# FAFSA - School Selection

- Look at more than one!
- Schools will only be allowed to see your financial information when you list them on the FAFSA
- **You can add up to 10 colleges at a time**
- **NOTE:** Once your final decision is made, update your PA Grant information with the school you **WILL** attend.

The screenshot shows the FAFSA 'School Selection' page. The navigation bar at the top includes 'Student Demographics', 'School Selection' (highlighted in red), 'Dependency Status', 'Parent Demographics', 'Financial Information', 'Sign & Submit', and 'Confirmation'. The main content area has a blue header 'School Selection'. Below it, there is an information box with a blue 'i' icon: 'Larry, based on the information you provided, we have determined that you may qualify for federal student aid. Continue through the application for us to determine how much aid you can receive.' Below that is a green-bordered box with a green checkmark icon: 'Application was successfully saved.' (circled in red). Below this is a text box: 'You can add up to 10 colleges to your FAFSA. If you know your college's school code, use the option to the right to search. If you need help finding your college, use the state (required), city (optional), and school name (optional) fields to begin your search.' Below the text box are search fields: 'State' with a dropdown menu (set to 'Select'), 'City' with a text input field and '(optional)' label, and 'Federal School Code' with a text input field. There is an 'OR' separator between the City and Federal School Code fields. A red arrow points from the text 'You can add up to 10 colleges...' to the left, pointing towards the corresponding bullet point in the list on the left side of the slide.

# IRS Data Retrieval Tool

After taxes are filed:

- Automatically pulls in IRS Tax info for parents and students and places data into the FAFSA
- ALSO in Student Section, if student is filing taxes
- If estimated income is used to complete the FAFSA, go back later and use IRS Data Retrieval Tool

The image shows a computer monitor displaying the IRS Data Retrieval Tool interface. The browser address bar shows 'IRS.gov'. The page title is 'Get My Federal Income Tax Information'. Below the title, there is a link to the 'Privacy Notice' and a note about the request for personal information. The main heading is 'Enter the following information as it appears on your <YYYY> Federal Income Tax Return.' followed by a 'Required fields' indicator. The form contains several fields: 'First Name' (Joe), 'Last Name' (Smith), 'Social Security Number' (\*\*\*-\*\*-6789), 'Date of Birth' (01 / 04 / 1990), 'Address' (with sub-fields for P.O. Box and/or Street Address), 'Apt. Number (Required if it appears on your tax return)', 'Country' (United States), and 'City, Town or Post Office'.

# Forms Are Filed – Now What?

What's  
**NEXT?**

# What Happens Next?

## FAFSA

- EFC calculated
- Student Aid Report for student

## Schools PHEEA

- Receive FAFSA results and check for eligibility for financial aid

## Financial Aid Notifications

- Schools send to students offered admission
- Students compare costs vs aid

# How is EFC Calculated?

In theory, the EFC is a number calculated to measure and compare the general financial strength of all families applying for aid - it is **NOT** the amount you are expected to pay. The EFC remains the same no matter which school the student attends.

- **Expected Family Contribution (EFC) is determined based on:**
  - ❖ Parent income and assets
  - ❖ Student income and assets
  - ❖ Family size
  - ❖ Number in college
  - ❖ Age of the older parent

This is NOT necessarily the amount you will pay each year!

# Calculating Financial **NEED**

## 1. Using FAFSA calculations:

School Cost .....	\$29,000
<b>-EFC</b> .....	<u>-\$ 4,000</u>
<b>FINANCIAL NEED</b> .....	\$25,000

2. FAO “**packages**” students based on financial need and available funding (varies by school)

3. Financial Aid Notification is sent to the Student

**NOTE: EFC Stays the same, costs vary**

# Special Circumstances

**If things change....*contact the Financial Aid Office***

- Divorced or separated parents
- Recent death or disability
- Unemployment
- Reduced income

- ✓ **Only a school can change a FAFSA related to special circumstances**
- ✓ **Decisions are final and cannot be appealed to U.S. Department of Education**
- ✓ **Contact PHEAA for PA State Grant reconsideration**

# Financial Aid Notification

- Official notification from school about financial aid, terms and conditions
- Lists each type of aid and amount to be received
- Describes what must be done to accept or reject any type of aid
- Discloses students rights, responsibilities and academic requirements
- There is no required standard format for Financial Aid Notifications

# Reviewing the Financial Aid Notification

After reviewing their notifications, students should be sure they know and understand the following:

How much of the financial aid is free money?

Which types of aid are based on need, and which are based on merit?

Are there any conditions on the free money? GPA requirement?

Will financial aid increase as tuition increases?

Will eligibility change from year to year?

Will loans be needed?
