Updates & New Information

Happy Friday!

Lots of conversations around this year's Halloween! Students in Taylor Holland's Health Class were discussing their most frightening dreams. Students were eager to share and listen to one another's stories.

Please join me in congratulating Sara Blake as the FHMS Data Analyst! Sara has three years of prior experience as the TIF for Evergreen Middle School. The primary purpose for creating this position is to utilize data-driven techniques to inform our goals. Our goals are to ensure that each student is prepared socially and academically at their current level and ready for the next level!

We have posted for a Special Education teacher position. Due to COVID -19, we are needing to reduce our class sizes and as a result we will need to hire an additional Special Education Teacher.

Please join me in welcoming Anika Sakoda to the FHMS community! Anika has worked previously at Kamiakin Middle School. Anika's primary role will be to support The resource classroom.

Fall 2020 Family Information Survey

We are still hoping to get more responses on our Family Information survey. This link has been sent out a few times, by various groups and so far we have responses for 190 out of our almost 700 students.

We know you have been asked to fill out a huge number of surveys in the last 6 months. Our goal is to use the information from this survey to better support the needs of our Finn Hill students during remote learning.

We will close out this survey in the next two weeks and will use the information collected to guide us going forward.

Attendance

Please remember that while we are flexible, due to being online, students are expected to attend all online meetings and attendance is taken for all class periods. We are continually working to develop efficient ways to monitor and communicate attendance to families.

It's also extremely important that students are present for the start of each online session. When they join late, important introductory announcements and information are missed. We've incorporated 10-minutes between class periods to allow students time to transition between meetings.

If your child will not be attending any scheduled periods for any reason, please contact our Attendance Secretary to report the absences. Students cannot self-report. We can receive communication regarding attendance 3 ways:

- Call the attendance voice mail: 425-936-2341
- Email: FinnHillMSattend@lwsd.org
- Skyward Family Access (enter Absence Request) or on Skyward Mobile App

When reporting absences, please include the first and last name of your child, the date and time of the absence, and the reason for the absence.

If a student is absent for any period, they should reach out to their teacher to catch up on the missed lesson.

Please note that due to federal privacy regulations, we cannot record class meetings for later use.
