

# Community

At CARDEN we pride ourselves on our commitment to give back to the community and to instill such values in our students. Spirit Teams bring together students from all grade levels to focus on philanthropic projects. Students participate in food and toy drives as well as worldwide emergency relief efforts, to name a few. In these ways our children experience firsthand the joy and importance of giving back.

*“Doing for others  
and caring for the  
welfare of others earn the  
reward for which the  
whole world is seeking.  
That reward is happiness.”*

*Mae Carden*
