

We believe in a growth mindset where everyone. Can improve and succeed

We work very hard on the four essential components to success.

Our staff are dedicated members of teams who strive for continuous improvement in the areas of relationships, rigor routines and reflection.

- We believe it is essential to build caring and sincere relationships with our students so that we can best serve their unique needs
- We believe in creating a structured environment with routines and procedures in place to ensure safely and maximum instruction time.
- We believe in providing a rigorous curriculum where every student is challenged to reach their full potential.
- We believe in reflection, tracking data and monitoring progress so that we can identify areas that need improvement.

Who We Are

About Us

We serve the southern end of Iredell County for grades 6 through 8. For the 2019-20 school year we have approximately 640 students enrolled. We are fortunate to have a very supportive parent body, PTO and community.

Lakeshore Middle School

Why our school?

We pride ourselves on academic excellence and meeting the individual needs of every student. We have a highly dedicated team of excellent educators; several of them are National Board certified. Lakeshore Middle provides a loving and caring environment where students feel safe, welcomed and part of a family. What sets us apart is our team focus on getting to know what the strengths, needs and interests are of each individual student and to provide the academic support and enrichment that will ensure that every student reaches their full potential. Educators from surrounding districts have visited us to learn some of our successful strategies. We have exceeded growth the past two years. We are very fortunate to have a modern, clean and well-equipped building and attractive classrooms. Visitors to the school often comment on our excellent facilities. Our students and staff are proud to be Lakers!

A Proud Laker Nation

What do we believe?

Our Vision

LEARN -MOTIVATE -SUCCEED

Our Mission Statement

We will provide a safe, personalized and positive learning environment where every child will be motivated to succeed.

8th grade Annual trip to Washington DC

Highlights and Achievements

Our Battle of the Books club - We are the only school in the district that has ever competed at state level, which we have been honored to do twice. We have been district Champions four times.

We have an excellent music program; We have students who make all-County band regularly; we have hosted All County Band in 17-18. We have also previously had students represented at the National Chorus competition by one of our talented students.

LMS has been the district Spelling Bee runner up for two years in a row

LMS Football were

Our men's and women's soccer teams were district champions at the undefeated for the 2019 regular season and district champions.

Cross country girls were first in the district and boys 2nd.
