

6th Grade Reading and Language Arts Remote Learning Plans

All information will be sent through [Google Classroom](#), including a weekly agenda for the students and their parents to know what is planned throughout the week.

Students will use the following programs:

- [USA Test Prep](#)
- [Study Island](#)
- [IStation](#)

The first day of the week will be an online meeting through Zoom with all four reading and language arts teachers. The link to this meeting will be sent through Google Classroom. During this meeting we will check in with the students to see how they are doing. We will also review a reading skill that will be our primary focus for the week.

The rest of the week we will assign skill related activities through Study Island, USA Test Prep, and skill practice games/worksheets.

Student Logins:

Google Classroom: You may download the Google Classroom App for free from your app store.

Username Student Email: [firstname.lastname@stu.altusps.com](#)

(ex: [tmitchell@stu.altusps.com](#))

Password: apslunch#

(ex: aps11111)

The students are already entered in their reading teachers Google Classrooms
