

MOUNT ST. DOMINIC ACADEMY,
established by the Sisters of St.
Dominic of Caldwell, is a Catholic,
college preparatory school for young
women. We are dedicated to the
education of young women from a
variety of ethnic, religious and
economic backgrounds.

The Mount community is committed to seeking the Truth
in all aspects of life. The students are able to realize their
individual gifts and talents in an atmosphere that fosters
academic excellence, respect for diversity, appreciation
for the gifts of creation, moral integrity and a heritage
rich in Christ-centered values.

ON BEHALF OF THE LEADERSHIP TEAM of the Sisters of St. Dominic and the Board of Trustees, I am happy to present you with our 2019-2020 Mount St. Dominic Academy Annual Report. The pages that follow represent an account of the generous philanthropic donations we have received from our community throughout this historic and unprecedented year.

The support the Mount received from our immediate and extended community this year is displayed in many forms. The most simple to illustrate is the incredibly generous financial support that comes from our present-day and alumnae families, alumnae, staff, faculty and friends in support of The Mount Fund, the annual Day of Giving, the Take a Seat campaign, and most recently, the critically important emergency tuition assistance program – the Caritas Fund – launched in response to the immediate need caused by the COVID-19 pandemic. More difficult to quantify yet equally significant, is the support that comes in the form of time, talent and dedication. Our hardworking and passionate volunteers who support the Mount – from working on large-scale productions like The Taste of Broadway to creating more intimate activities like teacher appreciation lunches – enrich our school in myriad and immeasurable ways.

Every dollar donated and every hour volunteered, has a direct impact on the lives of the Mount's students, and helps the school's faculty and staff create and attract innovative programs aimed at empowering today's students and inspiring tomorrow's leaders. The 2019-2020 school year began with the successful launch of The LEO Program, a two-year intensive, taught by faculty and business experts, encompassing the full life cycle of creating a business or product from ideation to launch, with the focus on leadership, entrepreneurship, and opportunities. In further preparation for the world beyond high school, two endorsement programs – similar to a major in college – were added to the curriculum in the fields of health sciences and social justice. An immersive trip to London was on the calendar, as were numerous service projects, competitive sports schedules and many traditions, events, and milestones. Then, drastically and unexpectedly, the world changed. The arrival of the coronavirus led to a short-term shift to online learning, which turned into a long-term pivot to a fully remote conclusion of the school year. And yet, our students, faculty and staff persisted. The instruction and learning continued and the school year was completed. 80 seniors selected their colleges and earned more than \$17 million in scholarships.

Life as we knew it has changed forever, but the values, dedication and caring of the Mount community persevered. And even in the face of personal challenges – so did your generosity, and we are eternally grateful.

May God bless you and keep you safe,

A handwritten signature in dark ink, appearing to read 'S. Frances'.

The Caritas Fund – With Sincere Gratitude for Your Support

Over the past nearly 130 years, the Sisters of Saint Dominic, along with the students and families that have become part of Mount St. Dominic Academy, have persevered through times of great adversity. True to the foundation of the Dominican pillar of "community," the response to The Caritas Fund – launched this spring to provide critical tuition relief to current families who have been most severely impacted by the coronavirus – has been heartwarming. A single parent working in healthcare and fighting through their own personal battle with COVID19, a family where one parent lost their job and the other parent's income was drastically reduced, and yet another family where both parents saw their jobs lost due to the pandemic – the generous donations from Mount families, friends and alumnae listed below, have made it possible for the students from these impacted families to continue on in their academic journey. As the global health crisis continues, and the significant challenges for families persist, The Caritas Fund will carry on. For more information, please visit the Mount website, or contact the MSDA Development office at development@msdacademy.org.

Doris M. Byrne Performing Arts Center

Take a Seat Campaign

The MSDA Take a Seat Campaign provides an opportunity to honor a family member, friend or teacher in a visible and meaningful way, by dedicating a seat in the Doris M. Byrne Performing Arts Center. Each engraved plaque, placed on the arm of a theater seat in the PAC, serves as a lasting tribute for years to come. Thank you to all of the 2019-20 donors to this important campaign. Funds raised from your donations to the Take a Seat campaign have a significant impact on the Mount, long after the final curtain call.

MOTHER CATHARINE SOCIETY

Where would the Mount be today if Mother Catharine Muth had not planned for the future? Mother Catharine was prioress of the Sisters of St. Dominic in Jersey City during a tuberculosis outbreak in the late 1800's. She had the foresight to move some of the sisters to a hilltop in Caldwell and to establish an educational institution, Mount St. Dominic Academy. Mother Catharine wanted to ensure that the good works of the Sisters of St. Dominic would continue long after she was called home to God. The Mother Catharine Society recognizes those who share her vision and support the Mount into the future with a planned gift.

You can become a permanent member of the Mother Catharine Society by making a planned gift to the Mount, such as naming the Mount as a beneficiary in your will or life insurance policy or by establishing a life income trust, gift annuity or other special deferred gift plan. These gifts bolster the financial strength of Mount St. Dominic Academy so that our mission of educational excellence and empowering young women endures for generations to come. Want to know more about planned giving? Please visit our website, www.msdacademy.org, and click on the Donate button. If you have already included the Mount in your estate planning, please contact the Development Office (ttaylor@msdacademy.org or 973 226.0660 ext. 1130) so that we can include you in this society. If you prefer, your membership can remain anonymous.

There are so many ways to give to the Mount. For more information on these (and ways to honor or remember someone special) contact the Development Office.
