

MUSTANG CLINIC

*A health resource available to
Friendswood Independent School District (FISD)
employees, their spouses and children*

Friendswood Independent School District (FISD) and the University of Texas Medical Branch (UTMB Health) share a tradition of innovation and partnerships. Working together, FISD and UTMB Health offer special minor illness services for all FISD employees, their spouses and children from two convenient Friendswood locations (including a **NEW** clinic offering women’s services).

Program benefits:

- Same day appointments
- Clinical provider dedicated to program
- \$10 fee per visit
- Convenient wallet card with services, hours and contact numbers
- Access to MyChart, UTMB Health’s electronic medical record system for lab results, secure communication, prescription refills and much more.
- UTMB Access Center: Available 24/7 to help schedule appointments, answer health questions or connect you with a nurse.

128 W. Parkwood Ave.

1505 Winding Way Drive
