Message from the Principal

Greetings, Marvel Families –

We hope this message finds you safe and well. YES Prep is so excited to welcome our first group of students back to in-person learning on campuses next week and we're especially excited to welcome our elementary students to their first day of school on a YES Prep campus EVER! The YES Prep team has been hard at work preparing for the return of students, implementing procedures on campuses to ensure a safe environment conducive to learning as our students transition from online learning at home to in-person learning at school over the next several weeks.

As a reminder, the first day of in-person learning at school is now **next Tuesday, September 29** for students in **elementary and a limited number of students in grades 6-12 who selected and confirmed the In-Person at School program option via the YES Prep Program Survey**. *This change in date was adjusted to account for the teacher training days and family orientations delayed by Tropical Storm Beta.

For all other students, we're excited to continue seeing you online or in person over the next couple of weeks if you chose/choose the In Person at School program option. For those choosing in-person learning, please refer to the [list](#) below to see the reopening in person timeline.

In Person Reopening Timeline

- **Beginning Tuesday, September 29:** Elementary students and a limited number of students grades 6-12
- **Beginning Monday, October 5:** Students in transitional grades 6, 9 & 12

Reignited In Person: Are You Ready for In-Person Learning?

To assist families in preparing for a smooth transition to in-person learning at school, YES Prep has created the [Reignited In Person webpage](#) on our website. Please take some time to review each item in this checklist below and visit the Reignited In Person webpage before your student's first day of in-person learning on campus.

Progress Reports	Families, Progress Reports will be available in Skyward Family/Student Access on September 30. You will receive a message from Skyward letting you know as soon as they are available.
Advisory Lessons for Hispanic Heritage Month	<p>At YES Prep, we believe that it is critical to support your student not only academically, but socially and emotionally. As we navigate online learning at home or in-person learning at school, emotional care will continue to be important as we support one another and our students. Social and Emotional Learning (SEL) is the process of developing self-awareness and interpersonal skills that are vital for school, work, and life success. This year, YES Prep will be providing intentional Social and Emotional programming to all YES Prep students.</p> <p>One way we are doing so at the secondary level (6-12) is through the implementation of <i>advisory</i>. The focus of the advisory lessons during Hispanic Heritage Month will be on celebrating and learning more about Hispanic and Latinx culture and identity. This week, we released Secondary family resources on “Latinx Diaspora” and “Colorism”. Be sure to check them out in the Family Resource Center under SEL.</p> <p>We know this has been an unprecedented year filled with challenges and uncertainty but please know, we are with you every step of the way. Please continue visiting our website and following us on social where we’ll share any new updates and resources to community services.</p>

<p>Legacy Community Health COVID Testing</p>	<p>We are excited to share that all Legacy School-Based Health Clinics are now open and offering telemedicine, curbside, and in-person visits to YES Prep students and siblings. COVID-19 testing is also available for symptomatic students and siblings (as testing supplies remain available). To schedule an appointment, call 281-628-2050.</p>								
<p>Virtual Open Houses</p>	<p>This year's open house will be a little different than in previous years; it will be virtual! Mensaje de la Directora

Saludos, Familias Marvel -

Esperamos que este mensaje lo encuentre sano y salvo. ¡YES Prep está muy emocionado de dar la bienvenida a nuestro primer grupo de estudiantes al aprendizaje en persona en las escuelas la próxima semana y estamos especialmente emocionados de dar la bienvenida a nuestros primeros estudiantes de primaria a su primer día de clases en una escuela primaria de YES Prep! El equipo de YES Prep ha trabajado arduamente preparándose para el regreso de los estudiantes, implementando procedimientos en las escuelas para garantizar un entorno seguro propicio para el aprendizaje a medida que nuestros estudiantes pasan del aprendizaje en línea en casa al aprendizaje en persona en la escuela durante las próximas semanas.

Como recordatorio, el primer día de aprendizaje en persona en la escuela es ahora **el próximo martes, 29 de septiembre, para los estudiantes de primaria y un número limitado de estudiantes en los grados 6-12 que seleccionaron y confirmaron la opción del programa En Persona en la Escuela a través de la Encuesta del Programa YES Prep.** *El cambio en la fecha fue hecho para tener en cuenta los días de capacitación de maestros y las orientaciones familiares retrasados por la tormenta tropical Beta.

Para todos los demás estudiantes, nos complace seguir viéndolos en línea o en persona durante las próximas semanas si eligen/eligieron la opción del programa En Persona en la Escuela. Para aquellos que eligen el aprendizaje en persona, consulte la lista a continuación para ver las fechas de reapertura en persona.

Lecciones de asesoramiento para el Mes de la Herencia Hispana	En YES Prep, creemos que es fundamental apoyar a su estudiante no solo académicamente, sino también social y emocionalmente. Mientras navegamos por el aprendizaje en línea en casa o el aprendizaje en persona en la escuela, el cuidado emocional seguirá siendo importante mientras nos apoyamos unos a otros y a nuestros estudiantes. El aprendizaje social y emocional (SEL) es el proceso de desarrollo de la autoconciencia y las habilidades interpersonales que son vitales para el éxito en la escuela, el trabajo y la vida. Este año, YES					

	<p>Prep proporcionará programación social y emocional intencional a todos los estudiantes de YES Prep.</p> <p>Una forma en que lo estamos haciendo en el nivel secundario (6-12) es a través de la implementación del <i>asesoramiento</i>. El enfoque de las lecciones de asesoramiento durante el Mes de la Herencia Hispana será celebrar y aprender más sobre la cultura e identidad hispana y latina. Esta semana, publicamos recursos familiares secundarios sobre “Diáspora latina” y “Colorismo.” Asegúrese de visitar nuestro Centro de Recursos para la Familia, en la sección de SEL.</p>
