

**In Honor of Veterans Day, Columbia
Elementary is Collecting Coloring Books and
Crayons for the Children of Morocco**

A father of some of our students belongs to a Medical Unit from the Utah Air National Guard that will be traveling to Morocco in the summer of 2021 to provide health care to villages in the remote areas of the country. The National Guard Airmen will be distributing the coloring books to families as they wait in line for medical treatment.

Donations accepted

October 12th thru November 11th

Please send your donation to school with your student
