

1st October 2020

Virtual Sixth Form Open Evening:
Welcome to the Sixth Form at Brighton Girls.

Dear Parents/Guardians,

You are warmly invited to Brighton Girls' Virtual Sixth Form Open Evening at 6.30pm on Wednesday 21st October 2020.

At Brighton Girls, innovative teaching, reimagined classroom spaces and a keen sense of social responsibility, make our school a place where young women can truly learn without limits.

As a member of our Brighton Girls' community you can be assured of the very best individualised academic support for your daughter to reach her full potential; but being a member of our Sixth Form is much more than this. At Brighton Girls your daughter will be guided to develop her identity as an individual, a member of the school and the wider community.

We have developed exciting links with a variety of partners to ensure your daughter's exposure to the real world is second to none. From power tools and upcycling with Charis Williams (Channel 4 Salvage Sister), to VR trading floors at Sussex University to curating an art show with Fabrica - Brighton Girls has the ability to truly engage and inspire.

Our young women leave here courageous, because they know where their strengths lie; they act with kindness, because they appreciate the value of community. Above all, we hope that they will develop the confidence and the character to go out and make a positive difference in the world, understanding that the real impact is felt when courage and kindness combine.

Please sign up for our Virtual Open Evening to learn more [here](#). Please do also contact us to attend our taster days or to arrange an individual family tour of the school [here](#). Please find further information regarding our school, A-Level offer and bursaries and scholarships [here](#).

Yours faithfully,

Rosie McColl
Head Teacher
