Slough and Eton has an exciting opportunity for support assistants to join our excellent English as an Additional Language (EAL) department. We are growing the team and have a post available working to support our EAL students across the curriculum. The successful applicant will be specialist support assistant and will provide support to students so they can achieve their very best.

The position will involve supporting in class as well as with small groups of students and sometimes 1:1. You will be expected to support students across Years 7 – 13. We think this is a great opportunity for someone interested in a career in teaching in the future and are keen to provide training to facilitate that for the right candidate.

Experience or qualifications in working with EAL students are desirable but not essential as we will provide the necessary training. Candidates who have TEFL training or who are bilingual/multi-lingual would be at an advantage. In all cases a Level 2 qualification in Maths and English is essential and Level 3/degree qualifications hugely desirable.

Slough and Eton is a great school on the outskirts of Slough, which serves the Chalvey community. We are relentlessly focused on ensuring great teaching, learning and experiences are at the core of what we do. It's an exciting time for us and our students are a pleasure to work with.

If you are interested in finding out more then please read the welcome letter from our Headteacher and feel free to visit the school in advance of applying. We are, of course, committed to safeguarding the welfare of our students and staff and will conduct all necessary DBS checks as part of our recruitment process.

We look forward to hearing from you.
