The School

Pace Academy was established in 1958 as an independent college-preparatory coeducational day school. The school currently enrolls 1115 students in pre-first through 12th grades.

Pace is accredited by the Southern Association of Colleges and Schools and holds membership in the National Association of Colleges and Schools as well as the Mid-South, Georgia and Atlanta Area Association of Independent Schools. The school belongs to the College Entrance Examination Board, the Educational Records Bureau, the Cum Laude Society, the National Honor Society, the National Association of College Admission Counselors and the Georgia High School Association.

Our Mission

Our mission is to create prepared, confident citizens of the world who honor the values and legacy of Pace Academy.

Our Core Values

We create success through partnership with parents, students and faculty.
We are dedicated to developing the whole child.
We have respect for others and their unique ideas and beliefs.
We have pride in our accomplishments and our heritage.

Our Motto

To Have the Courage to Strive for Excellence.

Nondiscrimination Policy

Pace Academy does not discriminate on the basis of race, color, gender, sexual orientation, national origin, religion or physical ability in the recruitment or admission of students or in any of the rights, privileges, programs or activities generally accorded or made available to students or applicants. This nondiscrimination policy extends to the administration of admissions policies, financial aid and loan programs, academic programs, athletic programs, educational policies and all other programs, policies and activities of the school. In addition, Pace Academy is an Equal Employment Opportunity employer and does not discriminate on the basis of race, color, gender, national origin, religion, age or disability in any employment policy or practice.

Diversity Policy

Pace Academy strives to create a diverse and multicultural environment in which all members of our community are respected, valued and included. We maintain diversity and inclusiveness to be fundamental values that benefit our classrooms and community.

Pace Academy's board, faculty and staff are committed to creating and maintaining an academically and socially excellent learning environment. We acknowledge our responsibility to prepare our students to thrive in an increasingly diverse and interconnected world. We believe our students will be better prepared to lead as they expand their perspectives, are able to recognize the quality and value of different ideas and people and become increasingly competent in understanding the various cultures they will encounter.

We acknowledge and respect the differences of opinion that exist around political and social issues in our community. Therefore, Pace Academy promotes the free flow of ideas and will introduce our students to a wide variety of thought while avoiding bias in all school programs and functions. We reaffirm our non-affiliation and support no political or social agenda. We are a community that will not tolerate bigotry, harassment, discrimination, complacency or mediocrity. These elements destroy our ability to rear and educate our children to live as effective global citizens in a democratic society.

We understand diversity as an umbrella term that encompasses but is not limited to race, color, gender, sexual orientation, ethnicity, religion, socioeconomic status, physical ability and age as well as other aspects of life experiences that contribute to each individual's interests, skills and learning styles.

Included in the charges above are such items as cafeteria lunches, student accident insurance, and science and computer lab fees. Athletic apparel and team fees, class trip fees, theater, band and strings fees, class dues, Knight Crew and after school enrichment programs, AP exam fees, and graduation fees are examples of items not included in tuition. These charges will be separately invoiced by the Pace Business Office. Textbooks for Middle School and Upper School students are to be purchased separately from an outside vendor. For additional payment policies, please see the enrollment terms and conditions detailed below.

If there is a balance due on your student's account, an email notification will be sent early in the month by Pace Academy notifying you of the availability of electronic statements on the Pace Academy website through the mySCHOOL section of myPACE.

Payments may be made online by e-check/ACH or credit card. Please see the payment page in "mySCHOOL" for any applicable payment processing fees. Pace Academy accepts American Express, MasterCard or Discover credit cards. We are currently unable to accept Visa for payment of tuition and fees. Checks may be delivered or mailed to the Business Office. The school is unable to accept cash payments of greater than \$1,000 due to IRS reporting requirements.

The Pace Snack Bar does not accept cash. You may fund your Middle or Upper School student's Snack Bar/debit account online by e-check or by credit card, or by mailing a check. Please note, Lower School students are not allowed to visit the Pace Snack Bar without special arrangement with Lower School administration. If you add funds to a Lower School student debit account, the Pace Business Office may refund or transfer those funds. Any balance less than or equal to \$20 on a student or employee's Snack Bar account when he/she graduates, withdraws or otherwise leaves Pace will be forfeited and kept by the school.

For additional payment policies, please see Terms and Conditions of Enrollment detailed below.

TERMS and CONDITIONS of ENROLLMENT

2020-2021 ACADEMIC YEAR

NOTE: RE-ENROLLMENT IS NOT FINAL UNLESS ALL PRIOR FINANCIAL OBLIGATIONS TO PACE ACADEMY HAVE BEEN MET.

1. The non-refundable Advance Tuition Deposit (“ATD”) for the 2020-2021 Academic Year is due on or before March 1, 2020 for re-enrolling students, or, for new students, immediately upon acceptance. The e-signed Pace Enrollment Contract for the 2020-2021 Academic Year must be electronically submitted on or before March 1, 2020.
 - a. Failure to pay the full, non-refundable ATD in good funds on or before the due date will result in the student’s position at Pace being vacated.
 - b. Payment of the full ATD plus a mandatory late fee of up to \$500 no later than March 6, 2020, will guarantee reinstatement of the student’s place.
 - c. Failure to pay the full ATD and the applicable mandatory late fee by March 6, 2020 will result in the student being placed on the waiting list. He/she may be considered for reinstatement on or after April 16, 2020 (when the new applicant enrollment period ends), provided that the ATD and the applicable mandatory late fee are paid in full and space is available.
2. The First Tuition Payment is due on or before July 1, 2020.
 - a. Failure to make this tuition payment in full on or before the due date will result in the student’s position at Pace Academy being vacated.
 - b. Payment of the full first tuition payment plus a mandatory late fee of up to \$1,000 no later than July 31, 2020, will allow the student’s position to be reinstated.
 - c. Failure to pay the full first tuition payment plus the applicable mandatory late fee in good funds by July 31, 2020, will result in the requirement that the full annual tuition plus the mandatory late fee be paid in order for the student’s position to be reinstated. Such reinstatement is possible only if space is available.
3. The Second Tuition Payment is due on or before November 1, 2020.
 - a. Failure to pay this tuition installment in full on or before the due date will result in the student’s position at Pace Academy being vacated. The student will be allowed to complete the first

semester's academic work.

- b. Payment of the full balance due plus a mandatory late fee of up to \$1,000 prior to the school's Thanksgiving break will allow the student's position to be reinstated.
- c. Failure to pay the full outstanding balance on the student account prior to the school's Thanksgiving break will result in the student's place being vacated and made available to a qualified new applicant.

4. FACTS MANAGEMENT TUITION PAYMENT PLAN - Pace Academy does not have the resources to provide monthly, quarterly or alternative tuition payment options other than those listed in the Enrollment Contract. As a service to the financially responsible parent(s) or guardian(s), the school has approved participation in the tuition payment plan offered by FACTS Management Company ("FACTS"). A brochure outlining this plan is available in the "mySCHOOL" section of myPACE or through the Pace Academy Business Office.

- a. The balance of the annual tuition payable to Pace Academy after full payment of the nonrefundable ATD may be made using FACTS. This is a 10-month plan beginning May 2020 and ending February 2021. FACTS is for payment of tuition only. Payment of other charges and fees must be paid directly to the school in a timely manner.
- b. Payments may be made through FACTS by:
 - 1. Automatic deduction (ACH) from a bank account, or
 - 2. Credit card.

Please refer to the brochure for enrollment details. A \$45.00 enrollment fee payable to FACTS will be automatically charged to your bank account or credit card account upon enrollment. This fee is charged for new and continuing enrollments. For credit card payments, a convenience fee of 2.85% of each payment will also be charged to the credit card. All FACTS fees are the responsibility of the parent(s) or guardian(s).

- c. Failure to make timely payments under the FACTS Tuition Payment Plan will result in termination of the plan. Terminated account holders will be required to pay the full, unpaid balance of tuition and fees due at that time plus a mandatory late fee of up to \$100 per missed payment directly to the school. If this is not done, the student may be required to withdraw from the school.
- d. FACTS enrollment for returning students should be finalized by

March 31, 2020 to complete the approval process in time for a May payment to Pace Academy. New students and financial assistance applicants should apply as soon as possible after acceptance or being awarded financial assistance. Late application for a FACTS Tuition Payment Plan may result in assessment of a mandatory late fee by Pace Academy should the tuition payment be received after the due date.

- e. No other payment arrangements will be made through the school.
- f. Important Truth in Lending Act disclosures related to finance charges for the 10-month payment plan are available in “mySchool” with other re-enrollment documents or from the Pace Academy Business Office.

5. FINANCIAL RESPONSIBILITY - As stated in the Pace Academy Enrollment Contract, the parent(s) or guardian(s) signing the contract is (are) considered by the school to be financially responsible for the full amount of the annual tuition.

6. CANCELLATION OF ENROLLMENT

- g. **Withdrawal prior to July 1, 2020:** The Pace Academy Enrollment Contract may be canceled in writing by the financially responsible parent(s) or guardian(s) without penalty except for forfeiture of the non-refundable ATD.
- h. **Withdrawal on or after July 1, 2020:** If enrollment is canceled on or after July 1, the parent(s) or guardian(s) financially responsible for the student is (are) obligated to pay the full amount of the annual tuition charges as well as any other charges outstanding on account.
- i. **Withdrawal for non-payment:** If a student is withdrawn for reason of non-payment, Pace Academy reserves the right to withhold grades and/or an official transcript from a receiving school until all outstanding financial obligations to Pace Academy are paid in full. There is specific agreement among the Atlanta Area Independent Schools and it is part of the National Association of Independent Schools “Code of Ethics” that no school shall forward official records until the student’s account with that school is settled in full. There is further agreement that no school shall enroll a student whose account with another school is delinquent.

7. TIMELINESS OF PAYMENTS - A payment will be considered late and the full mandatory late fee will be due if payment is not received in the Pace Academy Business Office by the end of the business day on the due date.

8. **STATEMENTS OF ACCOUNT** - The addresses provided on the Pace Academy Enrollment Contract by the financially responsible parent(s) or guardian(s) will be considered your addresses of record unless the school is otherwise notified in writing. Email notifications will be sent by Pace Academy notifying you of the availability of electronic statements on the Pace Academy website through the mySCHOOL section of myPACE. The Pace Academy Business Office does not mail statements of your account to you at the address of record. Email notification will serve as your reminder to pay. Non-receipt of such notification does not change the requirement for you to make tuition payments on time in accordance with the payment schedule stated herein and on the current Pace Academy Enrollment Contract.
9. **RETURNED PAYMENTS** - Checks, e-checks or credit card payments returned by the bank for any reason constitute nonpayment of fees. In addition to the mandatory late fees that may result due to a returned payment, Pace Academy will impose a \$25 service charge for each returned item. Pace Academy reserves the right to require payment by cashier's check.
10. **OTHER CHARGES** - Charges for miscellaneous supplies or fees (i.e., trips, sports, debate, arts, graduation, Knight Crew, etc.) will vary according to the student's grade and participation and will be invoiced accordingly as incurred. Payment is due within 30 days of billing unless otherwise specified. Pace Academy reserves the right to charge a late fee on charges not paid within 30 days of billing.
11. **TUITION REFUND PLAN** - Pace Academy offers parent(s) or guardian(s) the opportunity to insure their contractual financial obligation for tuition through enrollment in the Tuition Refund Plan. At its sole discretion, the school may require that a family insure its obligation for payment of tuition through this plan. A brochure outlining this coverage is available in the "mySCHOOL" section of myPACE or through the Pace Academy Business Office.
12. **FINANCIAL ASSISTANCE AND SPECIAL CIRCUMSTANCES**
 - a. If granted, financial assistance from Pace Academy will be credited to the remaining balance due on the account.
 - b. Current recipients of Pace Academy financial assistance are required to re-apply for assistance by February 15, 2020. The required non-refundable ATD is due on or before March 1, 2020. The amount of the ATD will be either: 15% of the prior year's

tuition less the financial aid grant or \$100, whichever is greater. Returning students not currently receiving financial assistance who are applying for aid will be required to make the full ATD on the enrollment contract by March 1, 2020. Should the financial assistance offer be insufficient for the student to return to Pace Academy, the ATD will be refunded less a \$100 processing fee if the grant is not accepted by April 16, 2020. New students applying for financial assistance will be required to make an ATD in the amount of 15% of the tuition due less the financial aid grant or \$100, whichever is greater. This deposit is due immediately upon acceptance of the financial aid grant, on or before April 16, 2020, for the student to be enrolled.

13. OTHER

- a. I agree that Pace Academy may use any likeness of the student, siblings, and/or other family members on the Pace Academy website or other promotional materials, without restriction or compensation.
- b. I agree that audio or other recording of any administrator, staff, teacher, student, parent, Board member or other person associated with Pace Academy without that person's permission is a violation of that person's right to privacy and a violation of the Pace Code of Respect. I hereby agree not to engage in such conduct.
- c. Pace Academy reserves the right to remove a student from enrollment at any time if, in the judgment of school administrators, that student's industry, attendance, progress, conduct or influence on or off campus is not in keeping with the school's accepted standards, or if that student fails to abide by the rules and policies of Pace Academy as stated in the current edition of the Pace handbook. There will be no refund of any tuition or fees paid where such withdrawal occurs. Furthermore, any unpaid balance on the student account will be payable in full in accordance with our published payment schedule and terms.
- d. If information developed or considered after the enrollment contract date but prior to July 1, 2020, suggests the inappropriateness of attendance in the school by the student concerned, the school reserves the right to withdraw an offer of re-enrollment or new enrollment and to void the executed enrollment contract. In such a case, the entire liability of the school is limited to the refund of monies on deposit in the student account in excess of any outstanding balance due.

- e. If Pace Academy feels parent dissatisfaction is such that the student's and/or the school's best interests are being harmed, Pace Academy reserves the right to ask the parent to withdraw the student from the school.
- f. Partnership with parents, students and faculty is one of our core values. Pace Academy's policy is to conduct periodic criminal background checks for volunteers who have direct, frequent contact with the children in our care. Background checks are conducted in a fair, consistent and non-discriminatory manner, complying with applicable state and federal laws and guidelines. If parents elect to volunteer to serve in a student-facing role, Pace Academy reserves the right to contact you regarding the necessary background check to continue volunteer duties.
- g. Graduation: At the time of graduation, if a graduating student's account reflects an unpaid balance, the school reserves the right to withhold final grades and/or an official final transcript, to withhold a diploma or to otherwise decline to certify the student's graduation until all outstanding obligations to Pace are fully paid.

14. NONDISCRIMINATORY PRACTICE - Pace Academy does not discriminate on the basis of race, color, gender, national origin, religion or disability in the recruitment or admission of students or in any of the rights, privileges, programs or activities generally accorded or made available to students or applicants. This nondiscrimination policy extends to the administration of admissions policies, financial assistance programs, academic programs, athletic programs, educational policies and all other programs, policies and activities of the school. In addition, Pace Academy is an Equal Employment Opportunity employer and does not discriminate on the basis of race, color, gender, national origin, religion, age or disability in any employment policy or practice.

15. TUITION PAYMENT POLICY - By action of the Pace Academy Board of Trustees, there will be no exceptions made to the tuition payment policies delineated herein.

Advancement

The Pace Advancement office is responsible for institutional fund raising, stewardship, gift processing, alumni relations and maintaining the database of constituents and its integrity. The director of advancement oversees all activities of the department and reports to the head of school. The director provides direction and leadership to the staff in carrying out

the goals of the Advancement office. In addition, he/or she works closely with the staff, Advancement Committee of the Board of Trustees, the Alumni Board and parent organization leaders. The Advancement office also works with the Advancement Committee and the Board of Trustees on capital campaign planning and fundraising efforts.

As an independent school, Pace Academy depends on private funding. Because tuition only provides approximately 90 percent of each student's education, the Advancement office seeks and receives funds from individuals, corporations and foundations through the annual fund, planned giving, capital campaigns, endowed giving, parent organizations and the Georgia Tax Credit program. The Advancement office is responsible for soliciting, receiving and processing all charitable gifts to the school. Generally, these tax-deductible gifts consist of cash or checks, securities, tangible personal property, real estate, bequests and charitable trust arrangements. To ensure tax deductibility and proper gift recording and acknowledgement, all gifts should be coordinated through the Advancement office. All fundraising projects must be approved by the Advancement office and may be conducted independently by student and parent groups.

Communications

The Communications office is responsible for the school's website, marketing, communications, publications, advertising, social media and public relations. This office coordinates commercial printing, writes and designs the *KnightTimes* magazine and other print pieces, ensures messaging and sets Pace style standards. Management of the Pace Academy website, www.paceacademy.org, includes content, training and publishing Pace weekly School News and eBlasts. All documents (printed or electronic) distributed by the school must be proofread, branded and approved by the Communications office to ensure consistency with school standards. The Communications office conducts a public relations program to create and maintain a favorable public image for Pace Academy.

Emergency Communication

In an emergency, the community will receive a text message and information will be on the homepage of the website. We will send what our power and technology resources allow. When the school's power and phones are down, we are not able to send email, voice mail or leave recorded messages. If the power is down, the Pace phone system does not function. If a text message is sent the caller ID screen will be 23177 or

63079. We will keep the website homepage updated with the most recent information. Local TV and radio stations will be informed if we are closed.

To ensure receipt of all emergency communications, community members must maintain accurate contact information with the school. Contact information may be updated via myPACE.

A Note Regarding Asbestos

Pace Academy conducts asbestos inspections at least once each year. We have documented through a thorough asbestos survey conducted by an AHERA accredited asbestos inspector, where asbestos containing, suspect asbestos containing and/or assumed asbestos containing building materials are located on our campus. The asbestos management plan documents plans for managing and maintaining the asbestos containing building materials in-place and/or plans for removal activities. The reports associated with the asbestos inspection, three-year re-inspections, periodic surveillances and operations and maintenance recommendations are all documented in the asbestos management plan.

The plan is available for review in the Facilities Office. Contact Dave Fortier or Wes Fortier for additional information.
