### Overview

The Village School of Naples began as The Caring Place Preschool in 1985 as an outreach at North Naples United Methodist Church. In 2000, the K-5 elementary school was added onto the preschool. The Middle School was established in 2009 with a STEAM focused curriculum. In 2016, TVS welcomed its first Upper School students who graduated in 2020 with 100% college acceptance.

### COVID-19

TVS began school wide distance learning in March 2020. The transition went smoothly with teachers maintaining the high level of instruction to which students were accustomed. In-person classes resumed in August for the 2020-2021 school year with significant safety protocols in place. TVS still offers synchronous and asynchronous learning to students weekly per their needs.

## MISSION & VISION

**MISSION** - To provide an environment that EMPOWERS and INSPIRES students to think and CREATE solutions to challenges in an ever changing world.

**PHILOSOPHY** - The Village School uses project-based learning in a rigorous academic environment to enable students to work collaboratively, think critically, and problem solve with purpose while instilling Christian values in their lives.
