GOAL #1: Lakeside Elementary Students will show growth based on the school average MGP (Median Growth Percentile) of at least 1 additional percentile rank or better from the most recent year's state summative testing in all academic areas as measured by the 2021 State Summative Assessment. This includes Language Arts, Math, and Science.

GOAL #2: Based on Acadience Reading MOY data, 75% of Lakeside Elementary Students in grades K-3 will make "Typical" or better progress according to Acadience Pathway of Progress Composite score.

GOAL #3: Decrease students contemplating suicide and increase self-esteem. Through the use of increased emotional support, including implementing a growth mindset curriculum and mindfulness training, students will increase proficiency scores on district and state end of year testing by 1%.
