Message from the Principal

Greetings, Marvel Families –

We are excited to welcome our 6th, 9th, and 12th grade students that have selected In-Person learning back to campus tomorrow. Please ensure that you have read the information on social media and below to prepare for your first day. Here are a few reminders:

- Students may wear school appropriate free dress.
- Students are required to wear a mask at all times.
- Breakfast and lunch will be eaten in the classrooms. Students may bring their own lunch but will **not have access to a microwave**. Families will not be able to drop off lunch or materials to students throughout the day.
- Students will need to bring a laptop, charger, headphones, a pen, and a notebook to school each day.

Reignited In Person: Are You Ready for In-Person Learning?

To assist families in preparing for a smooth transition to in-person learning at school, YES Prep has created the [Reignited In Person webpage](#) on our website. This page outlines all the information and protocols you should know for a successful transition back to campuses starting next week including an *In-Person Learning Readiness Checklist*. Please take some time to review each item in this checklist below and visit the Reignited In Person webpage before your student's first day of in-person learning on campus.
