

School District of Elmbrook High School Profiles

District Profile

The School District of Elmbrook is located 15 minutes west of Milwaukee and consists of two high schools, two middle schools, five elementary schools, and one community cooperative school. Our 7,000 students are residents of Brookfield, Elm Grove, New Berlin, as well other communities who choose Elmbrook through programs like Open Enrollment. Elmbrook was ranked 3rd of K-12 districts in the state of Wisconsin on its district report card and Brookfield East and Central High Schools are consistently ranked among the top high schools in the Midwest.

A comprehensive education is strengthened by a culture of high expectations and student engagement. During the 2019-20 school year, 800 high school service club members logged more than 8,000 hours of community service. Our two high schools combined to stage 35 fine arts performances at the Sharon Lynne Wilson Center, a world-class facility in the community. Numerous teams and several individuals were placemen winners at their respective state competitions in Boys Soccer, Girls Golf, Football, and Girls Swimming & Diving.

College and Career Readiness

Of the 604 students in the graduating class of 2020, 86% indicated plans to attend a 2- or 4-year college or university. A sample of other notable distinctions includes:

Schedule & Graduation Requirements

- Students are required to earn 24 credits to be eligible for graduation. On average, students graduate with 27 credits.
- Elmbrook high schools run on a four-period block schedule.
- One credit (1.0) = a course that meets daily for two 9-week terms (one 18-week semester) or alternates every other day all year.
- One-half credit (.5) = a course that meets daily for one 9-week term.

Grading & Rank

A (4.0) = 100-93

B (3.0) = 92-85

C (2.0) = 84-77

D (1.0) = 76-70

F (0.0) = Below 70

Grade weighting adds .025 to the cumulative GPA for select courses that meet daily for a term. Class rank was eliminated by district policy in 2010.

Grade Replacement: A course retake provides the student the opportunity to demonstrate increased mastery of the course expectations for a course previously taken. The highest course grade earned will be recorded for transcript and grade point average purposes. All other entries for the same course will be deleted from the transcript and grade point average.

Curriculum

An extensive curriculum is provided in art, business, computer science, English, world language, family & consumer science, applied technology & engineering, mathematics, music, health, physical education, science and social studies. Other notable course offerings include:

- 26 Advanced Placement courses
- Eight Honors courses in English, math and science
- Five languages including Latin (CIS 4 and 5), French (CAPP 5), German (CAPP 5), Spanish (CAPP 5 and 6), Mandarin Chinese
- Various Transcribed Credit courses in applied technology and engineering, business, and family and consumer science as well as Advanced Standing courses in Auto and PLTW/engineering strands. The highest course grade earned will be recorded for transcript and grade point average purposes. All other entries for the same course will be deleted from the transcript and grade point average.

Co-Curricular Activities

Eighty percent of all high school students participate in a co-curricular activity each year. In addition to 25 sports and school-sponsored athletic clubs, both high schools offer over 50 student clubs and activities. Each school's Key Club is among the largest in the state totaling thousands of hours of community service, while active student councils have great impact on school climate and culture, as well as student engagement.

Elmbrook Schools music and theater students benefit from high quality instructors, small group lessons, and a community performing arts center for major performances. Music courses and groups range from marching band, to symphony orchestra, to chamber choirs, to small group ensembles.

Young Professionals Scholars

The Young Professionals Scholars (YPS) program provides access to various career-based learning experiences. Being sensitive to each student's passions, interests, skills, strengths, and aspirations/goals, and given the targeted focus on academic and career planning, YPS program options include opportunities for career exploration, preparation and training, for leadership and employability skill development, and/or to learn and apply technical knowledge and skills in high demand, high skill fields through authentic hands-on learning by collaborating with and being guided by professional experts in career areas. NOTE: Each YPS experience is designated on the student's transcript.
