Quarter 1 Grades for Periods 1-3

The end of the grading period for periods 1-3 is October 9th. Please be sure to check your student's progress on Skyward. More information regarding assignments and class requirements can be found on Google Classroom. We encourage you to have your student show you their Google Classrooms and the work they have been doing for class.

Please share your Feedback

We appreciate the input you've provided to help us start out the 2020-21 school year. Please continue to give us your input by sharing your thoughts about what is working and in what areas you need more support. Using Thoughtexchange, you'll be able to provide your thoughts, look over and provide feedback on others' ideas, and see a snapshot of the conversation.

It is important for each person to be respectful in these conversations. We encourage each person to share their thoughts and then "star" (by rating) 20-30 others' thoughts.

The Thoughtexchange link will be open until Friday, October 9. We look forward to hearing from each of you through this tool as we work together for the 2020-21 school year.

Deadline for Changing Your Choice of Distance or Hybrid

As we plan for Quarter 2 (beginning Nov 16), we ask any families who would like to switch between the available learning models for their child(ren) to let us know before Friday, Oct. 9. Those who are currently in Distance Learning may request a change to Hybrid Learning and those who are currently in Hybrid Learning may request a change to Distance Learning.

The learning model change request should be made through [this form](#). Those who wish to remain in their current learning model DO NOT need to reach out. Similarly, there will be a deadline in December for those families who would like to switch the learning model for their child(ren) to begin Quarter 3.

While we will work to accommodate all change requests to begin in the new learning model on Nov. 16, we will need to ensure space availability before a switch into the hybrid learning model can be confirmed. Buildings will contact families who have requested a change with confirmation of the change or additional information by Monday, Nov. 2.
