep their focus. As we have now added school pictures, student awards, a virtual Book Fair starting 10/5, Spirit wear orders (soon to come), Kids Heart Assembly on 10/5, and a Halloween Car Parade (soon to come on 10/28), this will help students and staff have a sense of "Normalcy" about school. I look forward to the day when we are all back physically at Crestview with a new excitement about school!

Megaskill: Problem Solving

Mrs. Pomozzi 4th

I am Candace Pomozzi, and I have the honor of teaching 4th grade this year. I have been a teacher for 10 years, and I have had the joy of working at Crestview Elementary for two, going on three years!

My favorite parts of school are recess, spirit weeks, holiday parties, field day and more! My goal each day is to pour as much of that spirit as I can into our virtual classroom.

I have two incredibly fun, bright, independent boys, named Luke (8 years old) and Benny (4 years old). They are my sunshine and my whole entire world!

I love warm weather, sunshine, and the outdoors! I love to run,

Mr. Inverso 4th

Joseph Inverso is an educator who has taught Grades 4-12 in both public and private schools since 2000.

Through the years he has also been a Math Coach for LUSD as well as a mentor teacher. Mr. Inverso has his Bachelors of Arts degree in Communications as well as a Multi-Subject Teaching Credential, from California State University, Northridge and a Single Subject Teaching Credential in General Science. Additionally, he earned certification as a Technology Integration Specialist from the iDEAL Institute at Loyola Marymount University, Los Angeles and a Preliminary Administrative Credential from the County of Santa Barbara Office of Education.

Mr. Inverso is married with two children. His hobbies include reading, record collecting and traveling. He currently resides in California's Central Coast.

Download the FREE App called Kids Heart Challenge for [Apple](#) or [Android](#) or visit www.heart.org/kidsheartchallenge and search Crestview to join our team and take the challenge!

Join the team and earn the KHC Decoder wristband with a SECRET message! Start raising donations online and you can earn your own Secret Agent Heart Heroes!

kayak, hike, and explore new beaches and trails. One of my favorite parts of living at VAFB has been exploring the Gaviota trail system.

I am so grateful to be here serving our children and our community!

Miss Kari
Office Assistant

I am known to our wonderful Crestview Cougars as "Miss Kari", a title I heartily embrace!

I have a Bachelor's degree in Child Development from Cal State Fresno.

I have been working at Crestview for 17 years, the first eight in the Science Lab and the last nine in the front office. Although my job consists primarily of paperwork, my heart will always be in the 'peoplework'. I love being a part of our Crestview team and supporting and encouraging our staff however I can. They are truly the best!

I am also honored to be working with and serving our military families. I am so inspired by your strength, determination, and stamina. Thank you for your service to our country!

Scholastic Book Fair is back!
