To: All Area High School Guidance Counselors

The Greater KC Crime Stoppers TIPS Hotline and the Metropolitan Police Chiefs and Sheriffs Association are sponsoring a scholarship contest for high school students. The winners, one each from the Missouri and Kansas areas of the community, will each receive a \$1,000 scholarship. The winners will be awarded a certificate and upon determination of a college or vocational school to be attended by the student, a \$1,000 check will be sent to the school in the student's name to be applied toward his/her tuition or general account.

To be eligible, the high school student must be a senior of good character with no criminal background. He/she must be recommended, in writing, by at least two faculty members. The recommendation must state the student's accomplishments, grade average, class standing, activities and the reasons he/she deserves this award. This recommendation should be no longer than two typewritten pages.

Each student entered must submit a typed essay of 750 to 1,000 words on the topic, **“Is the ‘defund the police’ movement a viable alternative to the current way policing is administered in the United States? What alternative means are available to take the place of police?”**

While content and clarity of thought is of primary importance, **CONTESTANTS** should be aware that grammar and spelling as well as cited sources **WILL BE** considered when scoring the essay. Contestants, as college bound high school seniors, are encouraged to seek out editors for their papers as well as to proof their own work. Do not include any visual aids, graphics or other supporting documents.
