Dear Dana families,

We are officially in the Fall season and hopefully we will see some cooler temperatures soon. We are also halfway through our first quarter and I would be remiss if I didn't extend a heartfelt thank you to the parents, guardians, and caregivers that have supported and guided students through distance learning. You have adjusted, persevered, and learned right alongside your student. We also continue to troubleshoot technology concerns and understand that tech can be both a blessing and curse at times. We are committed to work with our families and students and to be flexible as we all face new challenges.

Collaborative work is a signature practice at Dana and we know how crucial it is to support one another. We have a number of reminders below that will help us in our commitment to working together, providing helpful resources, and addressing our families' needs.

- **Family Conversations with the Dana Counselors and CARE Team: Bullying Prevention**

October is National Bullying Prevention month, and along with the CARE team, Dana Counselors are offering a Family workshop where students AND parents can attend together to learn about bullying and have guided family discussions on this important topic. There are two opportunities to attend: October 8th, 12:00pm - 1pm or 4:00pm - 5:00pm. We ask that families RSVP [here](#) if they plan to attend. The Zoom info to attend the meeting is below:

- **Parent Survey Closes Monday October 5:**

We ask families to complete our distance learning survey to best understand what is working well and areas that need improving. As we strive to educate the whole child, your input will be greatly appreciated. Click [here](#) for the survey. And a sincere thank you to those that have already completed it.

- **PTSA Announcement:**

Move-A-Thon Starts NOW!!! Pledging for our fall fundraiser is open now, and our amazing PE coaches will be getting students hyped during the week to begin moving from 10/12-23. Make sure to read the weekly PTSA [blog](#) for more details on all the upcoming PTSA events & activities.

I wish everyone a great week.

Take care,  
Kiana Clark
