## 2020 - 2021 SCHOOL PROFILE

### The School

- An International Baccalaureate World School, Carrollwood Day School was founded in 1981 and currently serves students from age two through 12th grade. In May 2009, the school graduated its first senior class. CDS is recognized nationally for its academic excellence and its innovative school-wide emphasis on character development. The curriculum for Carrollwood Day School follows the guidelines established by the International Baccalaureate (IB) Organization in Geneva, Switzerland in 1968. **CDS is one of only 16 private schools in the United States authorized to offer the curriculum / continuum of IB programmes from early childhood through college preparatory.** In 2020, CDS was inducted into the Cum Laude Society, the highest and most prestigious academic honor society a secondary school can earn in the U.S. The school emphasizes performance, collaboration, and moral character, believing in the importance of building an ethical learning community to define its students as the future leaders of a global society.

## International Baccalaureate Programme

Carrollwood Day School is honored to partner with the International Baccalaureate Organization (IBO) to create a better world through education. Carrollwood Day School is the only school on the west coast of Florida to offer the full five-year MYP curriculum. CDS has been an IB World School since March 2005 and was the sixth school in the United States fully authorized to offer the continuum of Primary Years Programme (PYP) - Middle Years Programme (MYP) - Diploma Programme (DP) curricula and the first IB World School in Florida to achieve this distinction. IB at CDS begins with the PYP in the Lower School with students in preschool through grade 5. The PYP emphasizes the interrelatedness of knowledge and skills through a transdisciplinary program of inquiry providing a strong foundation for the rigor of the MYP and DP programmes in grades 6 through 12.

### Middle Years Programme (MYP): Grades 6 - 10

The MYP helps students develop learning attitudes and skills that will enable them to participate actively and responsibly in society. Learning how to evaluate information critically is as important as learning facts. The students' experience with the MYP culminates in their sophomore year with a yearlong Personal Project where students choose and explore a topic of their choice that showcases their unique interests and talents.

### Diploma Programme (DP): Grades 11 - 12

The IB Diploma Programme is a rigorous pre-university course of studies that meets the needs of highly motivated secondary school students. Unlike most IB schools, at CDS the IB Diploma Programme is designed to be inclusive so a student can register as a full IB Diploma Candidate or as an IB Course Candidate, based on his or her individual needs for academic rigor.

### Requirements of the IB Curriculum

#### 9th and 10th Grades (Middle Years Programme):

- Minimum of 8 courses (5 core) per semester
- At least 25 hours of community service per year
- Completion of the Personal Project consisting of a process journal, a final product and a personal statement
- The study of at least 2 languages (language of instruction and additional language of choice) as well as design technology and fine arts courses each year

#### 11th and 12th Grades (Diploma Programme):

- Minimum of 6 core courses per semester
- **Extended Essay (EE):** 4,000-word research essay on a topic of special interest
- **Theory of Knowledge (TOK):** 1-credit Philosophy course with a required presentation and 1,600-word essay
- **Creativity, Activity, Service (CAS):** 18 months of continuous hours in artistic pursuits, athletics, and/or community service work for appreciation of life outside the classroom
