LOCATION of AEDs at OLGC An AED (automated external defibrillator) is a lightweight and battery powered piece of medical equipment that can be potentially lifesaving. An AED is used to treat ventricular fibrillation, the most common cause of sudden cardiac arrest. Anyone is a potential victim of sudden cardiac arrest, man or woman, young or old. Survival of a sudden cardiac arrest is related to how quickly a victim is defibrillated. AED units are seen in most public places such as libraries, swimming pools, airports, shopping malls... and OLGC.

OLGC has six AED units located in the following areas:

- * Narthex of the Church (close to De Sales Hall)
- * Preschool (lower level of De Sales Hall)
- * St. Joseph Center (in the stairwell going up to the second floor)
- * School outside the Health Clinic (close to the main entrance)
- * School outside the gym
- * 2nd floor of the School by the elevator close to the resource and math rooms

These AED units are ready to be used in case of an emergency. Even in this era of the COVID pandemic, fear should not prevent you from using hands only CPR and AED to give another person a chance at life. The risk of contracting COVID is extremely low.

Join Cub Scouts Pack 976! OLGC has a Cub Scout pack for any Kindergartener - 5th grader. We have developed an approach to deliver the scouting program in a meaningful way that provides an ability for the kids to engage with each other, progress in their ranks, and have fun. Feel free to forward this information to anyone else you know who is interested in joining Pack 976! <http://pack976.scoutlander.com/> Please reach out if you need any help. Power Pack Drive: The [Power Pack Program \(P3\)](#) is a [Food for Others](#) program that provides supplemental weekend food to a large number of students in Fairfax County public elementary schools. - Drop off your items on Sat. Oct. 24th 8am - 6pm & Sun. Oct 25th 7am - 5pm in front of DeSales Hall. Donations will NOT be accepted at OLGC until that weekend.
- SignUpGenius lists will be posted to solicit specific donations for the "power packs."
- Volunteers are needed to accept donations, fill the bags, deliver them to Food for Others - SignUpGenius list coming. The plan is to accept donations and fill the packs that same weekend. The packs will be delivered to Food For Others on Monday, October 26th.
- Contact: olgswomen2019@gmail.com

The third will be "Just Breathe!" a breath and meditation break by Katie Courlander. And last, "COVID-19 Impact" with Angela Bailey, Executive Director of Kensington Reston Senior

Living.

Call no later than Noon tomorrow to register your name and email address via the SC hotline, 703-281-0601. A ZOOM invitation will be emailed to you. Additional sessions will be presented on November 10 and December 8 at the same time. Details to follow!

TRIPS – We may have had to cancel trips, but that doesn't mean you can't experience the world from your home. Virtual field trips are a fun and educational way to visit places virtually and keep "travel" going. Vienna Parks and Recreation has gathered together several virtual field trips that you can take from the comfort of your home, and wish you Happy Travelling! Some of the places you'll be able to "visit" are The Great Wall of China, The Great Sphinx of Egypt, Yellowstone National Park, Buckingham Palace, the Van Gogh Museum in Amsterdam, the Vatican, the Louvre in Paris.... are you getting excited? Call the Vienna Community Center, 703-255-6360, to learn how to access these famous world sites at no cost. No worries about getting "Montezuma's Revenge" or going through airport inspections, delayed flights, or rainy weather! (However, popcorn is not included.)
