

Arcadia School District

COVID-19 Attendance Guidelines

I should not attend in-person school or activities if:

<p>A</p> <p>I have 1 of the following symptoms above baseline in the past 24 hours:</p> <ul style="list-style-type: none"> ● Cough ● Shortness of breath ● Difficulty breathing ● Loss of taste or smell ● Fever of 100 or higher ● Vomiting * ● Diarrhea * 	<p>OR</p>	<p>B</p> <p>I have 2 of the following symptoms above baseline in the past 24 hours:</p> <ul style="list-style-type: none"> ● Headache ● Body aches ● Fatigue ● Chills ● Congestion ● Runny nose ● Sore throat ● Nausea 	<p>OR</p>	<p>C</p> <p>I am a close contact of a confirmed COVID-19 case, meaning:</p> <p>Had direct physical contact, were within 6 feet of the person for 15 cumulative minutes in a day, or had contact with the person's respiratory secretions (coughed/sneezed on or shared drinking glass/food)</p>
--	------------------	--	------------------	---

*NOTE - if the **ONLY** symptom is vomiting **OR** diarrhea - student should be excluded until diarrhea free or no vomiting for 24 consecutive hours. However, it does not necessarily indicate the need to test for COVID-19 or for COVID isolation. Contact your child's primary care provider for guidance.

When can I return to in-person school or activities?

<p>Positive COVID-19 Test</p> <p>May return after being released from the Health Department AND at least 24 hours fever & symptom free without the use of medication.</p>	<p>No COVID-19 Test</p> <p>May return after 10 days since 1st symptom AND at least 24 hours fever & symptom free without the use of medication OR with a doctor's note</p>	<p>Negative COVID-19 Test</p> <p>With proof of results AND at least 24 hours fever & symptom free without the use of medication, unless you are quarantined due to a close contact.</p>
---	---	---

Individuals should follow all isolation and quarantine periods provided by the Trempealeau County Health Department. Case-by-case determinations may alter the isolations or quarantine recommendations.

Close Contact to COVID-19

After 14 days from date of last exposure, with none of the symptoms in box A or B above.
