

How to View Your Grades in Skyward 2020-2021

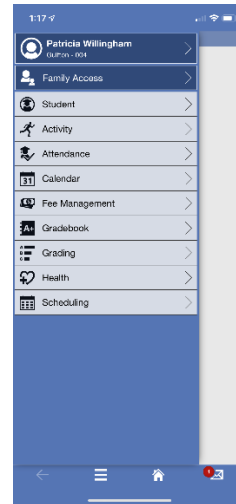

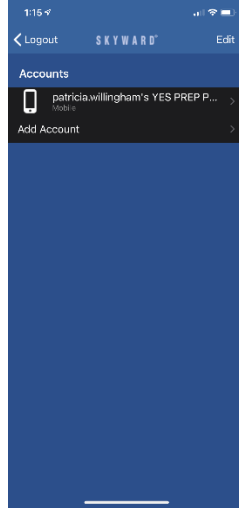

How to View Your Grades in Skyward	
Step 1: Download the Skyward app	Go to your phone app store and download the Skyward App. Your screen should resemble this: Baja la aplicacion de Skyward a tu telefono. 
Step 2: Open the App and locate district	- Open the Skyward app and locate your account by selecting BY DISTRICT NAME. - Type in YES Prep and select it when the option shows up. Abre la aplicacion y selecciona BY DISTRICT NAME. Despues escribe YES PREP en la segunda foto y selecciona esa opcion.  

Step 3: Select School Management	Select School Management and Select All Users Selecciona School Management y despues la opcion de ALL USERS. 
Step 4 : Select Skyward and Log in	- Select Skyward and type in your username and Password (parents/guardian) Selecciona la opcion que dice Skyward y despues escribe tu nombre de usuario y contraseña. 

Step 6: Select your profile and then click the Menu options

- Select your profile and then click the Menu options (this is the 3 horizontal lines one below the other)

Selecciona tu cuenta y dale click a Menu (las 3 lineas horizontales).

Step 7: Click Grading and view Grades

- Select Grading, current classes and current year. Now view your Grades! (PR are you Progress Report Grades, and M1 are you 1st quarter grades)

Selecciona GRADING, despues asegurate de clickear CURRENT CLASSES (sus clases de ahorita) y CURRENT YEAR (este ano). Ahora ve los grados de tu hijo/hija!
