- *Any individual who requires disability-related accommodations or modifications, including auxiliary aides and services, in order to participate in the Board meeting should contact the Superintendent in writing.*

Hanford Elementary School District

INDEPENDENT CITIZENS' BOND OVERSIGHT COMMITTEE

September 14, 2017 5:00PM

HESD District Office Board Room

714 N. White Street, Hanford, CA

Others Present

Joy Gabler, Superintendent
David Endo, Chief Business Official
Jason List, Isom Advisors

Welcome

Joy Gabler started the meeting at 5:05. She thanked and welcomed the committee members to the Oversight Committee. All members were present.

Introductions

The Committee introduced themselves and discussed their connection to the Hanford Elementary School District and reasons for serving on the committee.

Public Comments

None

Discussion of the Role of the COC

David Endo reviewed the purpose and role of the Committee with the primary role to inform the public of the bond expenditures and report the District's compliance with the laws underlying the Prop 39 bond.

Election or Appointment of Officers

Joy Gabler solicited interested members in being the Chairperson. After some discussion, Brandon Schmitt was appointed the Chairperson. The Chairperson opened nominations for Vice-Chairperson in which Krystal Calderon was nominated by Larry Wait. The committee was in unanimous approval.

Selection of Terms for Members

In accordance with the bylaws, the committee drew lots to determine the initial term duration. Brandon Schmitt and Juan Hernandez-Cruz drew 1 year terms. The remainder of the committee will serve a 2 year term.

Selection of Future Meeting Dates

March 8, 2017 was selected as the next meeting.

Report on Sale of Bonds Jason List from Isom Advisors reviewed the sale of the series A bonds. He highlighted the District's A+ rating by the rating firm Standard & Poor's. He also reviewed that the bonds carry a true interest cost of 3.67% and the debt repayment ratio was 1.77:1.

Overview of Bond Program Jason List continued to discuss the issuance of remaining \$15.2 million of bond authorization. He indicated the sizing of the next series of bond issuance would be determined by the growth in assessed valuation as the District cannot exceed the debt level of \$54.85/\$100,000 in assessed valuation.

Overview of Bond Projects David Endo passed out a spreadsheet of the current Measure U bond projects that will likely exhaust the first series of bond proceeds. Renderings of the projects were presented and discussed.

Other Comments/Business None.

Adjournment The meeting was adjourned at 6:16.

Approved:

Brandon Schmitt, Chairperson

Krystal, Calderon, Vice Chairperson

VALUE THE *difference*

December 8, 2017

To the Hanford Elementary School District
Governing Board and
Citizens' Oversight Committee
Hanford, California

We have audited the financial statements of the Building fund (Measure U) of Hanford Elementary School District for the year ended June 30, 2017. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards (and, if applicable, *Government Auditing Standards* and Uniform Guidance), as well as certain information related to the planned scope and timing of our audit. We have communicated such information to you in our engagement letter dated April 25, 2017. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Hanford Elementary School District are described in Note 1 to the financial statements. There were no changes in accounting policies in the current year. We noted no transactions entered into by the District during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no sensitive estimates affecting the Building fund financial statements.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no corrected or uncorrected misstatements of the financial statements.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated December 8, 2017.

Management Consultations with Other Independent Accountant

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the District's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the District's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Hanford Elementary School District Governing Board and Citizens' Oversight Committee and management of Hanford Elementary School District and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

Governing Board and
Citizens' Oversight Committee
Hanford Elementary School District
Hanford, California

Report on the Financial Statements

We have audited the accompanying financial statements of the Hanford Elementary School District's (the District), Building Fund (Measure U), and the related notes to the financial statements, as of and for the year ended June 30, 2017, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of financial statements, whether due to error or fraud. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall financial statement presentation.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Building Fund (Measure U) of the Hanford Elementary School District at June 30, 2017, and the changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the Building Fund specific to Measure U, and are not intended to present fairly the financial position and changes in financial position of Hanford Elementary School District in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Our audit was conducted for the purpose of forming opinions on the financial statements of the Hanford Elementary School District's Building Fund (Measure U). The accompanying supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements.

The accompanying supplementary information is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 8, 2017, on our consideration of the District's Building Fund (Measure U) internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's Building Fund (Measure U) internal control over financial reporting and compliance.

HANFORD ELEMENTARY SCHOOL DISTRICT BUILDING FUND (MEASURE U)

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2017

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Hanford Elementary School District's (the District) Building Fund (Measure U) conform to accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB) and the American Institute of Certified Public Accountants (AICPA). The Hanford Elementary School District Building Fund accounts for financial transactions in accordance with the policies and procedures of the California School Accounting Manual.

Financial Reporting Entity

The financial statements include only the Building Fund of the Hanford Elementary School District used to account for Measure U. This Fund was established to account for the expenditures of general obligation bonds issued under Measure U. These financial statements are not intended to present fairly the financial position and results of operations of the Hanford Elementary School District in compliance with accounting principles generally accepted in the United States of America.

Fund Accounting

The operations of the Building Fund are accounted for in a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures. Resources are allocated to and accounted for in the fund based upon the purpose for which they are to be spent and the means by which spending activities are controlled.

Basis of Accounting

The Building Fund is accounted for using a flow of current financial resources measurement focus and the modified accrual basis of accounting. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. The statement of revenues, expenditures, and changes in fund balance reports on the sources (revenues and other financing sources) and uses (expenditures and other financing uses) of current financial resources.

Budgets and Budgetary Accounting

Annual budgets are adopted on a basis consistent with accounting principles generally accepted in the United States of America for all governmental funds. The District's governing board adopts an operating budget no later than July 1 in accordance with State law. A public hearing must be conducted to receive comments prior to adoption. The District's governing board satisfied these requirements. The Board revises this budget during the year to give consideration to unanticipated revenue and expenditures primarily resulting from events unknown at the time of budget adoption. The District employs budget control by minor object and by individual appropriation accounts. Expenditures cannot legally exceed appropriations by major object account.

**HANFORD ELEMENTARY SCHOOL DISTRICT
BUILDING FUND (MEASURE U)**

**NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017**

Encumbrances

The District utilizes an encumbrance accounting system under which purchase orders, contracts and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation. Encumbrances are liquidated when the commitments are paid and all outstanding encumbrances lapse at June 30.

Fund Balance - Building Fund (Measure U)

As of June 30, 2017, the fund balance is classified as follows:

Restricted - amounts that can be spent only for specific purposes because of constitutional provisions or enabling legislation or because of constraints that are externally imposed by creditors, grantors, contributors, or the laws or regulations of other governments.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

New Accounting Pronouncements

In May 2017, the GASB issued Statement No. 86, *Certain Debt Extinguishment Issues*. The primary objective of this Statement is to improve consistency in accounting and financial reporting for in-substance defeasance of debt by providing guidance for transactions in which cash and other monetary assets acquired with only existing resources—resources other than the proceeds of refunding debt—are placed in an irrevocable trust for the sole purpose of extinguishing debt. This Statement also improves accounting and financial reporting for prepaid insurance on debt that is extinguished and notes to financial statements for debt that is defeased in substance.

The requirements of this Statement are effective for reporting periods beginning after June 15, 2017. Early implementation is encouraged.

**HANFORD ELEMENTARY SCHOOL DISTRICT
BUILDING FUND (MEASURE U)**

**NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017**

NOTE 2 - INVESTMENTS

Policies and Practices

The District is authorized under *California Government Code* to make direct investments in local agency bonds, notes, or warrants within the State: U.S. Treasury instrument; registered State warrants or treasury notes; securities of the U.S. Government, or its agencies; bankers acceptances; commercial paper; certificates of deposit placed with commercial banks and/or savings and loan companies; repurchase or reverse repurchase agreement; medium term corporate notes; shares of beneficial interest issued by diversified management companies, certificates of participation, obligations with first priority security, and collateralized mortgage obligations.

Investment in County Treasury

The District is considered to be an involuntary participant in an external investment pool as the District is required to deposit all receipts and collections of monies with their County Treasurer (*Education Code* Section 41001). The fair value of the District's investment in the pool is reported in the accounting financial statement at amounts based upon the District's pro-rata share of the fairly value provided by the County Treasurer for the entire portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by the County Treasurer, which is recorded on the amortized cost basis.

**HANFORD ELEMENTARY SCHOOL DISTRICT
BUILDING FUND (MEASURE U)**

**NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017**

General Authorizations

Limitations as they relate to interest rate risk, credit risk, and concentration of credit risk are indicated in the schedules below:

Authorized Investment Type	Maximum Remaining Maturity	Maximum Percentage of Portfolio	Maximum Investment in One Issuer
Local Agency Bonds, Notes, Warrants	5 years	None	None
Registered State Bonds, Notes, Warrants	5 years	None	None
U.S. Treasury Obligations	5 years	None	None
U.S. Agency Securities	5 years	None	None
Banker's Acceptance	180 days	40%	30%
Commercial Paper	270 days	25%	10%
Negotiable Certificates of Deposit	5 years	30%	None
Repurchase Agreements	1 year	None	None
Reverse Repurchase Agreements	92 days	20% of base	None
Medium-Term Corporate Notes	5 years	30%	None
Mutual Funds	N/A	20%	10%
Money Market Mutual Funds	N/A	20%	10%
Mortgage Pass-Through Securities	5 years	20%	None
County Pooled Investment Funds	N/A	None	None
Local Agency Investment Fund (LAIF)	N/A	None	None
Joint Powers Authority Pools	N/A	None	None

Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value is to changes in market interest rates. The District does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. The District manages its exposure to interest rate risk by investing in the Kings County Investment Pool. The District maintains a Building Fund (Measure U) investment of \$8,557,142 with the Kings County Investment Pool, with an average maturity of 525 days.

**HANFORD ELEMENTARY SCHOOL DISTRICT
BUILDING FUND (MEASURE U)**

**NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017**

NOTE 3 - FAIR VALUE MEASUREMENTS

The District categorizes the fair value measurements of its investments based on the hierarchy established by generally accepted accounting principles. The fair value hierarchy, which has three levels, is based on the valuation inputs used to measure an asset's fair value. The following provides a summary of the hierarchy used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets that the District has the ability to access at the measurement date. Level 1 assets may include debt and equity securities that are traded in an active exchange market and that are highly liquid and are actively traded in over-the-counter markets.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, or other inputs that are observable, such as interest rates and curves observable at commonly quoted intervals, implied volatilities, and credit spreads. For financial reporting purposes, if an asset has a specified term, a Level 2 input is required to be observable for substantially the full term of the asset.

Level 3 - Unobservable inputs should be developed using the best information available under the circumstances, which might include the District's own data. The District should adjust that data if reasonably available information indicates that other market participants would use different data or certain circumstances specific to the District are not available to other market participants.

Uncategorized - Investments in the Kings County Treasury Investment Pool are not measured using the input levels above because the District's transactions are based on a stable net asset value per share. All contributions and redemptions are transacted at \$1.00 net asset value per share.

NOTE 4 - ACCOUNTS PAYABLE

Accounts payable at June 30, 2017, consist of \$4,087 due to vendors for services received.

**HANFORD ELEMENTARY SCHOOL DISTRICT
BUILDING FUND (MEASURE U)**

**NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017**

NOTE 5 - COMMITMENTS AND CONTINGENCIES

Construction Commitments

As of June 30, 2017, the Building Fund (Measure U) had the following commitments with respect to the unfinished capital projects:

<u>Measure U Projects</u>	<u>Remaining Construction Commitment</u>	<u>Expected Date of Completion</u>
Monroe new administration building	\$ 2,135,822	February 2018
MLK classroom wing	191,240	August 2018
Total Projected Cost Remaining	<u>\$ 2,327,062</u>	

Litigation

The District is not currently a party to any legal proceedings regarding bond projects.

SUPPLEMENTARY INFORMATION

**HANFORD ELEMENTARY SCHOOL DISTRICT
BUILDING FUND (MEASURE U)**

**SCHEDULE OF LONG-TERM OBLIGATIONS
JUNE 30, 2017**

Measure U Bonded Debt

The District's general obligation bonded debt under Measure U is as follows:

Issue Date	Maturity Date	Interest Rate	Original Issue	Bonds			Bonds
				Outstanding July 1, 2016	Issued	Redeemed	Outstanding June 30, 2017
2017	2019-47	2.0-5.0	8,800,000	\$ -	\$ 8,800,000	\$ -	\$ 8,800,000

Election 2016, Series A General Obligation Bonds

On June 14, 2017, the District issued \$8,800,000 in Election 2016, Series A, Measure U general obligation bonds. Proceeds from the bonds will be used to (i) finance the repair, upgrading, acquisition, construction and equipping of certain District property and facilities and (ii) pay the costs of issuing the bonds. At June 30, 2017, the principal balance outstanding was \$8,800,000.

The bonds mature through 2047 as follows:

Fiscal Year	Principal	Interest to Maturity	Total
2018	\$ -	\$ 217,292	\$ 217,292
2019	600,000	325,144	925,144
2020	115,000	322,625	437,625
2021	-	320,900	320,900
2022	-	320,900	320,900
2023-2027	265,000	1,589,475	1,854,475
2028-2032	845,000	1,454,025	2,299,025
2033-2037	1,435,000	1,251,486	2,686,486
2038-2042	2,230,000	942,747	3,172,747
2043-2047	3,310,000	422,400	3,732,400
Total	\$ 8,800,000	\$ 7,166,994	\$ 15,966,994

**HANFORD ELEMENTARY SCHOOL DISTRICT
BUILDING FUND (MEASURE U)**

**RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED
GENERAL OBLIGATION BOND FUND
JUNE 30, 2017**

There were no adjustments to the Unaudited Actual Building Fund (Measure U), which required reconciliation to the audited financial statements at June 30, 2017.

**HANFORD ELEMENTARY SCHOOL DISTRICT
BUILDING FUND (MEASURE U)**

**NOTE TO SUPPLEMENTARY INFORMATION
JUNE 30, 2017**

NOTE 1 - PURPOSE OF SCHEDULES

Schedule of Long-Term Obligations

This schedule provides a debt repayment schedule associated with the bond proceeds received through issuance of Building Fund (Measure U) obligations.

Reconciliation of Annual Financial Report With Audited Financial Statements

This schedule provides the information necessary to reconcile the fund balance of the Building Fund (Measure U) reported on the Unaudited Actual Financial Report to the audited financial statements.

OTHER INDEPENDENT AUDITOR'S REPORT

VAVRINEK, TRINE, DAY & CO., LLP
Certified Public Accountants

VALUE THE *difference*

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Governing Board and
Citizens' Oversight Committee
Hanford Elementary School District
Hanford, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the accompanying financial statements of the Hanford Elementary School District (the District) Building Fund (Measure U), as of and for the year ended June 30, 2017, and the related notes of the financial statements, and have issued our report thereon dated December 8, 2017.

As discussed in Note 1, the financial statements present only the Building Fund specific to Measure U, and are not intended to present fairly the financial position and changes in financial position of Hanford Elementary School District in accordance with accounting principles generally accepted in the United States of America.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Hanford Elementary School District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Hanford Elementary School District's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Hanford Elementary School District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be, significant deficiencies or material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Hanford Elementary School District's Building Fund (Measure U) financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON PERFORMANCE

Governing Board and
Citizens' Oversight Committee
Hanford Elementary School District
Hanford, California

We were engaged to conduct a performance audit of the Hanford Elementary School District (the District) Building Fund (Measure U) for the year ended June 30, 2017.

We conducted this performance audit in accordance with the standards applicable to performance audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusion based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our conclusions based on our audit objectives.

Our audit was limited to the objectives listed within the report which includes determining the District's compliance with the performance requirements as referred to in Proposition 39 and outlined in Article XIII A, Section 1(b)(3)(C) of the California Constitution. Management is responsible for the District's compliance with those requirements.

In planning and performing our performance audit, we obtained an understanding of the District's internal control in order to determine if the internal controls were adequate to help ensure the District's compliance with the requirements of Proposition 39 and outlined in Article XIII A, Section 1(b)(3)(C) of the California Constitution, but not for the purpose of expressing an opinion of the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

The results of our tests indicated that the District expended Building Fund (Measure U) funds only for the specific projects approved by the voters, in accordance with Proposition 39 and outlined in Article XIII A, Section 1(b)(3)(C) of the California Constitution.

HANFORD ELEMENTARY SCHOOL DISTRICT BUILDING FUND (MEASURE U)

JUNE 30, 2017

AUTHORITY FOR ISSUANCE

The general obligation bonds associated with Measure U were issued pursuant to the Constitution and laws of the State of California (the State), including the provisions of Chapters 1 and 1.5 of Part 10 of the California Education Code, and other applicable provisions of law. The bonds are authorized to be issued by the requisite 55 percent of the voters of the District, pursuant to a request of the District made by a resolution adopted by the Board of Education of the District.

The District received authorization from an election held on November 8, 2016, to issue bonds of the District in an aggregate principal amount not to exceed \$24 million to (i) finance the repair, upgrading, acquisition, construction and equipping of certain District property and facilities and (ii) pay the costs of issuing the bonds. The Series A Bonds represent the first series of bonds to be issued under the 2016 Authorization.

PURPOSE OF ISSUANCE

The net proceeds of the Bonds and any other series of general obligation bonds issued under the Authorization will be used for the purposes specified in the District bond proposition submitted at the Election. An excerpt from the ballot language is as follows:

"HANFORD ELEMENTARY SCHOOLS REPAIR MEASURE: To repair and upgrade aging elementary/middle school facilities by repairing outdated classrooms, upgrading inadequate electrical systems, restrooms, improving access for disabled students, provide access to computers/modern technology, replacing aging portable classrooms and repairing, constructing, acquiring classrooms, facilities, sites, and equipment, shall Hanford Elementary School District issue \$24,000,000 in bonds at legal rates, requiring independent audits, citizens' oversight, no money for administrators, all funds staying local, without increasing current tax rates."

AUTHORITY FOR THE AUDIT

On November 7, 2000, California voters approved Proposition 39, the Smaller Classes, Safer Schools and Financial Accountability Act. Proposition 39 amended portions of the California Constitution to provide for the issuance of general obligation bonds by school districts, community college districts, or county offices of education, "for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of rental property for school facilities", upon approval by 55 percent of the electorate. In addition to reducing the approval threshold from two-thirds to 55 percent, Proposition 39 and the enacting legislation (AB 1908 and AB 2659) requires the following accountability measures as codified in *Education Code* Sections 15278-15282:

1. Requires that the proceeds from the sale of the bonds be used only for the purposes specified in Article XIII A, Section 1(b)(3)(C) of the California Constitution, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.
2. The school district must list the specific school facilities projects to be funded in the ballot measure, and must certify that the governing board has evaluated safety, class size reduction and information technology needs in developing the project list.

HANFORD ELEMENTARY SCHOOL DISTRICT BUILDING FUND (MEASURE U)

JUNE 30, 2017

3. Requires the school district to appoint a citizen's oversight committee.
4. Requires the school district to conduct an annual independent financial audit and performance audit in accordance with the *Government Auditing Standards* issued by the Comptroller General of the United States of the bond proceeds until all of the proceeds have been expended.
5. Requires the school district to conduct an annual independent performance audit to ensure that the funds have been expended only on the specific projects listed.

OBJECTIVES OF THE AUDIT

1. Determine whether expenditures charged to the Building Fund have been made in accordance with the bond project list approved by the voters through the approval of Measure U.
2. Determine whether salary transactions charged to the Building Fund, if any, were in support of Measure U and not for District general administration or operations.

SCOPE OF THE AUDIT

The scope of our performance audit covered the period of July 1, 2016 to June 30, 2017. The population of expenditures tested included all object and project codes associated with the bond projects. The propriety of expenditures for capital projects and maintenance projects funded through other State or local funding sources, other than proceeds of the bonds, were not included within the scope of the audit. Expenditures incurred subsequent to June 30, 2017, were not reviewed or included within the scope of our audit or in this report.

PROCEDURES PERFORMED

We obtained the general ledger and the project expenditure reports prepared by the District for the period July 1, 2016 through June 30, 2017, for the Building Fund (Measure U). Within the fiscal year audited, we obtained the actual invoices and other supporting documentation for a sample of expenditures to ensure compliance with the requirements of Article XIII A, Section 1(b)(3)(C) of the California Constitution and Measure U as to the approved bond projects list. We performed the following procedures:

1. We selected a sample of expenditures for the period starting July 1, 2016 and ending June 30, 2017, and reviewed supporting documentation to ensure that such funds were properly expended on authorized bond projects.
2. We selected a sample of expenditures of Measure U funds totaling \$330,807 for the fiscal year ended June 30, 2017. This represents 98.78 percent of the total expenditures of \$334,894.
3. We verified that funds from the Building Fund (Measure U) were expended for authorized bond projects and issuance costs, and we verified that no funds were expended for salaries of District administrators or for other operating expenses of the District.

BUILDING FUND (MEASURE U)**

JUNE 30, 2017

CONCLUSION

The results of our tests indicated that, in all significant respects, the Hanford Elementary School District has properly accounted for the expenditures held in the Building Fund (Measure U) and that such expenditures were made for authorized Bond projects.
