## Year 5's Geography Field Walk

Year 5 spent an enjoyable morning on Yateley Common on Thursday. They used maps and compasses to complete an orienteering exercise which helped them put into practice the map skills they have been learning about in Geography. The children followed a nature trail and en route learnt about the way the Common is managed to encourage a diversity of wildlife that live in the woodland and heathland habitats.

The children also completed brass rubbings along the way and, as no one got lost, clearly demonstrated great map reading skills.

## Let's Celebrate Diversity

Robert Upton's latest blog entry can be found on the School website. The following is a taster:

Gaius Julius Phaedrus was a 1st-century Roman fabulist and the first to write a collection of Aesop's fables in Latin. He once said, "*Things are not always what they seem; the first appearance deceives many; the intelligence of a few perceives what has been carefully hidden.*"

What drives the way we think and our perceptions of others when we meet them? When we consider differences we use certain vocabulary and language. Specifically the words prejudice, discrimination, stereotyping and bias are elements that can drive our emotions, thinking and behaviour.

## LAMDA Exams

The LAMDA exams dates have now been confirmed for the children who did LAMDA last academic year and whose exams were cancelled during the summer. These children have now been formally entered for their chosen exam and these will take place on either Monday 9th November or Tuesday 10th November.

Parents will receive a letter by email early next week giving their child's exam date and time. The letter includes some other very important information.

Please look out for this letter and contact [Penny Charles](#) if your child is expecting to take an exam and you do not receive a letter.

## Individual Photographs

We have now rebooked our school photographer for Tuesday 17th November. He will come into school for just one day to take individual photographs of all the children. He will remain socially distanced from the children and only school staff will help ensure that the children look neat and tidy for their photograph.

We are, unfortunately, unable to offer parents the opportunity to have sibling group photographs this year as it would cause cross bubble movement which is against our risk assessments. We are sorry that we cannot offer this option but are pleased that we have found a way to have the photographs taken safely.

Due to complications caused by the current restrictions our photographer has altered the way that photographs are ordered. There will be on-line ordering only. The new method means that we are no longer able to have the school logo on photographs but it also means that parents will have more pack options from which to select and also that they can mix and match photos within a pack.

## Year 6 and Year 8 Revision Guide Booklet

Year 6 and Year 8 pupils will be given exam revision guide booklets during the week before half term.

Please check that your child brings their copy home. A few spares will be available from School Reception.

## Year 7 French Trip

We were incredibly sad to have to postpone the Year 7 trip to Normandy which was due to have taken place this week.

We are now really pleased to inform parents (and children) that we have booked for the current Year 7 to go to Normandy this time next year at the same time as the next year's Year 7. It is an excellent trip and we are really glad that the children will get the opportunity to go.

## Lost Property

**Rex Macoraghty-Mines (3GJR)** has lost his Swatch watch. It is mostly blue and orange with dinosaurs on the strap.

**James Stuart-King (5NCD)** has lost two named school jumpers. If you have seen these items please let the owner or Matron know. Thank you.

## FYMS

**Virtual Quiz - Reminder** Just a reminder to register for our first virtual quiz on Saturday 10th October at 8pm. To book your team in and receive the joining instructions, please submit your team's £5 joining fee to our PayPal account: [fymsdonations@gmail.com](mailto:fymsdonations@gmail.com). If you have any questions, please let us know by emailing [fyms@mail.com](mailto:fyms@mail.com)

**Bags 2 School Reminder:** Please do not forget our Bags 2 School day on Monday 12th October. Drop off will be at the FYMS garage behind the Nursery from 8.00am – 9.00am and from 3.30pm – 5.30pm. We can take old clothes (adult and children), paired shoes, hats, belts and handbags in bin bags. It is a great way for you to get rid of any excess clothes and de-clutter your homes.

**Christmas Fair** Sadly we cannot hold our normal Christmas Fair this year due to restrictions. We are, however, contemplating holding a virtual shopping experience.

Please can you help us decide whether this would be something that you would be interested in by filling in our quick poll using the following link: <https://www.facebook.com/groups/friendsyfateleymanor>

**Second Hand Uniform Sale** Save the date! On the 28th November we will be holding a 2nd hand uniform sale in the Fyson Blum Hall from 10.00am-2.00pm. It will be very similar to how 2nd hand uniform is run through the school shop but on a much larger scale and will offer parents the opportunity to see all of the uniform before purchasing.

Due to restrictions that will probably still be in place it will be very likely that we will operate an appointment schedule but in the interim, please save the date and any uniform you may wish to sell.

## Whole School Harvest Festival

Our celebration of Harvest Festival will be a little different this year as we are not able to invite parents to join us. We will have a virtual celebration on Friday 9th October.

We would still be very grateful for all donations of fruit, vegetables and store cupboard items. Surrey Borough Council Community Services have a particularly large number of families and people in need this year and we would like to be able to help as much as we can.

We would ask that all donations are brought to your child's normal entry point except for Years 3 and 4 who should bring their donation to Manor Court before entering through the Lower School Door. Donations will be collected by Surrey Heath Borough Council Community Services later that morning.

## A Look at Life in Years 7 and 8

We will be holding a virtual presentation entitled A Look at Life in Years 7 and 8 on **Wednesday 14th October at 7.00pm.** (Sincere apologies we have had to change the date for this meeting which was originally scheduled for Tuesday 6th October.)

The Year 7 and 8 programme at a prep school and especially, we believe, at Yateley Manor, is one of the most powerful and influential experiences in a child's education and is an important part of their voyage of self-discovery.

The meeting will be led by Robert Upton but will, we hope, also feature current Year 7 and 8 children who will be able to give their perspective of our senior years. Topics covered will include the PSB programme, Yateley Manor Award Scheme, leadership and citizenship in Years 7 and 8.

The meeting is aimed particularly at parents of children in Years 4, 5 and 6 but is open to all parents.

If you would like to attend this virtual meeting please [complete and submit the form using this link](#) or email [Penny Charles](#).

## Years 5 and 6 STEM Club

This week, Year 5 and Year 6 STEM club pupils were tasked with trying to construct bird nests without using any conventional glues, string or tape. They collected a suitable range of small twigs from the Woodland Learning area and then got to work in Da Vinci classroom to try and build a nest that could be picked up in one hand without it falling apart.

This proved a very tricky assignment indeed but Anya and Thea were very successful in interlocking the twigs together and producing a most pleasing nest capable of holding a clutch of eggs. Well done everybody!

## Reception's Book Trust Gift

Reception children received a free gift from the Book Trust, the UK's largest children's reading charity, which is dedicated

to getting children reading. The children were enthralled by 'The Runaway Pea' a fantastic story by Kjartan Poskitt illustrated by Alex Willmore in which one pesky pea decided to ping himself off the plate in search of a party! With a twist in the ending the children were spellbound by the story and excited to have their very own copy to take home!

## Year 2's South America Tour

In the next stage of their world tour the Year 2 children had a visitor who flew here all the way from South America! Mr Santino! What an entertaining and informative way to learn about this spectacular continent. They loved following Blue, the bird, across the continent to discover animals, landmarks and carnivals. Thank you Mr Santino.

## Years 3 & 4 Football League

Unfortunately due to the weather this week's Years 3 and 4 football league fixtures were postponed. Instead the children took part in fun and active sessions during the afternoon. The Year 3 boys and girls were in the Fyson Blum Hall doing plenty of running, jumping and strength and conditioning exercises before being put into six teams for some round robin uni-hoc action. The effort levels were great. The Year 4s swam and played dodgeball and also had an excellent afternoon. There were lots of PBs swum in the pool. Well done everyone.
